LEN LINDSTROM MIRACLE REPORT

The Bible says, ***"Blessed is the nation whose God is the Lord!"*** Psalm 33:12

There was a day that wonderful promise could be truly claimed by this great nation of Canada — *"our Homeland Strong and Free"* — but not anymore! Sad to say, the vast majority of Canadians have fallen so far away from God they no longer have the right nor desire to claim we are a country blessed of God — but you and I working together with the Spirit of Christ have the power and mandate to turn the spiritual tide and bring this nation back to JESUS.

But to see Revival we must return to true Biblical Christianity where the supernatural becomes natural and the Holy Spirit who confirms the Word is most welcome!

In simple terms, more than ever we need the Saving, Healing, Holy Ghost Empowering **Jesus of the Bible** — the same Jesus who so greatly impacts the masses in foreign nations with His healing virtue and who is every bit as ready to do the same here in Canada if we will allow Him — as a few recent miracles in Canada just before heading to the Mission Field of NE India readily attest.

Rick Gautier (c) instantly healed in his torn up shoulder by the power of God in Edmonton AB at Church In The Vine with Pastor Blair Clinton

## CANADA NEEDS

# JESUS THE HEALER

**SHOULDER SMASHED, ROTATOR CUFF HANGING BY A THREAD, SCAPULA TORN COMPLETELY IN HALF, PLUS FORMER OSTEOPOROSIS — INSTANT MIRACLE — EDMONTON AB — CANADA**

Rick Gautier was T-boned by a motorist running a red light at ~150 km/hr — his left shoulder destroyed — half torn off in the back and rotator cuff hanging by a thread in the front and his scapula torn completely in half — I suddenly felt inspired of the Lord to ask him, Do you want to collect the insurance money or do you want Jesus to heal you — without hesitation he answered, I want Jesus — God's power instantly flowed into him and he was waving his arm around fully healed — five minutes later Pastor Blair said, That was a real miracle — that guy with the shoulder is at the back of the hall doing pushups — Rick came and did more pushups at the front and then even did a one-hand pushup using the shoulder that had been destroyed — an instant marvellous incredible miracle performed by Jesus The Healer — the same Jesus Canada desperately needs!

Healed & doing numerous pushups with smashed shoulder and destroyed rotator cuff — even one handed

## ANOTHER TOTALLY BLIND EYE OPENED IN HIXON BC — CANADA

With Pastor Robert Hehl at Hixon Pentecostal — totally blind eye opens Sunday morning service

Carole Repetowski came to the small but lively roadside Hixon Pentecostal Church between Prince George and Quesnel BC with a totally blind eye and losing sight in the other and Jesus opened her totally blind eye — she did not get complete clear sight immediately but the eye was open and she was reading all the stuff on the walls and describing the people — more proof it does not take a crowd to see God move — just simple faith & hunger for the Living God

Carole Repetowski — rejoicing as her totally blind eye opened

## ANOTHER DEAF EAR OPENED & CERVIX CANCER HEALED — PRINCE GEORGE BC — CANADA

With Pastor Larry Pinchbeck at All Nations Church — Don's ears healed

Don was deaf in both ears but God opened them and he could hear clear — with Pastor Larry Pinchbeck at the All Nations Pentecostal Church in Prince George BC.

Another PG Native lady Shirley was healed of cancer in the cervix and confirmed by doctors that there was no more cancer in her body — Jesus had taken it all away — no photo available

Both of Don's deaf ears popped open in Jesus Name

## FRESH 2.5 INCH DEEP KNIFE WOUND — INSTANTLY HEALED — KITIMAT BC — CANADA

Louis Larose testifying how God instantly healed a deep knife wound

One of my good hunting buddies — Pastor Louis Larose and I had bagged a nice animal — and while I went to start the meeting Louis was going to quickly debone it but slipped and rammed the razor sharp skinning knife over halfway through his huge hand from side to side — spurting so much blood his neighbour wouldn't drive him to the hospital, he finally got a ride but the wound was so deep the doctors could do nothing so he came to the meeting and stood in the prayer line still bleeding and shooting pain — just as I started to pray he said something like a huge hammer from heaven clobbered him in the head and down the big man went and arose with no more pain and the fresh deep wound completely healed — that's our Healing Jesus!

Knife marked at depth showing how far it penetrated deep into his hand

## DETERIORATED HIPS & CRIPPLING ARTHRITIS HEALED — OSOYOOS BC — CANADA

Jerry leaving behind his walker — deteriorated hips & arthritis healed

Jerry Redford suffered with a badly deteriorated hip that caused extreme pain and disability and doctors said he needed a full hip replacement — prayed for many times to no avail and could only walk with a cane or walker — but when God touched him he was in shock and joy as he stretched, hoisted his legs and hips up high with no pain and ran back and forth

Doing many lunges and stretches as God touched & healed his crippled hips

## ANOTHER DOCTOR-CONFIRMED CASE OF CANCER HEALED — PENTICTON BC — CANADA

Christine healed of cancer in the cervix — no disease too hard for Jesus to heal

Christine had cervix cancer and had already undergone the first round of chemotherapy but was still full of pain and swelling — she was brought to the meeting in much pain, accepted Christ and then prayed for — she buried her hands over and over deep into her belly — I asked what would happen if she did that before prayer — she answered that she'd be on on the floor in agony first push — went for doctor's checkup next day and a couple weeks later got the results from the Kelowna Oncology Ward — praising Jesus all the way home as doctors said no trace of cancer left — thank you Jesus!

## BURNING VOODOO — KELOWNA BC — CANADA

Halloween Miracle Deliverance Service in Kelowna BC — preached on Spiritual Warfare and then burned a Voodoo Doll that Kimbo brought encased in Bibles as it had been used to powerfully curse people— reduced to ashes in Jesus Name

Garrett Strattulet, Kimbo Ritchie & Michael Lindstrom watch on as the Voodoo Doll disintegrates

## **AMAZING MIRACLE OF ROMAULD (Roman) KRAJEWSKI**

**DO MIRACLES LAST** — ask Roman — he was healed in November 1996 — exactly 20 years ago almost to the day that he once again testified in the recent Langley BC campaign.

Twenty years ago Roman had severely advanced 3rd Stage Cancer of the colon and Doctors told him that if they did not immediately give him chemotherapy he had only a 30% chance to live for one more year — that was the best they could hope for with treatment — and if he did not take the treatment they said it would be only a matter of days and he would be dead.

Roman turned down chemotherapy and came to the miracle meetings instead — little more than a bone rack about half the body size he is now — he said as I laid hands on him and prayed he suddenly felt the power of God surge through his body, Christ entered his heart, he began to speak in tongues and immediately knew that he was healed by the stripes of Christ!

When he returned to the doctors they repeated check-up after check-up — CEA blood tests, CT scans, colonoscopies, X-rays and ultrasound but could not find a trace of cancer left in his body and could not understand how such severely advanced cancer throughout his colon and spreading through lymphs and other organs had suddenly disappeared — as if he had never had cancer. He had no chemotherapy, no treatment of any kind — nothing touched him but the mighty power of God which flowed through him and made his cancer-stricken failing body perfectly whole!

Doctors checked him repeatedly for the next five years and were amazed they could never find another trace of cancer — and then as per standard procedure closed his cancer file.

Two years ago Roman returned to the same main doctor for a check up and the doctor remembered him and was totally shocked to see he was still alive and perfectly well — and did some more tests which resulted in confirmation that there was still no trace of cancer to be found in his body — now that is the saving, healing,

**Roman Krajewski testifying recently during  
Heritage Alliance Church campaign —  
20 years passed and still no trace of cancer**

**keeping power of Jesus — and since 1996 Roman has served God every day and repeatedly shared the testimony and write up of his amazing miracle which has resulted in many souls won to Christ — what an amazing wonderful God we serve!**

### **SO WHAT DO YOU THINK — Do We Need This Same Wonderful Healing Jesus In Our Land Today?**

Of course the answer is a resounding YES — we surely do need Jesus — no one else could ever heal our nation!

The fact of the matter is the Church in Canada has just as much sickness as the world — God has been shut out — the Doctor not allowed in — the Balm of Gilead tossed aside by an increasingly secularized church along with a lot of other critical elements of Christian faith — and God is standing at the cathedral door knocking but few want to let Him in and then wonder why there is no revival.

#### **WHAT WE CAN DO ABOUT IT**

- 1) Intercede for a Great Canadian Awakening**
- 2) Inform church and pastor that God is still a Healer**
- 3) Get a fresh Passion for Lost Eternal Souls**
- 4) Welcome the Holy Spirit back in our midst**
- 5) Arrange a City-Wide Campaign in your town**
- 6) Bring the Evangelist back to the Church**

#### **BECAUSE WE ALL NEED...**

**JESUS THE SAVIOUR** — the only name given under heaven whereby we may be saved

**JESUS THE HEALER** — in the midst of escalating disease and increasing physical afflictions both in and out of church — we need the Great Physician

**JESUS THE EMPOWERER** — the One who sends the Holy Spirit — while many churches are locking their doors to the move of God and telling the Holy Spirit He is not welcome — we desperately need a fresh infusion of God's Presence and Holy Ghost Power

**JESUS THE DELIVERER** — at a time of increasing demonic activity just as there was before the first coming of Christ — we need deliverance ministry and fresh revelation of our God-given authority over the enemy

**JESUS THE PROVIDER** — in a season of uncertainty, market manipulations, ridiculous tax increases and every evil devised against the average Canadian household we need the True Provider — Jehovah Jireh — the Lord Who Provides — El Shaddai — the God who is more than enough — Jesus — who still meets our every need!

## NEW YEAR'S RESOLUTIONS — 2017 — SET GOALS THAT COUNT FOR ETERNITY

Dear Friend & Soul-Winning Partner,

A brand new year is upon us — in fact just a couple nights ago most people were making New Year's resolutions for 2017 — you know, the kind they keep for a week or two before sliding back into their old ruts and habits.

But this year let's make some serious resolutions about the Kingdom of God and some rock-solid commitments to Christ — and then let's keep them!

At the top of the list make a resolution to do your absolute utmost this year to walk in the ways of God and to further His Kingdom at home and abroad!

Make a resolution to do your utmost not to grieve the precious Holy Spirit who empowers us and whereby we are sealed unto the day of redemption.

Make a resolution to do your utmost to pray and promote revival in Canada — this nation desperately needs a true move of God.

Make a resolution to do your utmost to send the Gospel of Christ to the unreached masses of the world — to those who have never heard.

Make a resolution to ensure your giving truly counts for eternity by generously supporting World Missions and true Soul Winning endeavours.

And make a resolution to take God at His Word in every circumstance, trial and situation — and determine to walk this year by faith, not by sight.

Now if you are truly in agreement with those powerful goals — seal your commitment by sowing the "*First Seed*" to start the New Year with Christ in control and let's believe together for a tremendous harvest of blessings in every area of each and every one of our lives!
