

World Harvest presents ...

OCTOBER 2021

PREACHING JESUS **ON THE LEGISLATIVE GROUNDS** **VICTORIA BC**

ROUGH, RAW, READY, RADICAL AND REVELATORY — THAT IS HOW SOME DESCRIBED IT — AS I THUNDERED OUT THE TRUE MESSAGE OF THE RISEN CHRIST ON THE THE BC LEGISLATIVE GROUNDS — FOR I DID NOT COME TO JOIN EITHER SIDE OF THE PROTESTORS — BUT RATHER TO PREACH THE ONLY REAL CURE & ONLY TRUE SOLUTION — JESUS & HIS LOVE FOR ALL!

BOLD, BALLSY, BIBLICAL PREACHING

Key Excerpts from an Hour-Long Fiery Message

Parts of the message thundered out on the
Legislative Grounds — Saturday — October 9 2021

Our world is in a chaotic mess — filled with deception, deceit and division — as was clearly evidenced by the various protest groups gathered on the main street in front of the BC Legislative Buildings in beautiful downtown Victoria — **Maskers and Anti-Maskers — Vaxers and Anti-Vaxers** — and there were plenty of instances where the foul-mouthed cursing, livid anger and hate-filled middle-finger salutations of some of the seemingly rabid Pro-Vaccine Mad-Hats almost degenerated into violence as they threatened to deliver fist blows to anyone who opposed their discriminatory and deluded demands that ALL must be vaccinated!

It was never so clear what a great job the paid-off script-reading lying mainstream media has done to **divide the country** — all in line with the game plan and manipulations of Puppet Politicians and the so-called Elite in Power — as the deluded masses dance like mindless minions to the tyrannical tunes of their unseen Globalist Controllers!

As I watched the chaos and confusion it became ever more evident that there is only one real

solution — not the **BLUE PILLS** who glibly follow along like little quasi-comatose lemmings without even questioning the irrational, unscientific and dystopian dictates of the global elite's narrative — nor the **RED PILLS** whose eyes and mental faculties have at least been somewhat opened and who readily recognize the sordid and sinister deception being foisted on the world.

No — the answer is not in the BLUE PILL nor is it even in the RED PILL — the only real solution and only true cure for this tragic dilemma spreading like a plague of infectious deception across the world is the **GOS-PILL** — the true GOSPEL MESSAGE — the Good News of our Risen Saviour and Healer Jesus Christ!

I was back in Victoria and had been preaching all week long in our Revival Tent set up on the Saanich Fairgrounds and my last few messages had been focused on what I've deemed the modern day "**LEPERS & NON-LEPERS**" — which title depicts the new extremely divisive and unethical segregation measures being implemented by our government leaders.

And I had been using some of the biblical stories in 2 Kings about the prophet Elisha as he was mightily used of God to cleanse Naaman the Syrian of his leprosy — and then how his deceitful money-hungry servant was struck with the very same leprosy which once clung to Naaman — much the same as the curse will suddenly and devastatingly come upon the money hungry power driven world leaders of today — most of whom despise God and the true people of God and in their own deluded thinking and quest for temporal grandeur and lofty political position actually think they can shut down and obliterate the Voice of God!

The next message I had preached in the tent was on the prophetic words of Elisha in the story of the four lepers who were starving to death at the gate of the besieged city where they made the decisive statement that changed their lives — **"WHY SIT WE HERE UNTIL WE DIE!"**

And as the many thousands who have attended our meetings over the last year and a half here in Canada clearly know — whether the establishment wants to call us lepers or not — I have not been sitting idle by the City Gate but rather out hammering the myriad of lies and deception swirling around this coronavirus fiasco and the tyrannical restrictions being implemented in every service.

Almost 200 miracle meetings in total during this time of Covid — with thousands of Canadians accepting the LORD — and many hundreds of dynamic miracles which have taken place!

And the last thing I would ever want to do would be to jeopardize my ability to keep running hard with the Gospel Tent — especially by riling up more authoritarian opposition by taking this hard-hitting and highly confrontational message **right to the very doorstep of our government buildings** — so I first prayed and asked the Lord if it was indeed His will for me to speak at this rally!

Then I prepared to preach yet again on the miracle ministry of Elisha and how it would ultimately be those same type of disdained individuals whom the world is currently categorizing as loathsome unvaccinated lepers who I believe will end up being the **“True Deliverers from this Present Day Evil”** — just as surely as it was the four lepers at the city gate in Samaria who God used to deliver that city — so I decided to look up the prophet Elisha in the Encyclopedia Britannica.

The very first words I read were — *“As a prophet, Elisha was a **POLITICAL ACTIVIST** and **REVOLUTIONARY**. He led a ‘**HOLY WAR**’ that extinguished the house of Omri in Jerusalem as well as in Samaria (2 Kings 9–10)”* — literally

indicating it was Elisha’s simple obedience to the Voice and Word of the Living God that led to the complete overthrow of the ungodly antichrist governmental system of that day which had long held the people of God in bitter bondage and deprivation.

And so it was that I sensed God’s leading to accept the invitation to speak on the BC Legislative Grounds this Saturday afternoon.

But I started my message by stating I had **not come as a PROTESTOR — but rather as a PROCLAIMER of the LIVING CHRIST** — and I was there to reveal and proclaim in clear unequivocal terms that JESUS CHRIST IS THE ONLY TRUE LORD — not some Tin-Pot Dictator in office nor some little wanna-be Nazi F  rher in power — nor any of the world’s other globalist Chancellors, Presidents, Kings or Prime Ministers — **Jesus Only!**

And then I began to systematically hammer the blatant lies of government leaders, the health controllers and the mainstream media — bold, ballsy and biblical — or you could say raw,

rough, ready, real and revelatory — challenging everyone to **do their own research and quit being a bunch of little guinea pigs to the world system** — especially with something as apparently dangerous as an experimental vaccine — which after more than 7 billion doses administered around the world is still not FDA approved — and in which they — the beguiled, coerced and deceived who are being jabbed are the **MAD SCIENTISTS’ REAL EXPERIMENT** — literally the **Lab Rats** of today!

And right there on the BC Legislative Grounds — in front of our seat of provincial power — I challenged them to use that little three-pound

lump of grey matter God stuck between their ears — and return to what was once an esteemed cerebral quality known as **CRITICAL THINKING**.

Or if they lacked the intellectual prowess to rationally evaluate data and input from every side they should at least exercise a bit of good old-fashioned **COMMON SENSE** — rather than being spoon-fed the poisonous pabulum of political propaganda by a bunch of paid off liars while multiplied tens of thousands of brilliant seasoned academic scientists and astute doctors are shouting out dire warnings — and doing so at the risk of losing their life professions and being labeled conspiracists by the increasingly corrupt establishment — after all — why would these medical professionals risk their entire live's careers if the danger was not extremely real!

But before I got into the meat of the message I qualified my statements by clearly informing those gathered that — **I am not a doctor, not a virologist, not an epidemiologist nor a medical scientist** — I'm just a little preacher boy — BUT — I do know "**SOMEONE**" who is far higher and far smarter than all of them put together and His name is JESUS!

But if anyone dares question anything today which is stated by the government or the medical world they are immediately labeled as aluminum-foiled tin-hat conspiracy theorists — but I will continue to **QUESTION ANYTHING AND EVERYTHING** for that is my God-given right — and I refuse to bow down to their fear-producing propaganda as they skew all the numbers and drive everyone into paranoia — because my Bible still declares in 2 Timothy 1:7 that "**God has not given us the spirit of fear, but of power, love and a sound mind!**"

And I do know that "**the GREATER ONE lives inside me**" according to 1 John 4:4 — and I do know that God promised in Psalm 91:10 that "**No evil shall befall me and NO PLAGUE shall come nigh my dwelling!**"

Having said that I do not oppose the medical profession — nor do I oppose many of the good things happening in our land — but **I DO OPPOSE TYRANNY AND I DO QUESTION EVERYTHING** — especially why a lot of good people seem to have shut their minds completely down and are

only listening to a bunch of deceitful propaganda without evaluating the evidence from both sides.

And I do know that our land is in terrible condition today and that there are insidious agendas and devilish mandates taking place behind the scenes — and that it is time for God's people and all people to stand together and lift our voices in unity as **ONE VOICE** and declare freedom to our land lest we lose all of our Constitutionally Enshrined Freedoms — and we stand on the verge of such a cataclysmic event right now as there are many perilous things taking place in this world!

But first I gave them just a little background for those who may not know — that even though I am not a medical doctor or a professional of any kind — **I do know a little about the power of the Living God** and the healing impact of effectual fervent prayer!

As I have been preaching the Gospel of Jesus Christ for over **44 years** and I have been privileged to travel to over 140 nations of the world — preached to tens of millions in more than 450 mass outdoor campaigns in stadiums and soccer fields in well over 100 nations as well as repeatedly back and forth all across Canada — witnessed over **11 and a half million first-time decisions** for the Lord — and God has graciously allowed me to see multiplied **tens of thousands of outstanding miracles** of healing from virtually every kind of affliction — deaf, dumb, blind, crippled, AIDS and lepers instantly healed — and on occasion even seen the dead raised!

And then I said — now today — in front of these

beautiful Parliament Buildings which is where the Representatives of our provincial government have been **elected to stand for our freedoms** and to stand for all people regardless of colour, creed or religion — and not just to simply buckle up and do whatever their well paying friends want them to do or what the puppet controllers in the New World Order cabal tell them to do.

As I said we are living in a day and age when governments appear to be working hard to bring in a **totalitarian regime** — a dystopian society — trying to enslave the people — locking everybody down — and they are saying it is all to do with the science!

But is it really to do with the science — because **TRUE SCIENCE QUESTIONS THINGS** — true science is open to be challenged — but our government leaders and people in the medical profession who are putting down all these unrealistic and non-sensical dictates do not want you to question anything — they simply say we said it so that is it — you must do it — as though they actually think they are God!

It is much the same as the childhood game we all used to play — **SIMON SAYS** stand up — Simon Says sit down — Simon Says put your Mask on — Simon Says take your Mask off — you don't need it — as it doesn't work anyway!

So it is time we begin to once again truly value human life and freedom — time we stand together for one another — and **united we shall stand in solidarity** for freedom for our families and for all of humanity — and thank God we have a Living God who is greater than all this nonsense!

Nevertheless our current governments continue

to treat their constituents as though they are little more than a bunch of mindless children who cannot think for themselves — so they'll do all the thinking for us — and the barrage of one-sided government bias and media lies continue to divide us into starkly different camps.

Which means we must all learn to dig and do our own **research to find and extrapolate truth** out of the myriad of conflicting accounts and ever-twisted half-baked news reports concerning this new so-called coronavirus disease.

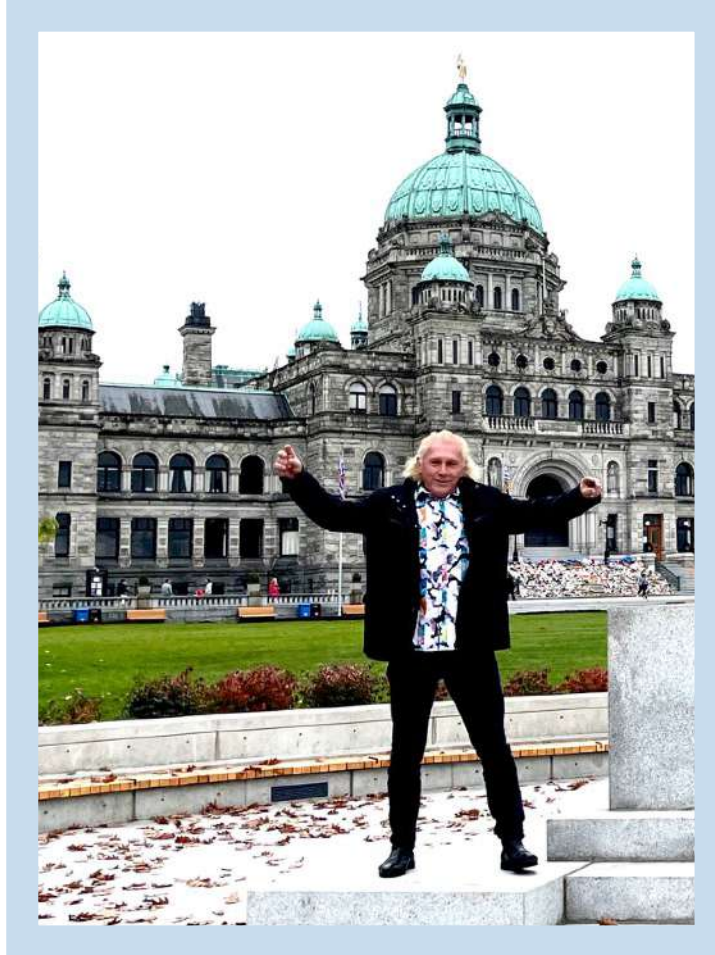

And after extensive research the first analytical question that should jump to the forefront of everyone's mind is ...

IF the heads of the world's major medical institutions truly desired to stop this so-called pandemic — which appears to be more a pandemic of fear to coerce or force

people into taking an experimental vaccine which is not even a true vaccine — but rather an mRNA gene altering experimental drug which no one truly seems to know what the long or even short term impacts will be — except perhaps those who developed and manufacture them!

But if they truly wanted to stop this disease and curtail it from spreading further why have they not utilized the normal time-proven medical means known as **EARLY TREATMENT** — but instead that first and fundamental principle of curative medicine used by all sound medical practitioners has been completely set aside by the establishment and swept under the carpet during this latest oft-termed "Scamdemic!"

Consider these indisputable facts — and they truly are facts:

Let's start with **HYDROXYCHLOROQUINE** — which has been around for more than 70 years with billions upon billions of doses administered across the world especially in developing countries — with virtually **no negative side effects at all**.

And even a National Institute of Health (NIH) study conducted in 2005 following the initial 2003 SARS scare which was the first of the four variants of coronavirus that has since affected the world — found that Hydroxychloroquine was almost 100% effective as both a prophylactic and a therapeutic treatment for coronavirus — as evidenced in the very title of the 2005 NIH report which states — **“Chloroquine is a Potent Inhibitor of SARS Coronavirus Infection and Spread.”**

And who was it that headed up the main Infectious Disease Branch of NIH at the time — none other than the infamous **Dr Anthony Fauci** — so he would have to be fully aware of the study and the effectiveness of HCQ as the results of the study are still on the nih.gov website — and he would have to be the one who oversaw the trials reported in the NIH Virology Journal — but he was not only quick to make sure HCQ was immediately removed and strictly forbidden as an early treatment for Covid but literally went on to threaten any doctor or pharmacist who would dare prescribe or dispense it.

But the abject hypocrisy repeatedly displayed by Dr Fauci becomes even more apparent in his next two independent statements — *“Just because thousands of dependant doctors are saying that Hydroxychloroquine cures all Covid-19 patients, it is **not valid until we have a major study done!**”*

But then the much touted Pied Piper of medicine just as readily and emphatically declared — *“As soon as the Covid-19 Vaccine is manufactured it must be immediately delivered to health care professionals world wide for immediate human injection — **PROPER STUDIES CAN BE PERFORMED LATER!**”*

Now if that statement is not hypocritical enough here is where — in my opinion which is shared by multiplied millions of other critical thinkers — the illustrious Dr. Fauci displays to the world that he is actually little more than a Lying Hypocrite!

As the next highly effective treatment for Covid to be banned and its use strictly forbidden by Dr Fraudci was **IVERMECTIN** which was discovered in Japan by two brilliant scientists in 1975 who went on to win the 1981 Nobel Peace Prize in Medicine for its amazing curative power.

As Ivermectin was literally deemed another super **WONDER DRUG** for an entire host of parasitic diseases including river blindness caused by worms which affects millions of people around the world along with many other parasitic afflictions — in fact, there have been almost **4 BILLION DOSES** of Ivermectin administered to humans with virtually **no negative side effects**.

And it has been repeatedly labeled as one of the world's most amazing discoveries as a Wonder Drug — right alongside the discovery of Penicillin — and also deemed to be one of the safest drugs — and then also found to be

highly effective in treating domestic livestock for many different parasitic diseases.

And of even greater importance to today's medical dilemma — Ivermectin has been highly heralded as an **extremely powerful preventative and curative treatment for Covid-19 patients** — and recognized as such by many thousands of brilliant doctors and astute medical scientists — many of whom claim to have experienced virtually or at least almost 100% success rates in treating Covid!

But what did our leading Globalist Doctor Fauci do with such a wonder drug — he forbade all use of it for coronavirus — and then threatened to strip any and all doctors and pharmacists who

prescribe or administer it to their patients of their legal rights to practice medicine — and he proceeded to **order Ivermectin removed from all Hospitals, Pharmacies and Dispensaries!**

And that same twisted hypocritical sentimentality has been pushed hard by the lying Mainstream Media — particularly with the likes of CNN host **Anderson Cooper** berating and mocking it on their news network with a huge ticker tape banner at the bottom of the screen running in big red letters that ridiculed this wonder drug and claimed it was nothing more than — **“HORSE DEWORMER.”**

But in my opinion the real worms appear to be in the riddled thinking and wriggling agendas of today's top spokespeople for government and health as well as in the lying tongues of many of the world's most well known newscasters — except it's probably not worms — as to the spiritually discerning it would appear to more likely be **SNAKES!**

And let's not forget the immense amount of devilish derision meted out to those who encourage such simple and relatively inexpensive and non-patentable over-the-counter natural immunity builders as Vitamin D, Vitamin C and Zinc — much the same as Rockefeller did when he concocted a means to take over the health industry around 1923 and arbitrarily categorized all natural homeopathic practitioners and those who promote vitamins as total **“QUACKS”** — and then proceeded to have all hospitals, scientists, doctors and medical schools who dared to promote anything except his money-generating pharmaceutical **“PILLS”** defunded, outlawed and put out of business.

And so came the birth of expensive pill-popping **BIG PHARMA** — with the goal of creating customers for life — and we appear to be in another phase of the same type of corrupt capitalist coup and total takeover of true medicine — which tragically shows that some things never seem to change!

And why it is evermore imperative we learn to **TRUST THE LIVING GOD AND HIS HEALING POWER** much more than most modern-day medicine as we enter this end-time game.

The bottom line is there is **NO EARLY TREATMENT** being advocated by the medical heads for Covid — and all known and all reasonable or normal means of prevention and early treatment removed and forbidden by arbitrary top medical mandate coupled with their serious threats of punishment including massive fines and loss of license to practice medicine.

But it gets far worse — for it is not only what these few health controlling dictators won't prescribe — but what they have mandated as one of if not the only medication to be administered to Covid Patients — a medication that multitudes of astute doctors and scientists boldly declare is actually killing people left,

right and centre in the hospitals.

And that is **REMDISIVIR** — which was the one and only drug that Dr Fauci prescribed and mandated to be used in all hospitals throughout all of America — and in Canada — to treat those suffering from what they call Covid-19.

But **REMDISIVIR** has a very dismal history with well known tragic results — in fact the drug did not even make it half way through its initial trial testing phase before it had to be pulled due to the high number of fatalities and side effects — and then when the pharmaceutical company that owned the patent decided to run their own trial tests they also stopped long before they even got midway through the trials because again far too many were dying from the drug itself.

And then Remdesivir sat doing nothing until the Covid Hospitalizations began — at which time Dr Fraudci — for reasons known only to himself —

mandated it as the **one and only drug to be administered in all hospitals** to any and all diagnosed as having Covid!

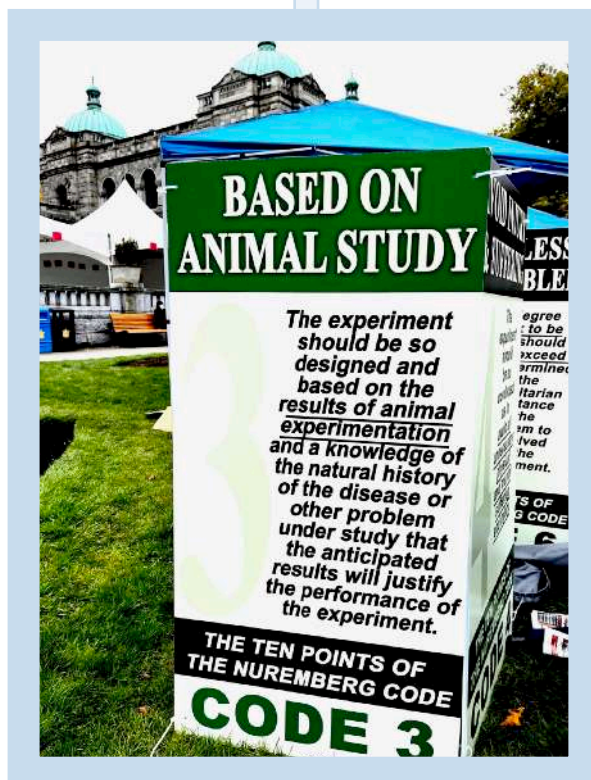

Which diagnosis was all done through the highly misleading and unreliable PCR Testing method which even the inventor of the PCR firmly denounced — as he stated it was never designed to identify or diagnose Covid and that by simply increasing the number of spin cycles which is being done everywhere you could use it to say anyone had almost any disease — which by everything I have researched and studied are all **true and indisputable medical facts!**

Now here is what Remdesivir is tragically reported to do to the human body — it is said to greatly **affect and curtail kidney function and liver** — which results in **backing up waste fluids into the body which eventually flood into the lungs** — and in short order you have people dying in hospitals like flies — so it is little wonder there are so many multiplied thousands of brilliant doctors and highly accredited medical scientists speaking out forcefully against the use of Remdesivir!

But once again all of these astute concerned medical professionals have been overrode by the generally soft-spoken but self-assertive **Dictator Doctor** — whose highly questionable opinions are championed by almost all government leaders and local health authorities — while the myriad of opposing doctors and astute scientists who oppose their mandates are either censored or greatly ridiculed by the manipulative media — and then **de-platformed from most major social media sites** by the useless Left Wing Fact-Checkers of the big-tech billionaires who have obviously bought into the Globalist's Agenda.

Now to add in a little more research as to the dangers of trusting in Remdesivir and the gross amount of deception taking place in our world —

which information I came across shortly after my speech on the Legislative Grounds — consider the scathing rebukes of Remdesivir found in the **SCIENCE** journal published a full year ago on October 18 2020 — from which I will quote just a few of the highly negative reports of several recent trial studies of Remdesivir as it was being administered under the guise of being an excellent and effective antiviral treatment for Covid.

First from the **LANCET** — long esteemed as one of the world's oldest and best peer-reviewed medical journals — in their report of April 29 2020 which stated — **“no statistically significant benefit from the treatment — and the antiviral surprisingly had NO IMPACT on levels of the coronavirus.”**

The SCIENCE Journal also reported on the October 15 2020 study conducted by none other than the WHO itself which was the fourth and largest controlled study ever undertaken on Remdesivir which states —

“The World Health Organization's (WHO's) Solidarity trial showed that ‘Remdesivir DOES NOT REDUCE MORTALITY or the time COVID-19 patients take to recover.’”

Now consider this sobering fact — as these highly negative reports along with several other caustic comments in the SCIENCE Journal which repeatedly blasted Fauci's favoured Covid drug — one of which was even published in the LANCET which is the world's leading medical journal — **OVER ONE FULL YEAR AND A HALF AGO** — and yet tragically **Remdesivir is still about the only prescribed treatment allowed to be administered in most hospitals in North America to this day.**

And when the patient's lungs fill up they are put on a ventilator — which according to numerous reports pays another \$15,000 or so for the

hospitals — and for far too many of the unfortunate victims the ventilator generally spells the end — and they are wracked up as just another Covid fatality!

Which to any thinking pragmatic individual certainly makes it appear as though most of the top medical authorities in the world including the leaders of the NIH, WHO and CDC wanted to drive the numbers of sickly, hospitalized and dying up so fast it would create utter panic and pandemonium in the vast majority of the populace — and **leave the manipulated masses BEGGING FOR A VACCINE** — even if it wasn't a real or proper or safely tested Vaccine — nor a Vaccine approved by the FDA.

Anything to give the media-mesmerized masses some little semblance of hope along with a potentially **FALSE SENSE OF SECURITY** — no matter how deceitful, manipulative or coercive their message, means or motives may really be!

Which leads us to the **experimental vaccinations** themselves — and there are so many highly intellectual voices and academic medical professionals speaking out about the immense dangers and debilitating and deadly side effects of these hastily injected “**JABS**” that they are far too numerous to even begin to include!

But let's just touch on this for a moment — as it is a well known fact that the Vaccine is not truly a vaccine — and it **does not really inoculate** a person as a vaccine is supposed to — in fact in their own words they state that it will not stop you from getting Covid — nor will it stop you from spreading Covid — so if it doesn't really work why all the hyperbole and crazed urgency that everyone must be vaccinated — for what — a false sense of security — or is it to further their secret agenda!

And what is really in these so-called vaccines —

oh they say it is on the label — at least the little bit they want you to think — but what else is in them that they are hiding from the general public!

Many of you have followed the many contrarian doctor's reports on social media — and you are well aware of what is going on — so why should people be coerced or forced into taking a vaccine that is not FDA approved — a vaccine on which they ran some hasty animal studies upon and **all the animals died** — and yet they still rant away all day long that the vaccine is perfectly safe — and now are even stating it is perfectly safe to give to children and even to little babies!

Safe by what standards — because they said so — while they are the very ones ignoring all the real science!

So what's really in the vaccines — besides the **tissues of aborted babies** which they vehemently denied but some Pfizer executives have finally admitted!

Plus numerous medical researchers have reported that one

of the other alien substances is **GRAPHENE** — which numerous reports I initially and seriously questioned — at least until I watched the videos and shocking results from top professionals in the field of **Blood Microscopy** who showed images of their patients' blood condition prior to vaccination followed by images of their blood when they came back to the same doctors sick after having been jabbed with these so-called Covid vaccines.

One of the astute research doctor's with 30 years experience in blood microscopy — analyzing blood under microscope — showed what the red blood cells of some of her patients looked like **pre-vaccination** — perfectly round membranes, healthy, unattached from one another, functioning good as they should be.

And then she showed images of the **blood of**

those same people once they were vaccinated

— and oh my God — what a frightful difference — the red blood cells were all jammed together and stuck like jelly — greatly deformed — and some of them crusted over with white frost-like growths.

And if that wasn't bad enough there were long white shafts running through the blood — in thick blotches — and she said what is that — for in her 30 years of studying blood she had never seen anything like it — and she and another scientist who is also a blood specialist who with the aid of huge highly sophisticated electron microscopy which can actually analyze and differentiate between various substances and elements in the images determined it was **GRAPHENE!**

So once again — despite the repeated denials and ridicule of top health officials and authoritarians along with the continual denial of the vaccine manufacturers — **GRAPHENE** is **apparently in these bogus vaccines** — and the images revealed that the **graphene is also now in the blood** — and even more bizarre to these seasoned doctors — the magnified images revealed morgellons (fibrous growths) still actively growing out of the sides of the graphene blotches as if they were alive and working in the body!

So who in their right mind would willingly put something like that in their bodies — especially once these findings are becoming known — let's do a little research of our own — let's open our eyes — let's do a little critical thinking — and let's get back to some common sense!

My friends — from all that I have read and all that I have seen — **this vaccine is killing people!**

Now consider this — in one full year — from February 2020 through to March 2021 — I did not know one single person who actually caught Covid

— not a single one — and I know a lot of people!

But in these last six or seven months since they kicked off their huge hyped-up Covid Vaccination programs — almost every day I hear reports of people — some that I personally know who have died — and many more I know who have had loved ones or friends that have died from the vaccinations — not from Covid — but actually **DIED FROM THE VACCINATIONS!**

And I know multitudes more who have friends or relatives who have been paralyzed, had heart attacks, suffered blood clots or pericarditis of the heart, numbness in their limbs, sudden neurological problems, Bells palsy and a host of other known debilitating side-effects of this bogus vaccination!

But thank God we have been seeing many of those suffering with such side-effects from the vaccine healed by God — along with many

other marvellous miracles right in the Gospel tent this summer — in fact we have had numerous people with totally blind eyes instantly opened — multitudes of deaf ears opened — cripples healed — cancers healed — and many of them doctor confirmed.

For we are not playing games — **GOD IS REAL** — He still answers prayer — and He is still **JEHOVAH RAPHA** — the Lord our God who Heals Us!

And that is the primary reason why we as Christians — born again believers who have the Word and the Promises of God in our hearts — who have been washed in the Blood of the Lamb and are born again with His Spirit living vibrantly inside us — do not fear because we know the **Greater One is within** — Hallelujah — and He is our Ultimate Healer!

Don't get me wrong — I thank God for doctors

and nurses on the front lines — I thank God for the medical profession — but I will tell you this — I do not stand for those who are forsaking their **Hippocratic Oath** to follow this diabolical agenda for the cause of money or to gain favour or position with someone in political office!

It is time for us and for them to open our spiritual eyes and understand what is really going on — no more excuses!

Some say — don't you believe the virus is real — of course it is real — it was **made in China** — with the help of Dr Fraudci and the NIH down in the United States who is reported to be making a bundle off this tragedy — along with the help of Canada and the BLS lab in Winnipeg — and they did this to bypass restrictions placed on Gain of Function — a proven fact — and here we are — with an increasingly deadly pandemic that has broken out around the world which according to many reports even had a patent for back in 2015.

Do the math folks — wake up — open your eyes — we are being deceived!

And I am getting reports almost every day of people that have died — people that I know — and people that my friends know — who took the jab and fell over dead within a few days — and it always gets marked down as a Covid death!

But for anyone walking in fear — here's a few powerful words of hope received from the Lord which God revealed to me just a couple days ago.

I was preaching on Elisha — and one of the stories about him in 2 Kings 4 describes how they were going to make a big pot of stew and one fellow went out and gathered a bunch of strange wild gourds and sliced them up into the pot — because **"they did not know what they were"** — much the

same as most people don't know what these vaccinations they're so desirous to have jabbed into their bodies really are!

And when the prophets started eating the poisoned stew they cried out — **there is death in the pot** — but as I read those words the Lord spoke to my heart — **THERE IS DEATH IN THE SHOT!**

So here's a question — do you have any idea how many people have really died from the shot — you won't find this on the cover-up news networks like CNN or CBC — but by the best statistics there are well over **50,000 people** who have already died from the vaccine just in America — how many more around the world —

and how many more in Canada!

So what did Elisha tell them to do — *"Bring some **FLOUR** and put it into the pot"* and when they did there was **nothing harmful left in the pot!**"

And the Lord immediately spoke again to my heart — what do you do with **FLOUR** — you make **BREAD** — and what is bread — the **WORD** of God — even as Jesus said — "I AM THE BREAD OF LIFE!"

So what do we need to do — put the Bread of Life — the Word of God — into our lives — and it will take the death out of the pot — and prayerfully it will take death out of the shot for all those who have been deceived into taking the Jab!

This biblical principle of putting the Word into the poisonous pot was best illustrated in our recent Abbotsford campaign which ended just a couple weeks ago — as three nights in a row I had the entire tent full of people stand and stretch their

hands towards various hospitals here in BC where relatives or friends related to key people in the tent had just been rushed that very day into the hospital — all three of them suffering **life-threatening strokes after receiving the vaccine** — and the doctors of all three of these individuals feared their lives would end on those very same nights.

But when we sent the Word of the Living God — when we **put the FLOUR in the Pot** — and sent the **Word of God against the effects of the SHOT** — all three of them quickly and miraculously recovered — and all three of them knew it was not medicine nor the doctors who healed them from the deadly effects of the vaccine but God Himself who raised them up healthy!

Remember — God's Word is SPIRIT — God's Word is TRUTH — God's Word is LIFE — and it still declares **“By His Stripes we are healed.”**

And I can think of no better place to declare that powerful promise than right here on the beautiful BC Legislative Grounds — and prayerfully some of our wayward politicians will hear the voice of the very people they were elected to hear and to protect!

So once again regardless of political persuasion — and regardless of which one of the useless political parties you voted for in the last election — they are not the answer — the only true **ANSWER IS JESUS** — the One who gives us Life and that More Abundantly — the one who can still heal those who put their trust in Him — and the one and only true God who loves Everybody — and it is our Job and our Challenge to share that Love with the Entire World!

But out on the street there are many people with signs which state — you **MUST** be vaccinated — and in our Legislative buildings across the land so many politicians demanding the same thing — so **whatever happened to FREEDOM OF CHOICE!**

What happened to the much heralded political

mantra — **IT'S MY BODY AND I HAVE TOTAL RIGHT AND CONTROL OVER MY OWN BODY.**

This Left Wing message which has been used to Kill The Babies has been championed for years by CBC, CNN, MSNBC — championed by **TRUDEAU** — championed by **HORGAN** — and championed by almost all other MLA's, MP's and Prime Ministers and Premiers across the land!

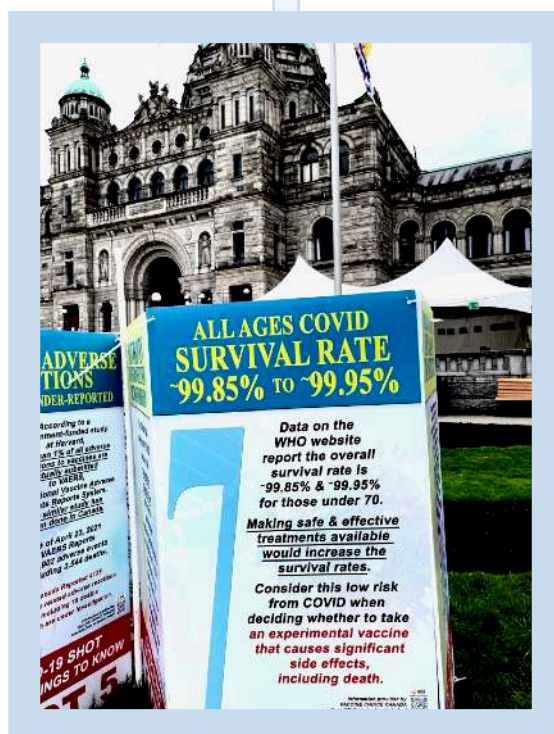

FREEDOM OF CHOICE — IT'S YOUR BODY — IT'S YOUR RIGHT — that is how our politicians have politicized and our courts have legitimized the killing of over 65 million little unborn children in America — human beings made in the image of God — under the misappropriated guise of **FREEDOM OF CHOICE** — and here in Canada where they don't as readily put out the numbers our nation has killed somewhere between 12 and 15 million precious little babies — all under this deceptively twisted banner of Freedom of Choice!

But what happened to this much vaunted concept of Freedom of Choice when it comes to being forced to stick a Vaccine into your body which is not even a true Vaccine — a vaccine which could literally kill or seriously debilitate your own personal body and health as it has

already done for far too many — and for which **the only true IMMUNITY it really offers is not to the individual who is vaccinated — but to the VACCINE MANUFACTURERS** — so they cannot be held responsible or sued for all the damage, injuries and deaths it is causing!

So it is obvious we are living in times when there will soon be only two types of people — the **BRAIN WASHED** and the **BLOOD WASHED!**

And on went my message with almost an hour long delivery — with no notes — and not even my Bible — just **shooting straight and fast from the hip with both barrels blazing** — all the while

declaring that my message was not political nor did it favour any one political party over another — as in my view **NONE OF THE USELESS POLITICAL PARTIES** in power have any real answers — nor do I believe any of them have the spiritual guts needed to speak the truth about this medical fiasco which they all surely know — for the **only real Cure is Jesus Christ!**

And with that I began to boldly wrap up my spontaneous speech by declaring — **GOVERNMENT HAS FAILED US — THE MEDICAL INSTITUTIONS HAVE FAILED US — AND THE LYING MAINSTREAM MEDIA HAS FAILED US!**

And then I added yet another massive failure that may surprise many but — **MOST OF THE CHURCH HAS ALSO FAILED US** — having forsaken the true Word of God and capitulated to the dystopian demands and crafty incentives of a totally corrupt world system!

And in many tragic situations church leaders have ultimately ended up leading their Sunday morning flocks who explicitly trust them down a dead-end path to destruction and the awaiting horrors of a Dystopian Totalitarian Communist society under the direct control of the heartless power hungry Global Elite!

Listen folks — this is not the time for pastors to be telling their congregations to roll up their sleeves and take one for Jesus — where is faith — where is the Word — where is the triumphant Church — and where is the victorious message of Christ!

That is why I will say it again — the mesmerized **BLUE PILLS** who are out there with no clue as to what is really going on are not the answer — nor are the **RED PILLS** who are much more aware of what is happening but all that awareness can do is reveal how sinister the agendas are — how devious the lies being told — so we need much more than

just awareness — we need a real solution — which means we need the **GOS-PILL** — the message of Jesus Christ — the love and power and healing grace of the Living God!

And that is why if I were to give a one-line capsulation of this little message here on these Legislative grounds I would say — Jesus Christ is still the **ONLY ANSWER** and the **ONLY CURE** for all the sickness, disease, maladies and problems of this world.

Then I proceeded to remind them of our national beginnings — and the birth of Canada in 1867 at the **Cradle of Confederation** meetings which took place in Charlottetown PEI — and as the committee was trying to determine what the name of this great country would be — the devout Baptist minister and leader of New Brunswick named **Sir SAMUEL LEONARD TILLEY** went home and prayed — and the next morning as he began his devotions his Bible

opened to Psalm 72:8 which states — “*He (God) shall have **DOMINION** also from sea to sea, And from the river to the ends of the earth*” — which Tilley presented to the committee — and so it was that we became the **DOMINION of CANADA!**

And just as our national name states — and just as God ordained for man to have dominion when He originally created mankind in the Garden — it is time for the Church — or at least God's Holy Remnant that still remains faithful — to rise up and **TAKE OUR DOMINION BACK** over this great land of Canada in the mighty Name of Jesus!

And for the record — we've read the end of the Book — and **WE WIN** — so as far as I am concerned they can take their poisonous jab and pretend to stick it in themselves all they want — but I will not be a part of their globalist agenda nor their deceptive games — and there is not a

chance in hell that I will be taking their vaccine!

And then right there on those beautiful Legislative Grounds I boldly and clearly declared that **JESUS CHRIST IS LORD OVER BRITISH COLUMBIA AND OVER ALL OF CANADA!**

You can only imagine how much more I had to say as I fired steady on all cylinders for almost an hour — and then wrapped it all up with a prayer for salvation — stating first that many — and perhaps even some of you reading this — may have been turned off with God because of some bad religious experiences in their past — before reminding them that **Jesus Christ** — the Creator of this world and the Saviour of our Souls **also had a bad experience with some religious folks — THEY KILLED HIM!**

But the Resurrection of Christ proved who He really is — and one day every knee shall bow to Him —

including every tin pot dictator and every wanna-be little Fuehrer that ever has been or ever will be — so it is far better to bow to Him now and **get on the WINNING SIDE** before it is too late!

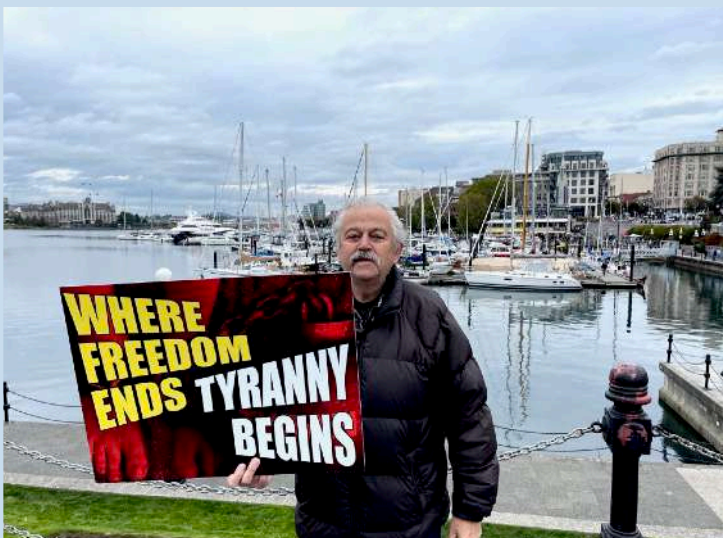

And then I led the people in a prayer for Revival — for Victoria — for BC — for all of Canada — and for the entire world!

And so my little speech on the BC LEGISLATIVE GROUNDS came to a close — as previously stated — Bold — Ballsy — and Biblical — and when I was done there was no more concern about what any officious authoritarian figures may attempt to do to me or to the ministry for speaking out — for I had delivered my

soul — I had boldly proclaimed what God put in my heart — and I know that when we follow the leading of the Lord — **the Lord will always be there to protect and deliver!**

Amen — thank you LORD JESUS!

THE MESSAGE COULD BE HEARD OVER HALF A MILE AWAY

One of the amazing things I was told right after I finished speaking was that people could hear me and the message **OVER HALF A MILE AWAY** — and one person who was at least 800-900 yards away (well over half a mile) far across the entire Inner Harbour Bay and up even several more blocks — a former pastor who I had not seen in over 20 years — immediately **RECOGNIZED MY VOICE** even that far away and told his friend — that is Len Lindstrom peaching — and the two of them walked all the way around the harbour to come to the grounds — hallelujah!

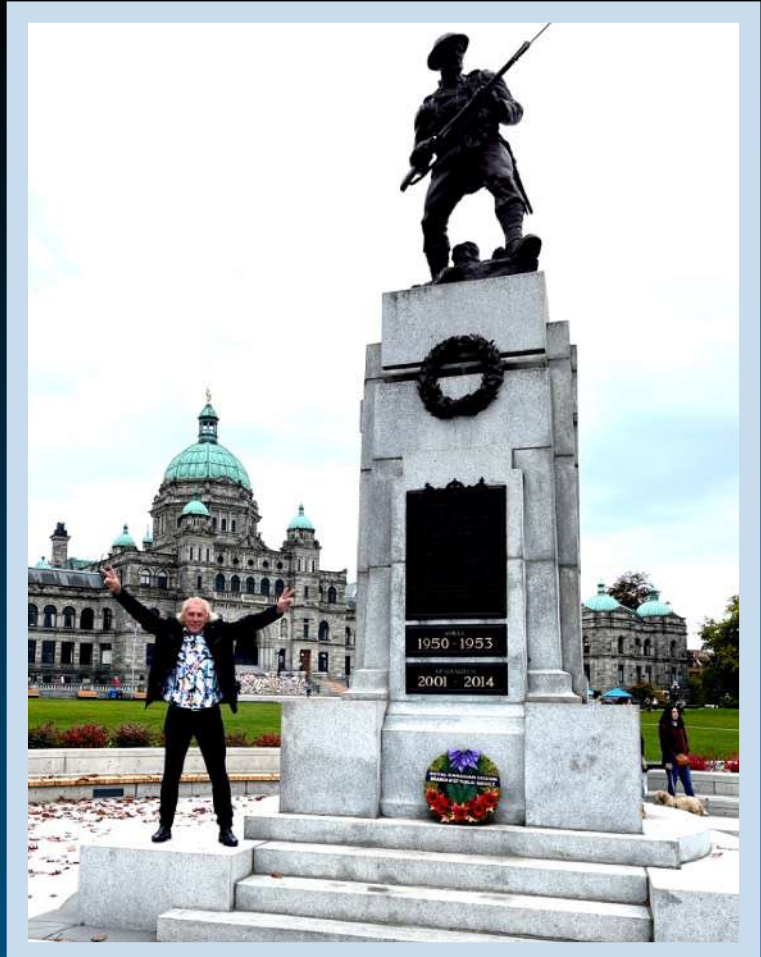

But the main point is — the **ENTIRE DOWNTOWN CORE** of the bustling BC Capital heard the clear and unmistakable **MESSAGE OF CHRIST** — preached right from the Legislative Grounds — our seat of man-made temporary governmental power — and the Word of God which is Spirit, Truth and Life — was left hanging in the air **OVER THE SEAT OF GOVERNMENT** and we believe it shall have a dynamic impact — and for that wonderful opportunity I give God all the glory!
