ZACCHAEUS

The Corrupt 'Government Man'

A Powerful Message of Repentance, Revival and Restoration
preached over Radio and Television from the Westpoint Liberia Sports Grounds

This is not just another message — this is a powerful and timely “Word” which I believe the Lord instructed me to boldly proclaim to Liberia — not just to this huge crowd on the West Point Football Grounds tonight but to the entire nation to whom the message is being broadcast by radio and television!

For over 35 years I have preached on God’s love, faith, miracles, deliverance, blessing and eternal salvation through the life-changing power of the Cross and the Gospel of Divine Grace!

I have done the same here on these grounds the last few nights and we have already seen numbers of totally deaf, dumb, blind, lame and demonized wonderfully set free by the power of the Living Christ in the West Point Slum!

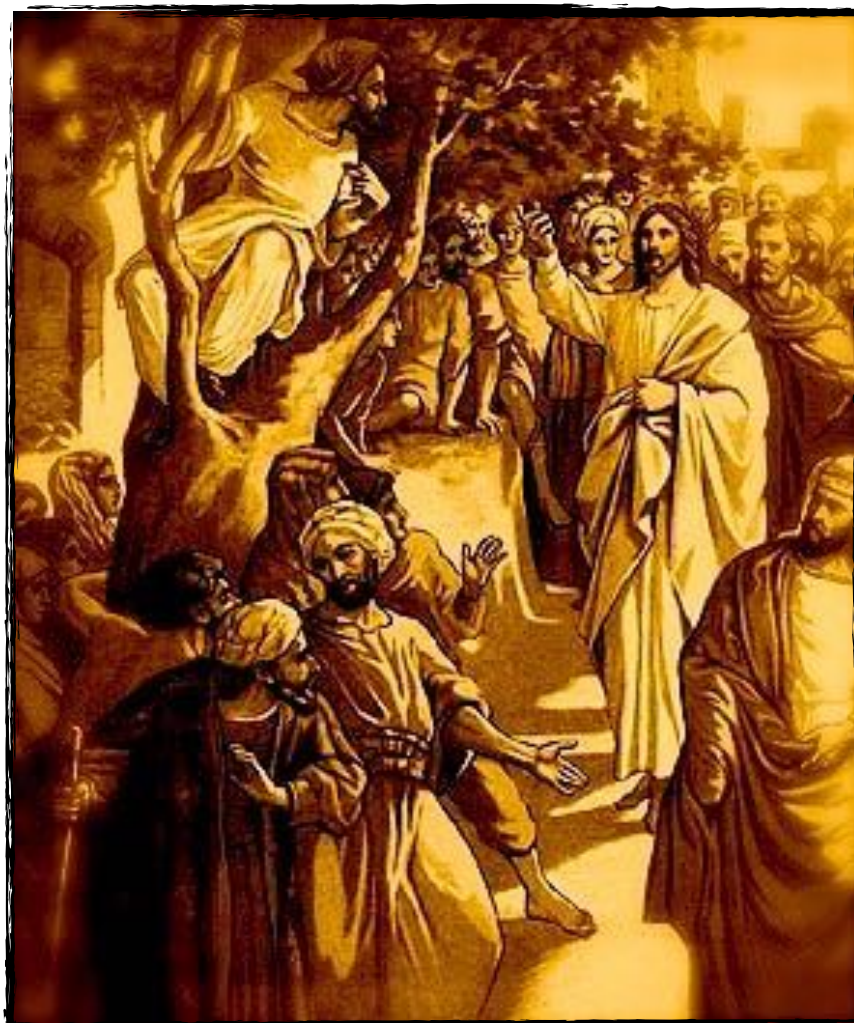

But tonight I intend to shift gears, ask God to turn the heat up, do the work of a true revivalist and hit the sins of the nation hard and mess a little with hearts and attitudes as the Lord leads — because everything God works in us and for us He does first in our hearts and spirits — so let’s get our hearts right before God tonight and see the Lord move even more powerfully!

Now before we open the Book, I want to thank Liberia for the number of colourful and complimentary names they have dubbed me with over the years.

Many of the street people and beggars in the downtown core call me “**Azonto**” after the lively African hip-hop culture and dance moves indicating their friendly acceptance of me as a brother, or as many have said, a “*Black Man Stuck in a White Man’s Body!*”

Out in the Kendeja area most people call me “**One Copy**” which they said means ‘*The Original*’, the “*Real Deal*”, “*No Imitation*”, “*Nobody Like You*”, and *One of a Kind*” — I like that name!

And on the streets on the way to Body Master’s gym where I played with steel for a few years many of the young

street boys greeted me along the way as, **"Body Man"** or **"Strong Man"**.

Thousands of others who have been blessed, saved and healed in our numerous Gospel campaigns here respectively hail me in the streets as **"Reverend"** or **"International Evangelist"** — in corporate circles they generally refer to me as the **"Canadian Businessman"** or **"The Preaching Investor"** — while in some government circles they call me **"Liberty Lindstrom"** or just **"Liberty Gold!"**

And after I published my 618-page highly documented exposé on government corruption entitled **'Corruption 101 - Liberia Style'** and all the publicity surrounding our huge court case against government many would run after me in the streets shouting — **"101...101"** — while others dubbed me **"Corruption Fighter"**, **"Braveheart"**, **"Man With No Fear"** and even **"Public Enemy Number One"** — and still others in media circles called me **"Whistleblower"** and **"Darling of the Press!"**

But tonight I come with no titles or nicknames — I simply come as an anointed servant of God to deliver the Lord's same message of healing, salvation and deliverance that I have preached in over 100 nations of the world — and one more time tonight to the thousands gathered here in West Point Slum — which everyone knows is notorious as the most criminal and

dangerous place in all of Liberia — full of **Hoodlums, Hooligans, Hookers and Hobo Joes** — a place that even most Liberians fear to come especially after dark because of the **high degree of crime and violence**.

So I must mention one more name I got in Liberia — one that I received right here in West Point — **"Crazy White Man"** — as several times when rogues and hoodlums were trying to steal from me I would jump out of my Jeep and run like the wind chasing the thieving scoundrels all alone down this one little narrow congested street and through tight twisting alleyways between the shanty shacks to catch them and **take back what they stole!**

The locals were always shocked to see a white man all alone running after crooks and would shout in amazement, **"That white man is crazy"** or in Liberian slang, **"White man crazy-ohhhh"** — but I would chase right after those dangerous criminals and fleet-footed felons here in West Point until I caught them.

On stage in West Point with Pastor Charles Davis preparing to preach this message to the nation

The only street in the entire West Point Slum of 75,000 people — it was down this street that I would chase after rogues and thieves who were trying to steal my stuff — even if it meant chasing them down the little alley ways — crazy-ohhh

And tonight this crazy white man is here **chasing after you again** — this time with the love and power of the Living God and a burning desire to see you come to true and eternal salvation in Jesus Christ — and tonight **to see YOU gain back everything the devil has stolen from YOU** — including your health, joy, integrity, dignity and well-being!

Listen — God loves the people of Westpoint — and tonight is your night for a miracle — and we are going to chase down the devil tonight and take back everything he has stolen from you in the Mighty Name of Jesus!

Now let's turn to the Word of God!

ZACCHAEUS — THE CHEATING CROOKED TAX COLLECTOR

I often ask the Lord for a Word so one morning as I was in a rush heading out the door just before leaving Canada, I quickly said, Lord what is Your Word for today, and flipped my Bible open and my finger landed on the familiar story of Blind Bartimaeus so I hastily read it and was quickly closing the Bible to run out just as my eye caught a word in the next title — **Zacchaeus**.

Instantly, before I could even reopen my Bible and read the text, God dropped this entire message in my heart in about 15 seconds and I heard these words in my spirit, *"I want you to preach this in Liberia!"*

Wow — I realized that in more than 35 years of preaching all over the world, I had never once preached about Zacchaeus.

But tonight you are going to receive a Word which I believe is from the Lord for the entire nation of Liberia and it will not only be heard by the many thousands gathered here on these grounds but is also going to the entire nation by radio and TV!

Luke 19:1-2

Then Jesus entered and passed through Jericho. Now behold, there was a man named Zacchaeus who was a CHIEF TAX COLLECTOR,

Listen now — Zacchaeus was a **"Government Man"** — a high ranking official in the establishment — the Chief Tax Collector — the man who collected and handled government money — appointed by the establishment to a powerful office similar to that of Minister of Finance over the entire region — and he greatly abused his position for personal gain — and the Bible says he was very **"Rich!"**

But he had become rich on all the money he stole in the name of government — all the crooked deals he did — all the cheating of individuals and investors — all the manipulation and breaking of contracts — all the lies and deceit — all the swindling on taxes as long as he could eat a portion — and all the illegal under-the-table bribes he had received — or as they say in Liberia, all the **"cold water"** and **"chicken bones"** he could extort by misusing his authority.

That was what made Zacchaeus a very rich man — his corrupt business dealings and gross abuse of position — but his evil deeds and insatiable greed also made him a very detested man among the people and put his eternal soul in grave jeopardy with God.

Just another day trying to survive in the West Point slum for this precious little gaffer

I am preaching this message in the heart of the West Point Slum and I know there are many crooks and criminals out in this crowd listening here tonight — hooligans and rogues who go into town during the day, snatch purses, steal cell phones, rob people, sometime even with machetes or at gun point, and pilfer anything they can get their hands on.

Nevertheless, most rogues and robbers from West Point are actually just small petty crooks.

The Big Crooks are often in government circles — the modern day Zacchaeus' of Liberia!

Luke 19:3

And he sought to see who Jesus was, but could not because of the crowd, for he was of SHORT stature

The Bible says Zacchaeus was **SHORT** — but he was not only short in stature or height.

He was also short on **Compassion** — he had no heart for the people he repeatedly ripped off nor the people

he kept in poverty by his greedy actions.

He was short on **INTEGRITY** — as he had no qualms or conviction about his lies and deceit.

He was short on **HONESTY** — with no desire to tell the truth if it affected his corrupt and illegal business dealings.

He was short on **SPIRITUALITY** — he was a “son of Abraham” so he probably went to the synagogue once in a while but God’s message had never reached his heart.

He was short on **LIFE’S TRUE VALUES** — and when you have no value for anyone else you cannot even respect yourself — especially when stealing plenty and living like the king of corruption with an evil and blackened heart.

And more than anything, Zacchaeus was short on **UNDERSTANDING** — not comprehending the consequences of his wicked actions nor the coming of **ETERNAL JUDGMENT** — and he like many in Liberia probably thought he could hide forever behind his lofty government position and impunity — but you can never hide your sins from the Living God!

Now listen — this Crazy White man is going to **live dangerously tonight** and hit hard — I am going to expose the sins of the nation and the sins of West Point — nevertheless, this is not a message of condemnation but rather of hope and faith for true transformation and deliverance!

God wants to save and bless everyone — including all those who are crooked or corrupt whether they be here tonight in Africa’s worst slum or behind a fancy desk in one of Africa’s most corrupt governments — everyone needs Jesus — and I have preached and prayed for many in the same conditions all over the world!

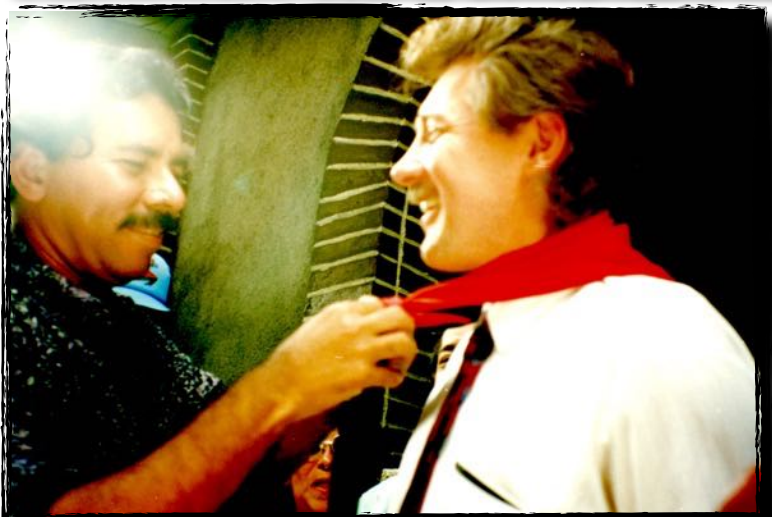

Please understand, I have been privileged to sit and pray with many politicians and leaders in my travels — including Kings, Presidents, Prime Ministers, Governors, Senators, Ambassadors, Heads of Police, Military Generals, Judges and Lawyers — and everyone of them regardless of office, status or title needed Jesus!

I have also prayed with many who were gangsters, thugs, crooks, drug addicts, pushers and prostitutes just like many of those gathered here tonight — all need Jesus — and all want a God who is real and loves them enough to touch and change their lives.

But religion won’t cut it — dead church meetings won’t do it — people need and long for a true prayer answering God who has the power and grace to truly forgive and transform — and that God is here tonight — ready to cleanse and change all who truly turn to Him in faith and repentance!

Many days spent with His Highness King Tupou IV in 1983 -- during our wonderful outdoor miracle campaign in Nuku'alofa — Kingdom of Tonga

My first visit with El Presidente Daniel Ortega in 1993 when he removed his own red and black revolution bandana from around his neck and tied it on me as a friend of the nation as he was so impressed with the miracles God was doing in Nicaragua — powerful moment with a President renowned as a Socialist Revolutionary Leader — but he prayed with me to accept Jesus Christ and God makes all the difference

Over the years I have had the privilege to meet and pray with many key people in Government of Liberia and leadership positions — the following are just a few

**Visit & Prayer with Her Excellency
PRESIDENT Ellen Johnson-Sirleaf**

— I promoted Liberia around the world based on the very strong anti-corruption agenda that was clearly articulated on her inauguration day with the emphatic declaration that Corruption would be 'Public Enemy Number One'
— unfortunately Corruption and Graft have become more rife than ever

**Visit and prayer with VICE PRESIDENT
of Liberia for the last 11 years
Honourable Joseph Boakai**

— currently one of the contenders for President during the coming 2017 elections

**Minister of Foreign Affairs Thomas
Nimely — at the time government of
Liberia was appointing me as
Honorary Consul General**

**Speaker of the House
Honourable George Dweh
with my son Michael Lindstrom**

**Head of National Investment
Commission & former Merrill Lynch
VP — Richard Tolbert**

**Minister of Lands, Mines & Energy
Jonathan Mason**

**Assistant Minister of Lands,
Mines & Energy — Albert Chie
— receiving our first licenses**

**Head of Ministry of National
Security**

Luke 19:4

So he ran ahead and climbed up into a sycamore tree to see Him, for He was going to PASS THAT WAY

Jesus is passing this way — He is here in Westpoint — He is present on these grounds — He is passing under your tree right now — He is as close as the very breath you breathe — and He has a miracle for you tonight!

But we must obey His Voice if we are going to receive His blessing — and His Voice is the Bible — His Voice is the Written Word — and God's Word is spirit, it is truth and it is life — it is filled with miracle-working life-changing power — it will not return to Him void — and it will accomplish that which it is sent forth to do!

Luke 19:5

And when Jesus came to the place, He looked up and saw him, and said to him, "Zacchaeus, make haste and COME DOWN..."

Jesus knew him by name — "Zacchaeus" — and Jesus knows you by name as well — in fact He knows everything about you — nothing is hid from the Lord — He knows your sin, He knows your need and He knows the innermost cry of your heart.

But the first thing He said to Zacchaeus was **COME DOWN!**

Now Zacchaeus had to make the most important decision of his life — he could either stay in his sinful living and cheating lifestyle — stuck out on a limb high above the crowd clinging to his pride and self-importance — or humble himself and come down to Jesus in true humility, repentance and contrition of heart.

And God is calling all to come down tonight — all in West Point and all in government circles — **humble yourself** — **come down** off that man-made perch — come down from your high-fluting position — come down from your lofty sense of entitlement where you try to justify your sins and corruption!

There is **no impunity in spiritual matters** — no government impunity before God — no Secret Society to hide behind — no Legislature or manipulated court system to protect you — and no narrow alleyways to run and disappear down — all are sinners — all are corrupt — all are rotten to the core — and all must repent and change and come to Christ in true humility.

It is time for everyone to quit flaunting themselves as the Big Man or Big Woman who is **"above the law"** — no matter who you think you are, there are no big men or

women with God! None in ministry — none in the slum — none in business — and none in government! Before God we are all equal — and we are all sinners — and we must all come down and come His way!

There are many scriptures on humility but the verse in Micah 6:8 sums the matter up best:

*"He has shown you, O mortal, what is good. And what does the Lord require of you? To **act JUSTLY** and to **love MERCY** and to **walk HUMBLY with your God.**"*

That is all God expects from us — Justice — Mercy — and Humility — but that seems like a lot for those who have climbed so far out on their precarious branches of sin and arrogance — especially those in high money-eating positions like Zacchaeus!

Luke 19:5b

"...for today I must stay at YOUR HOUSE!"

My friends — this is such an incredible statement — despite all Zacchaeus' evil dealings and greedy actions who does Jesus call — the corrupt government man — indicating that regardless of all his wickedness and all the evil he has done, Jesus still loved him every bit as much as He loves anyone else — and He said He was going to his house!

Do you know what happens when Jesus comes to your house? When Jesus comes, salvation comes to your house — healing comes to your house — deliverance comes to your house — joy comes to your house — love comes to your house — the blessing of God comes to your house — and the Lord's wonderful abiding presence comes to your house!

Everything we need comes in the Person and Spirit of Jesus Christ — and Jesus is calling you tonight saying, West Point — I am coming to your house tonight — My miracle presence is coming to your home tonight! Get ready people — Jesus is coming!

No matter what your condition in life — when Jesus comes to your house — salvation, deliverance, blessing, healing, joy and His abiding presence come to your house

Luke 19:6

So he made haste and came down, and RECEIVED HIM JOYFULLY

Perhaps Zacchaeus was convicted about the kind of empty sinful life he had been living — or perhaps he had trouble sleeping at night when he thought about the poor people he had cheated out of their livelihood — and maybe his rich food didn't taste so good when his thoughts turned to those who couldn't even buy a meagre cup of rice for their hungry family.

No doubt when conviction hit him, **his great wealth and ill-gotten gains seemed pretty shallow** when he was struck with thoughts of those sleeping in leaky tin shacks or out in the pouring rain in rat-infested streets — especially when he knew deep in his heart that it was his greed and his corrupt activities that were at least partly the cause of their tragic misfortune.

No matter how hardhearted you are, **everyone has an inner conscience** that will occasionally smite them — and everyone gets pierced in the heart when they seriously think about God and eternity — but for whatever reason Zacchaeus quickly came down and the Bible says he received Christ joyfully — and that same Jesus is calling to all in West Point tonight — and He is calling to multitudes more who are listening by radio and television across Liberia.

Luke 19:7

But when they saw it, they all complained, saying, "He has gone to be a guest with a man who is a SINNER"

This is a classic example of why religion without a compassionate heart and concern for all of humanity truly stinks and can never satisfy the human soul.

Zacchaeus was no doubt a man for whom many had wished he encounter God and change his evil ways — and yet when God called him to do just that — the religious leaders and pharisaical ingrates became angry, jealous and accusatory, saying, Why him, the man is a scoundrel and a sinner!

But that's the **only kind of people God can save** — sinners — in fact, it is impossible for the self-righteous to be saved until they realize they are indeed sinners — but if they truly believe and repent God will readily accept them.

That is why it is not enough to simply preach message after message only about God's love and grace — yes, that is the heart and core of the Gospel — but grace can never be fully appropriated or appreciated until one truly understands just how sinful and utterly rotten they really are and in contrast how incredibly holy, pure and righteous God is.

Only then can the unmerited unfathomable grace of Almighty God do its amazing work of transforming a lost sinful corrupt blackened soul into a truly liberated and joyous child of the Living God!

Luke 19:8a

Then Zacchaeus stood and said to the Lord, "Look, Lord, I give HALF OF MY GOODS TO THE POOR ..."

And right Zacchaeus should because most of his riches had been extorted from the poor — this crooked tax collector had made all his money either cheating the poor or making them poor.

He had been **eating money** donated by charitable organizations to help the destitute and needy — given by world banks and friendly nations and compassionate Christian organizations to help rebuild the country and the lives of its war-torn people — donated for the express purpose of alleviating the suffering masses like those who have been forced by circumstance to live in this slum.

But instead of putting the money where designated this crooked tax collector had eaten much of it and then probably transferred the rest out of country to some secret foreign bank accounts.

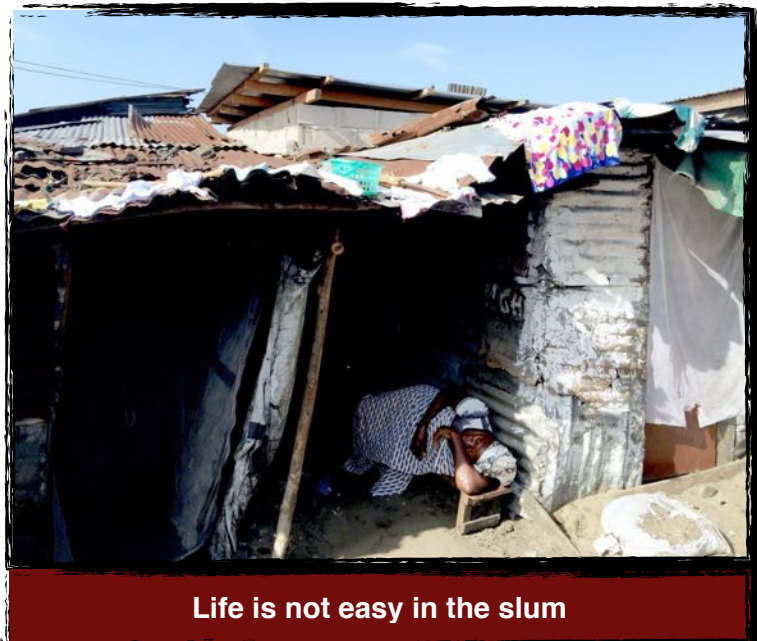

The tragedy is not just poverty — the real problem is that most funds given to help never reach them

This type of flagrant greed in government circles has become rife all over the world and it is absolutely criminal — **corruption is an evil blight on humanity** no matter where it is found — and those who thrive on its tainted fruit will surely split hell wide open.

That is why I have often preached that all crooked politicians should serve **two terms** — one in office and one in jail!

And I believe the flames of hell will be heated **seven times hotter** for corrupt government officials who abuse their authority and positions to rob the poor and helpless they pledged an oath to protect and care for — if they do not repent and change!

Life is not easy in the slum

And even if these corrupt politicians sit for an hour on a pew Sunday morning, it will not save them — because true repentance and true transformation of character demands and solicits a change in action — otherwise they are just religious hypocrites hiding behind a Sunday morning service with no change of heart or spirit.

Someone said we are not to judge — but listen — Jesus clearly stated, **“By their fruits you shall know them”** — and unfortunately for Liberia the fruit appears to be very rotten — and the whole world can smell the stench of its corruption — but nowhere does the odour smell more putrid than in the nostrils of God!

I realize I am hitting hard — and I know most preachers don’t have the spiritual guts to preach about these things — but if we are to see a genuine Holy Ghost revival it is time to quit turning the church into an **emasculated “bless-me-club”** and start addressing the ills of society and pray for God’s conviction to fall on entire nations including their leaders — because if the heads, the politicians, the governments, are corrupt — so will be the rest of their members!

It is time for leaders in Liberia to do as Zacchaeus did — time to repent and quit stealing and using government office for self-gain — time to look after the poor and needy instead of absconding with the very monies meant for the sustenance and well-being of their citizens!

Millions upon hundreds of millions of dollars are said to have disappeared here — give half that money back to the poor and you will change and heal the nation!

Luke 19:8b

“... and if I have taken anything from anyone by false accusation (or by fraud), I RESTORE FOURFOLD”

Now remember — Zacchaeus was a top government official — he was the man holding the purse-strings of the region — the minister, per-say, through whom most of the area’s finances flowed — and he had helped himself to *“plenty-ohhhh”* — but when He truly turned to the Lord, he became one of the greatest examples in the Bible of what true repentance, reconciliation and restitution looks like — as further exhibited when he declared he would restore four-fold to all those he had defrauded.

Now this is where I have to jump up and shout, Yes Zacchaeus — and when you truly repent and make restitution to all the people and companies you so wickedly defrauded — **remember the evil you did to Liberty** and to our shareholders and to our workers — because you and your crooked government stole plenty from us!

To remind those listening, besides being an international evangelist, I also operated a mineral company here for several years called Liberty — which I started with the goal of greatly enhancing ministry outreach as well as to bring monetary return to investors.

But after multiplied millions of dollars invested and major discoveries made, the money-hungry group of Zacchaeus’ at Lands, Mines and Energy — aka the **“Mineral Mafia”** — stole all our property licenses by illegally canceling them and immediately selling them to third party companies — all of which were pre-arranged under-the-table, illegitimate, self-serving deals to the extent that some international companies were illegally issued our choicest mineral licenses only three days after the illegal terminations.

And other companies received our most prized licenses worth hundreds of millions without these crooked government officials even bothering to *“illegally”* cancel them — which clearly indicates the blatant degree of abject bribery, graft and gross corruption involved which is strictly forbidden by both local and international laws.

But that is the type of money hungry illegal shenanigans

that are literally destroying this beautiful country of Liberia and has unfortunately earned it the ignoble title several times recently of having deteriorated into the **“most corrupt nation in the world!”**

And now the latest reports that just came out of the big London-based anti-corruption agency, GLOBAL WITNESS, just a couple days ago — as Jonathan Gant exposed and clearly documented another \$950,000 USD paid out by yet another crooked UK mining company, Sable Mining, in what was clearly bribe monies paid in 2010 to numerous top members of Liberia government including officials at Lands and Mines, National Investment Commission, the Senate, the Chairman of the ruling party, and the Speaker of the House, along with several other officials.

But of most interest was half a million dollars paid by the crooked mining company to “Big Boy 1” and “Big Boy 2” who obviously received the lion’s share of the money — **\$500,000** US dollars — to secretly authorize changing the laws of the land to accommodate the illegal license — and there is lots of speculation around town today about who Big Boys 1 & 2 are — as was seen in the feature story yesterday in Front Page Africa.

WHO ARE THE 'BIG BOYS' 01 & 02 IN GLOBAL WITNESS REPORT?

Bigboy 01	Unknown	None	250,000
Bigboy 02	Unknown	None	250,000
Total			500,000

President Sirleaf faces latest dilemma — many of her top officials including one of her sons named as recipients of bribes in latest Global Witness report on corruption — and everyone speculating who the top 2 “Big Boys” — or girls — were who received most of the illegal Bribe Money

As everyone knows, this is just one more in a long list of rank corruption stories which have been published almost daily in the Liberia press for the last seven or eight years — which clearly indicates that something has gone drastically wrong with this country — and the crooked Zacchaeus’ of the day are still very much present and in control of the country’s coffers!

This is also why the Liberty case serves as such a prime example of the immense amount of damage and heartache the crooked actions of Zacchaeus can cause — Liberty spent multiplied millions of dollars in exploration, helped boost the local economy, and made great mineral discoveries, but corrupt officials intentionally sabotaged the company for their own personal gain.

As a result, hundreds of needy Liberian workers who were employed now have no job or income or any means to feed their destitute families — joining the ranks of the 85% unemployed in the nation — and hundreds of Canadian investors who trusted in Liberia and this government ended up being badly hurt and suffering.

In addition, as part of Liberty’s required goodwill commitment in country, rather than simply giving large funds to government departments and officials like many companies do, we realized the officials would most likely just eat the money, so we chose to do a good portion of our mandatory beneficence to locals by helping to fund numerous mass miracle campaigns which brought tremendous blessing and God’s message of **eternal life to hundreds of thousands** across Liberia.

Interestingly, not one person regardless of position or status ever complained about our evangelistic outreaches — even though I am sure many of them would have sooner eaten the money — but Christ’s Kingdom kept being extended into the hearts of many even in the midst of all our battles with corruption.

Finally, when we learned the corrupt executives at Lands and Mines were illegally selling our mineral licenses under the table to unscrupulous international companies, we had no choice but to take the government to court.

Victory in the Lower Court — March 11 2011 — despite attempted interference by other parties, the honourable Judge ruled powerfully against government on the merits of the case in favour of our company — a righteous blow to corruption

The honourable Lower Court and later the Supreme Court of Liberia both ruled powerfully in favour of Liberty — calling the actions of Lands & Mines and Government of Liberia **“illegal, irregular, improper and unlawful”** which many believe was nothing short of an amazing miracle in an African judiciary!

Throughout the process, I had to stay in Liberia for more than another 3 1/2 years fighting for justice and our shareholders in the midst of gross government corruption, white collar crime, economic sabotage, extortion, bribery, impunity, violation of Court injunctions, bought-off lawyers, tampering with official Court Records, repeated flagrant assault against the sanctity of the honourable Court by government officials, and a myriad of blatant lies.

There were also many serious **threats against my life** that would have sent most investors running with their tail between their legs — but this **“Crazy White Man”** kept believing God’s promise — until finally both the Lower Court and Upper Court ruled powerfully and unanimously in our favour.

Bible high in the air and rejoicing with some of Liberty’s boys as the Supreme Court Justices unanimously confirmed the powerful judgment of the Lower Court (5-0) in Liberty’s favour against the illegal actions of Lands & Mines and Government of Liberia — January 10 2014

But despite such great victories in the judicial system, there has still been no resolution or settlement because of the continual illegal meddling by high government officials who are still hindering the court from settling the issue — in their futile attempts to cover their sins and sweep the huge case under the table.

One of many papers headlining the news that Lindstrom won the big corruption case against government in the Supreme Court of Liberia

And Liberty is just one company out of multitudes of foreign mineral and investment companies including multi-billion dollar corporations who have all been cheated and driven out of Liberia by the greed and avarice of the current day Slippery Stealing Zacchaeus’ of the land — which is why you cannot find any foreign investors on the streets here at all anymore — all cheated — all gone!

Listen now — I believe God is passing under the sycamore tree of rogues and crooked officials tonight and they will either come down and humble themselves or God may have to powerfully shake the tree of corruption right to its roots with them still in it!

But regardless how incorrigible or hopelessly corrupt they appear to be — it is my prayer they come to God and make things right to avoid the impending catastrophic judgment!!

When the Liberty case began in 2010, I brought my **Bible to court** and before the case was called I raised both hands to God right in the courtroom and walked around praying to the Living Christ with His Word lifted high that true justice would be done — and justice was indeed begun as within a few months the Lower Court ruled powerfully in our favour.

**Ass't Minister Lands & Mines — Emmanuel Sherman
— representing Lands & Mines in court case**

But one of the Assistant Ministers of Lands and Mines mocked and ridiculed me saying, Ha, **Lindstrom brings his Bible to court** — but I don't need to because I have mine in my heart.

I told him it would be wonderful if the Bible was in his heart — but if God's Word was truly in his heart and in the hearts of other Ministry officials, they would not have committed economic sabotage against us.

They would not be lying, cheating, extorting monies, illegally canceling licenses and repeatedly threatening

my life to stop me from further exposing them or from pursuing the case in court.

Behold — the JUDGE is standing at the door

James 5:19

You cannot claim to have God's Holy Word in your heart and continue to act like the devil!

Remember Jesus said, "***The thief came not but for to steal, to kill and to destroy — but I came to give life and that more abundantly!***" John 10:10

No matter what anyone professes with their mouth, if they continue to act like the devil, they are of their father the devil — and their religion is useless and they are only deceiving

themselves.

They are going to hell on a church pew relying on their colleagues in government and in the Masonic Temple to exert pressure on the case and to protect them while they continue to defraud investors!

Unfortunately this has become the norm in Liberia — and Liberty's experience has become like the story of Zacchaeus — *only much worse* — corrupt government overriding the laws of the land — politicians and crooked officials who enrich themselves by deceit and then manipulate the judicial system to cover their sins and deflect the consequences of a Final Judgment already rendered — nothing but lies, lies and more lies!

But I have a **serious warning for Liberia** tonight straight from the Bible — you cannot hide from God and you cannot lie to God!

The bible states, "***Look — the Judge is standing at the door***" — and that judge is the Judge of the Courts of Heaven — the Chief Justice of the Eternal Judiciary standing at the portal of your very life — and no one can manipulate Him — no one can coerce Him into believing you want to settle out of court when your words are nothing but lies intended to thwart and deny justice!

No — when the Judge of Heaven comes true justice will be meted out — and those who reject Him and subsequently die in their sins will split hell wide open — and it won't be a pretty day for unrepentant rogues or crooked politicians!

Jonathan Gant of the big anti-corruption watchdog GLOBAL WITNESS in London England — one of several global groups highly cognizant of and concerned about the Liberty case and the uphill battle for justice in such a corrupt and potentially dangerous environment

I thank God tonight for the name you gave me here in West Point — **“Crazy White Man”** — because one either has to be completely crazy to broadcast a message like this to the entire nation especially as an already *“marked”* man — or else truly believe in God — and I truly do believe in the Lord and His divine protection — but no doubt being a little crazy helps too.

Especially as I have virtually waged a single-handed battle against rampant corruption in Liberia and I am still alive and still here fighting against this ungodly evil — this time in the *“Spirit Realm”* — fighting for eternal souls — your souls — and also the souls of those who have perpetrated the evil against us.

But a good portion of the international community is highly cognizant of this battle, Canadian and foreign governments aware and concerned, huge anti-corruption groups still monitoring our progress, and multitudes of foreign investors made wary.

We’ve been through the court process — both Civil and Supreme — through a flurry of press conferences and newspaper reports — on many radio and TV live talk shows boldly blasting corruption — and lived under repeated threats against my life in a land where **“whistleblowers”** either disappear or mysteriously drown as has happened on several occasions recently.

On the nation’s #1 much-loved live radio talk show with my fearless friend Henry Kostar as many times we have blasted government malfeasance and corruption together on the air — we made a great team — he as a lion-hearted Liberian and I as a **“Crazy White Man”**

Taking on the MINERAL MAFIA of Liberia — believing God and fighting for justice and prayerfully a better day for Liberia — rich in natural resources — drowning in corruption

Nevertheless, I’ve been hailed by many as a champion and fearless fighter — scorned by others as a thorn in their flesh — and maliciously lied about and falsely accused by a few even in Canada who apparently haven’t the faintest clue of what has really gone on nor the slightest bit of appreciation for the dangerous battle I have undertaken for them — not to mention being intentionally misrepresented and slandered by even our own partially government-funded news agency CBC.

Of all the betrayals, few were as unexpected as when the heads of CBC were enthralled with doing a documentary on my battle with corruption in Liberia — and a wonderful lengthy meeting with them in Toronto suddenly switched to shocked concern when the head of CBC saw in my book that I was also planning to sue a multi-billion dollar Canadian mining firm that had used a *“phantom”* company set up in Liberia to steal one of our most potentially lucrative gold properties — **IAM Gold Corporation** — as documented in my book — in fact the proof of this company’s shady dealings was one

of the main reasons we so easily won the case in the Lower Court.

Yes, there is corruption in Canada as well — and in the entire world.

Liberia — even though you have taken corruption to an astronomical new level, you do not hold exclusive claim to this malignant evil.

Zacchaheus is thriving in every nation — including Canada where multi-billion dollar **IAM Gold Corp** stole one of our key properties — and in Britain where **Mano River Mining** aka **Afferro Mining** aka **Aureus Mining** stole our Putu Mountain iron ore property by obviously bribing Lands and Mines and then sold it for \$145,000,000 USD — which should be our money! Imagine what some of that money could do for the Gospel!

And numerous crooked mineral companies out of **Australia** received under-the-table illegal licenses to several of our other choice properties even when the honourable court had a **Permanent Injunction** against Lands and Mines so they were totally prohibited from doing anything with our licenses — but corruption knows no bounds when choice licenses and lucrative bribes are at stake — and **Zacchaheus** simply spit in the face of the courts!

The head of CBC, **Claude Vickery**, shocked me as he was flipping through my **Corruption** book and suddenly asked if I was going to also sue his **“friends”** at **IAM Gold Corp** — and the entire atmosphere changed — and in my opinion, I believe that to be the reason CBC suddenly and

completely switched agendas and rather than dealing with the true and highly intriguing story on corruption as promised did their utmost to try to denigrate me as a Christian and an evangelist — to silence my voice against a huge mineral company who in collusion with crooked Lands and Mines executives had acquired one of our best properties only three days after our license was illegally terminated — a license they had tried to get for over a year — and it is my opinion that **IAM Gold** was one of CBC’s choice financial supporters — which would mean that CBC would **fit in perfectly well in Liberia!**

After 14 1/2 hours of interview that was more like an interrogation, and never once allowing me the opportunity to even talk about corruption in Liberia which they fully knew was the cause of all our problems, to my utter shock, the agenda-driven reporter took down the camera and said, **“Canadians are not interested in hearing about corruption in Africa”** — and proceeded to doctor up a bunch of nonsense and do a cut-throat job on me — because in

today’s society if media can slander Christians and make preachers or evangelists look bad it sells more papers and improves TV ratings — not to mention protecting their friends! And then they even won an award for their mess of twisted lies and irresponsible reporting!

We are truly living in the **End Days** when media, governments, and corporations are filled with modern day **Zacchaheus’** — but mark my word — God will surely deal with them if they don’t repent!

With the big anti-corruption group **TRANSPARENCY INTERNATIONAL** in London England — the group that puts out the global ‘Corruption Index’

At CBC headquarters in Toronto with CBC head producer **Claude Vickery** and VP of The Fifth Estate **Lynette Fortune** — we had a tremendous meeting until Mr. Vickery realized I was going to also sue his friends at **IAM Gold Corp** for their corrupt dealings in Liberia and, in my opinion, CBC obviously decided to do a cut-throat job on me to protect their financial friends — corruption lives in Canada also

Now there are some who would say — what do all these corruption stories have to do with the Gospel — to which I readily reply — much in every way!

If the Gospel does not impact society — if it does not transform lives — if it does not make people honest and compassionate — if it does not alleviate suffering and infuse true concern for our fellow man — then it is a total failure!

If the Gospel is only to make people feel religious for an hour Sunday morning with the promise a one-way ticket to heaven while believers refuse to lift their voices or express God's heart against the evils and tyranny of this corrupt world system — then it is exactly as Karl Marx said — nothing more than ***“an opiate for the masses”***.

When I walk through the alleys in this slum and see the daily heartache, pain, lack and injustice which is the direct result of greed and corruption — righteous anger rises in my spirit — and I know that anger is nothing compared to what God feels!

People do not despise a THIEF if he steals to satisfy himself when he is starving. Yet when he is found, he must RESTORE SEVEN-FOLD

Proverbs 6:30-31

Now there are some in this crowd who just love to steal — that is their fallen nature and rogue mentality.

But the majority of crime that takes place here in West Point is simply because people are so destitute they essentially have to do wrong things to survive — so some steal just enough to get something to eat — and little children who are only 10, 11 or 12 years old prostitute their innocence for a cup of rice or a few Liberian dollars (just cents) — all because aid monies given to help them end up stolen or disappeared!

These are horrific **crimes against humanity** and the heartless Zacchaeus' who cause such pain for these little children will surely answer to God.

So will the rogue political aspirants who are reported to take people — especially young girls — and cut their eyes out, their noses, lips and genitals off — while their victims are still alive — and then make sacrifice to demon spirits for the purpose of gaining money and power and to be elected to government office where they can eat even more money as is often reported in the media especially around election time in Liberia!

What evil abounds — what barbaric madness grips this nation — all because people's hearts have become so twisted and blackened from **making money their god**

that they will do anything to get it — including entering into pacts with the devil and sacrificing children to satisfy their ungodly greed — making the Zacchaeus of the Bible seem like a relatively nice little crook in comparison!

I told you I was going to confront the sins of the nation tonight — and Hell will know no bounds for such if they do not sincerely repent and change! But time is running out — **the cup of iniquity is full** — and God's patience has worn thin!

Jesus is passing by tonight — there is still time to come down — to repent and make things right with God — but know this — for some of you listening tonight — **this will be your LAST WARNING!**

The cup of Iniquity is full and Judgment is surely coming!

BE WARNED

**TIME IS RUNNING OUT — AND FOR THOSE
WHO CONTINUE DOING EVIL
THE WRATH OF GOD WILL BE POURED OUT**

But **here's the GOOD NEWS** — Zacchaeus was given a choice just as we all are — and when he truly repented and came down off his lofty perch He was warmly received by Christ who touched and transformed his heart to such degree that he repaid **four-fold**!

True conversion and true repentance will always lead the penitent party to make restitution — at least as much as possible — otherwise it is little more than religious facade and the Judge of Heaven who knows the secrets of the heart will not be duped by pretence!

One way or another — the Day of True Justice and Final Restitution will surely come for all — and time is running out for people to repent!

So here's the big question tonight:

WHAT HAS THE DEVIL STOLEN FROM YOU?

Listen now — the Bible says the **THIEF** when he is found must **Restore Seven-Fold**!

Has he stole your **Health** — he must restore seven-fold;
Has he stole your **Joy** — he must restore seven-fold;
Has he stole your **Dignity** — he must restore seven-fold;
Has he stole your **Livelihood** — he must restore seven-fold!

Luke 19:9a

And Jesus said to him, "Today salvation has come to this house ..."

I love this scripture — Jesus said, **TODAY** — not tomorrow, not next year, not just when you finally get to heaven — Right Now — **Today is the Day of Salvation** (2 Cor. 6:2) — and today is your day — God is present and salvation is coming to your house tonight!

And what exactly is Salvation — in the Bible it is the Greek word **"SOZO"** — which means total and complete healing for spirit, soul and body — to heal, make well, restore, deliver, protect and bless abundantly in every area of your life!

It has all been paid for by the atoning blood of Christ on Calvary and the 39 stripes He took for your healing!

No bribes necessary — no money could ever buy it — no good deeds could ever earn it — it is God's eternal gift to you — the sacrifice has already been made — the Lamb of God has already died and rose from the dead — Christ is alive evermore — and this Salvation He purchased — total forgiveness, healing and deliverance — can be yours tonight!

Luke 19:b

"... because he also is a son of Abraham"

Now listen as we finish the story — Zacchaeus was an Israelite — a son of Abraham — as such he would have attended the synagogue every Sabbath — if not out of conviction of heart or some semblance of belief in God, at least as a status symbol and opportunity to show off his latest fine coloured robes much like some who go to church every Sunday morning in Liberia and around the world!

But church cannot save you — spending an hour or two Sunday mornings in the house of God out of religious ritual to ease your conscience does not make you a true Christian anymore than climbing a coconut tree on the weekend makes you a coconut!

The Bible says **"...you must be born again"** — you must be **"translated out of darkness and into the marvellous kingdom of God's Love"** — and when that truly happens your entire life and attitude will change!

You cannot be a true Christian and carry on with your normal lying, cheating, thieving, killing lifestyle — you won't become perfect overnight — you'll still make

mistakes as all Christians do — but there will be a radical transformation and dynamic change in your character — and if the Gospel does not change you, you have only become religious and are still on your way to hell even though you're sitting in church!

That is why the Bible makes repentance an **a b s o l u t e** prerequisite to salvation — yes, we are saved by grace — it is a **t o t a l** and complete gift of God and we could never earn it and certainly no one will ever deserve it — it is God's divine gift but to receive the gift requires coming God's way!

Peter, on the Day of Pentecost, preached it this way, **“REPENT** —

*and let every one of you be baptized in the name of Jesus Christ for the remission of sins; and you shall **RECEIVE THE GIFT** of the Holy Spirit.” Acts 2:38*

If my people, who are called by my name, will *HUMBLE* themselves and *PRAY* and seek my face and *TURN* from their wicked ways, then I will *HEAR* from heaven, and I will *FORGIVE* their sin and will *HEAL* their land.

2 Chronicles 7:14

The process is clear — when we truly believe it causes us to repent — and then we receive the gift — **all of God's gifts** — forgiveness, healing, blessing and joy!

And we are going to see those wonderful gifts poured out on these grounds tonight — but first we must **COME DOWN** — we must repent!

I am really meddling tonight — with everyone from slum hooligans to highest levels of government — from devil worshippers to thieves and extortionists — so let me meddle for a moment with the Church as well!

Very few want to preach or hear the true Gospel anymore! They just want the blessings — they want the gifts but they don't want the conditions — so some pastors here in Liberia never give an altar call or pray

for the sick — they spend all their time preaching about giving money with some taking three, four or five high-pressure offerings per service and the people become deceived into thinking they can buy the blessing of God.

It is as though many even in the Church have given their pulpits over to **“Reverend Zacchaeus”** — the misguided money-hungry preacher — but you cannot buy God's blessings as they only come God's way — and God's way always starts with a truly repentant heart!

In fact, repentance and faith are the double-hinged doors to all of God's blessings including and especially His greatest gift — Eternal Salvation!

And there cannot be true repentance unless the evil of sin is exposed to the human heart — and there cannot be truth faith without knowing we are forgiven and made righteous in Christ !

Luke 19:10

“... for the Son of Man has come to seek and to save that which was lost”

All are lost — not just the Hobo Joes, Hoodlums, Hooligans and Hookers in West Point — not just the rogues and renegades that roam downtown Monrovia — everyone is lost in sin including the government officials and many others listening by radio or TV.

And Jesus said to Zacchaeus just as He did in John 15 — that He has come to seek the lost sheep — wayward souls — the sighing, dying and crying who know not the Lord — and He has come to save you tonight!

You are not here by accident, you are not listening to this

broadcast by accident — Jesus Christ is calling you right now — and the same words He spoke to Zacchaeus up in the tree are ringing across this field.

Come Down — Repent — for *tonight I must come to your house!*

What God wrought through radio and television only heaven really knows, but on the football field in West Point thousands of people rushed forward to accept Christ, many with loud cries of repentance and sincere hunger reaching out to receive the Living Christ as Lord and Saviour — and everyone truly understood the promise that Jesus Christ would go home home with them that night!

Amongst the crowd hundreds — perhaps thousands — of young hooligans and wayward rogues had their lives changed — including a number of former thieves who came on stage to openly testify that they had repented of their many sins and how God had wonderfully touched and healed them out in the crowd.

Two of these young men — grinning from ear to ear — said they literally felt the fire of God fall on their heads and then that same fire shot through their bodies as they were healed of physical ailments and set free.

Another hooligan with a big grin testified how the

voicing serious concern for my safety, I jumped into the middle of that huge congested West Point crowd and began to lay hands on thousands more people.

Amongst those healed through this procedure were at least two more who had been brought with totally blind eyes who received instant sight and many others were touched by God — and local pastors are still hearing testimonies of various miracles

psychiatrist had repeatedly called him crazy but now his tormented mind was free and he felt clean and forgiven and his failing eyesight had also been healed! Truly God loves everyone in West Point — including all the rogues and rebels.

Then in the still drizzling rain, and despite a few pastors

As to the fate of the Zacchaeus' in government positions — it will be up to them to decide if they will do as the corrupt tax collector in the Bible did — but I sincerely pray that each and every member of government will turn with all their hearts to the Living God and receive the greatest miracle in the world — eternal life in Christ Jesus!

And let us never forget — no matter how big or small anyone's sins are — they're never too big for God to forgive — and God still loves them and wants to save and bless them all — **just as He has done for you and I.**

TIME IS RUNNING OUT AND LIBERIA MUST BE SAVED

Despite many challenges and shortages we are moving forward by faith for the next great miracle campaign in Bushrod Island on the Mandella Football Field — June 1-5 2016

Now I want to say a huge **“THANK YOU”** to our wonderful friends and partners who made the West Point campaign possible — an event that almost did not happen as we didn't have the funds — but God through your generosity and obedience provided and the Slum City was tremendously blessed by God!

Now once again we are in the same situation — putting our feet in the waters by faith to go to Bushrod Island and hold another huge soul-winning campaign on the Mandella Football Field — and I urgently need your financial help!
