

CANADA CRY FOR FREEDOM

“LET MY PEOPLE GO”

The Great Canadian Trucker Freedom Convoy

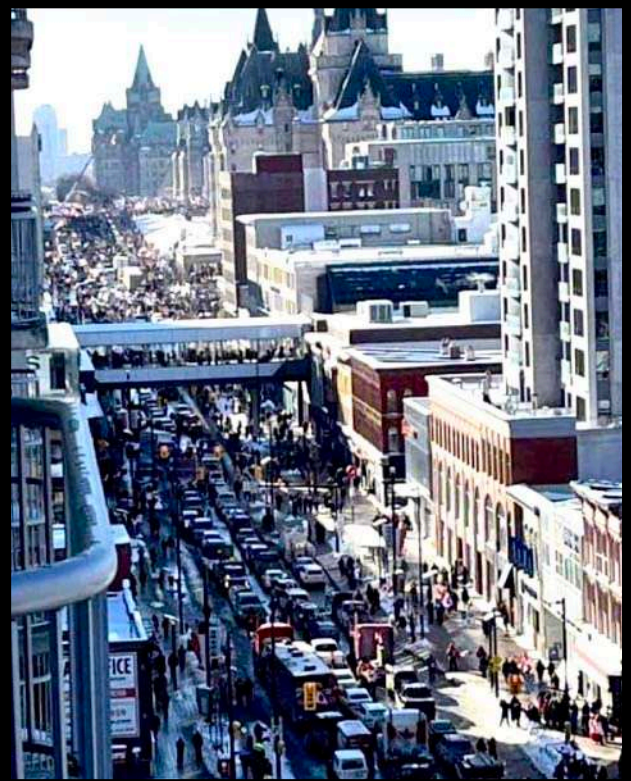

HISTORY IN THE MAKING — FREEDOM IN THE AIR — AND THIS BATTLE SHALL BE WON!

Do you realize what is happening in this Great Nation of Canada — a CRY FOR FREEDOM has ascended from one end of the land to the other — just as it did in Egypt 3500 years ago — and God has heard these plaintive pleas — and He is once again declaring — ***“LET MY PEOPLE GO!”***

But this time the Exodus from Bondage is not being led by Moses or Joshua — but by TRUCKERS — multiplied tens of thousands of determined Truckers — whose concern and courage has UNITED Canadians from every walk of life — millions upon millions of them — whose love for Family, Future and time-honoured Values is giving Voice to the masses against Political Corruption, bogus Health Mandates and insidious Agendas of the Global Elitists — as the people are crying out — **ENOUGH IS ENOUGH!**

Which is why I believe this is a God-Inspired Day for our Nation — and much of the watching world is starting to do the same — so **BE SURE YOU'RE ON THE RIGHT SIDE OF HISTORY — FOR WE SHALL SURELY WIN IN JESUS NAME!**

OTTAWA — TRUDEAU TRUCK STOP

WHERE TYRANNY ENDS — AND TRUE FREEDOM BEGINS

It began in the WEST — the three most westerly provinces of this great Peace-Loving Nation — which as everyone clearly knows were given the **Middle Finger Salute** by two of Canada's most pampered and partisan political leaders — disdainfully **fingered physically** by father-Pharaoh from the back of a train — and **economically and socially fingered** by Pharaoh's son through what most consider his corrupt and destructive policies and practices — followed by the implementation of totally unscientific and arbitrarily enforced Medical Mandates which have increasingly crippled the economy, livelihoods and health of millions of Canadians.

And then just like the Pharaoh of Old — these hypocritical high-living leaders had the audacity to tell all Canadians whom they seem to think they are God Almighty over — to **"MAKE BRICKS WITHOUT STRAW!"** Exodus 5:10-14

And still the Peace Loving Canadians took it — even though frustration and a sense of exasperation was quietly simmering across the land — but the increasingly Tin-Pot Dictator style of Pharaoh delusion and dictatorial demands kept flowing like political poison from the **Turrets of Tyranny**.

Especially evidenced by their utter disregard and almost total contempt for our **CHARTER OF RIGHTS AND FREEDOMS** — which disregard has led to all these unnecessary and unscientific Medical Rules and Regulations — which have literally stripped the people of their God-Given and Charter-Enshrined Freedoms — especially the most sacrosanct of all human freedoms — which is the **FREEDOM OF CHOICE**.

And it's not just Ottawa — as many pontificating Premiers and their government goons across the land — regardless of political party or persuasion — appear to have all caught the same condition of **POLITICAL AMNESIA** — and have forgotten that the most rudimentary principle of Democracy is — **Government of the People, By the People, For the People** — resulting in most of our Premiers and their appointed Health Ministers being turned into Pharaoh's Faithful Little Followers and Enforcers — the Egyptian **SLAVE MASTERS** of today!

And the egocentric motto and mission from Ottawa has increasingly become — **IT'S MY WAY OR THE HIGHWAY** — so finally the Truckers — and the People — decided to accept Pharaoh's challenge — and literally bring the **HIGHWAY** right to the **SEAT OF POWER** — in downtown Ottawa!

The roar of **Big Rigs** thundered in the air as they belched to life and started rolling out of BC Sunday morning — January 23 — from literally every corner of the province — and by the time they hit Alberta — they had already broken the Guinness Book of World Records for the longest Truck Convoy ever — but that was only the beginning — as tens of thousands more truckers joined in — sometimes forming convoys hundreds of miles long — coming from the north, south, east and west — all heading for the Parliament Buildings — which would quickly become known as the **TRUDEAU TRUCK STOP**.

AND GOD SAID — LET MY PEOPLE GO —
BUT THE CHURCH WAS TOO BUSY PLAYING
RELIGIOUS GAMES AND COMPLYING WITH
UNGODLY REGULATIONS — SO GOD RAISED
UP THE TRUCKERS WHO HAVE UNITED —
AND IGNITED — THE ENTIRE NATION

A thunder could suddenly be heard rumbling all across the land — coupled with the constant blare of thousands of Big Rig airhorns piercing the air — along with the ecstatic shouts of jubilant rejoicers and peaceful praising protestors — as Trudeau and his government received a true **WAKE-UP CALL** — for they had **POKED THE WRONG BEAR IN THE EYE**.

And so the truckers came — from one end of the vast expanse of this great nation to the other — over **5500 kms — 3500 miles** — and all along the way — hundreds of thousands of joyful supporters stood for hours in bone-chilling freezing winter temperatures of **minus 20 (–20) to almost minus forty (–40) degrees** — defying the cold to line every highway and road and overpass to cheer the truckers and many miles of convoys onward — with so many heart-jerking stories of the people's love, amazing hospitality, deep appreciation, earnest prayers and tears of joy and ecstatic praise along the way.

The sights and sounds brought tears to my eyes many times — and tears to the eyes of many Tough-As-Nails Truckers — think of it — have we ever seen such a thing in Canada — such an incredible outpouring of sacrificial love and support from everyday normal Canadians as witnessed for these Freedom Truckers — but that is the **True Canadian Spirit!**

It didn't take long for a flood of amazing stories to saturate social media — like fuel stations emptying their huge tanks to give diesel at half price — and **sometimes literally for free** — some roadside stores opening their doors wide to give away free food and snacks — telling these truckers to take whatever you need — and multitudes of good-hearted folks in almost every little town joyfully handing out bagged lunches and hot coffees — while others came by the droves to freely serve hot meals to the weary truckers in the evening truck stops.

But one of my favourite stories has to be when the huge line-up of truckers were not allowed to stop in the little pre-arranged town of Headingley Manitoba just west of Winnipeg — where the entire **Hutterite Community** had prepared a huge wholesome hot dinner — and when the trucks were not allowed to stop because there were so many — those precious big-hearted Hutterites loaded their vehicles and followed the massive truck convoy for another 125 miles — 240 kms — long into the night all the way to Kenora Ontario — and then prepared and fed them all a bountiful hot meal.

Such marvellous tales of overwhelming support and heart-felt appreciation for our true Freedom Fighters — which repeated acts of kindness from one end of the nation to the other reveal just how great the massive support was all along the way.

And regardless of anyone's media-deluded opinions to the contrary — it clearly shows how many Canadians are truly **Tired of Tyrannical Government Overreach** — how many have **Lost their Livelihoods** and means to provide for families — and **Lost Loved Ones** who would still be alive but couldn't get hospital or medical treatment because of government's stupid Covid rules — or **Lost the right to Visit their Elderly Parents** — and lost even the most basic of human rights to properly say **Goodbye to Loved Ones** at a funeral — and over what — nothing but Government Lies and Cruel Agendas.

WHETHER THE TRUCKERS REALIZED WHO WAS TRULY LEADING THEM OR NOT — THEY FELT THE TUG OF GOD'S SPIRIT AND ROLLED OUT IN VAST NUMBERS

Surprising origin of tragic family

Dead migrants reportedly had work, means

ADRIAN BOURDEAU

The family of four that froze to death while trying to secretly walk into the United States from Manitoba during a blizzard were already waiting at the drop-off point in Canada when officer Indian Collins arrived for the night take across the border.

The father and mother were the eldest in a decade of 11 migrants who gathered near Emerson, Man., on Jan. 19 for the organized illegal crossing. Their children were the youngest by far.

Most of the group were undocumented immigrants fleeing political or religious persecution in their home countries. They were carrying winter coats with fur-trimmed hoods, gloves, ski masks and insulated rubber boots, all of it black.

The conditions were frightful, even for those accustomed to a poorer life. The temperature hovered around -50C with the blowing snow and blinding darkness of a featureless remote route, as the group headed toward the border at about 9:30 p.m.

While seven made it to safety, snatched from the cold by U.S. Border Patrol officers after more than 11 hours of waiting, the family of four, including a toddler and an older child, didn't even make it out of Canada.

The family was apparently not impoverished, as is the common perception of smuggled migrants, nor were they failed immigrants who lost a battle to stay in Canada, as is the perception of some migration experts. See FAMILIES on A1

Tories need to 'up our game': O'Toole

Says party must tackle all issues not a chosen few

JOHN TYNON

I don't think O'Toole's narrative, he is trying to stage an intervention but the pattern is in the past and he's not. We are a modern, inclusive party and if people realize that, they are actually getting they don't want us. The Conservative head said in an interview with the National Post on Monday: "We have to offer a government to win in the 2025. We can't focus on one or two issues that might be the top priority for some people in politics. We have to tackle all issues, including the environment and being more inclusive with the LGBTQ community," he said.

Months after his election loss, the Conservative head is still trying to put off the first of a new set of policies that will see the party adopt carbon pricing, among other policies that were popular with the party's voting base. Most recently, O'Toole's cabinet announced in the House of Commons that the party will hold a leadership review in the spring.

It is hard to quantify O'Toole's support but a recent poll the week said just 55 per cent of Conservative supporters named O'Toole as their preferred choice of prime minister.

Some Conservative MPs are silent when asked if they think their leader can win the next election.

Nearly 100k trucks now registered to drive to Ottawa and take Canada to a CRAWL until things change!

Not to mention the multitude who have had their Self-Respect and Dignity taken away — Lost their Freedom to Travel — Lost their Freedom to Work — and who feel like they have been increasingly and mercilessly **Enslaved Under Pharaoh's Dictatorial Reign** — and the **MEDICAL WHIP** of his overbearing Left Wing Cabinet — along with what appears to be the full **Cacophony of Clowns in Control**.

But the Pharaoh of Old would have his day to meet the one God had chosen to be **THE PEOPLE'S DELIVERER** — the day the showdown would begin at the Palace of Pharaoh!

And finally — after seven solid days of steady Big Wheels Rolling — the **TRUCKER FREEDOM RALLY** kicked off at the Parliament Grounds on Saturday morning — January 28 — and it is impossible to definitively say how many were there!

But the reports relayed through many streams of information is that the OPP — Ontario Provincial Police — reported **120,000 BIG RIG Tractors** in the city — and the RCMP report said **130,000 Trucks** — plus both branches of police — OPP and RCMP — reported another 20,000 trucks parked on huge fields outside the city who could not make it inside.

And no one can deny the city was gridlocked downtown — except for access lanes rightly left open for any emergency vehicles or problems — and the walk-in crowd on Parliament Hill and packing the streets in every direction was estimated to be anywhere from **1.4 to 2.3 Million People present**.

Not exactly what our Prime Minister and his bought-off propaganda machine — CBC and the rest of the Fake News Media — had just the day before foolishly and falsely tried to claim was just a little **FRINGE GROUP** of dangerous Extremists with **UNACCEPTABLE VIEWS**.

But that wouldn't stop CBC and Global News — who are obviously bought off Liberal sycophants protecting the source of their major funding — from doing their utmost to downplay the event and to decry it as a bunch of Right Wing trouble makers — and even went so far as to call them **TERRORISTS**.

Which was just more of their usual Blusterous Bologna — **LIES LIES LIES** of the Useless Media — which the vast majority of Canadians believe should be defunded instead of being funded by Liberal Quid Pro Quo arrangements — after all — why should Tax Payers bear the burden to pay for Government Propaganda — especially when there are hardly any Canadians who truly believe or watch them anymore because in the opinion of the people they've lost any integrity they ever had — which is an indisputable and statistical fact!

And this is not simply a bunch of White Extremist Misogynists like our increasingly childish-acting leader is still trying to portray — for they have gathered together from all types of Canadian backgrounds — Sikhs, Hindus, Christians, Agnostics and Atheists — French, Anglo, Indian, Oriental, Latin and First Nations — all with one universal cry whose thunderous chants are reverberating over and over throughout the city — **FREEDOM — FREEDOM — FREEDOM!**

THE STREETS OF CANADA'S CAPITAL FILLED TO OVERFLOWING WITH REJOICING PEOPLE — AND EVERY SINGLE PERSON I HAVE SPOKEN WITH HAS DECLARED HOW THANKFUL THEY ARE TO BE THERE — HISTORY IN THE MAKING — THE CROWDS ARE MASSIVE, EXTREMELY FRIENDLY AND PERFECTLY PEACEFUL — AND THERE IS NONE OF THE NEGATIVE GARBAGE REPORTED BY FAKE MAIN STREAM MEDIA HAPPENING — THAT IS ALL GOVERNMENT PROPAGANDA AND LIES

And if the truth be known — the truckers were met with basically the full support and assistance of the local police force — and there was not one trace to be found of the garbage reporting and fear-mongering propaganda of corrupt government officials which has been continually spewed out by Mainstream Media — and the latest report by police was that despite there being a million or more protestors downtown — there was **NOT ONE SINGLE ARREST** made amongst them — and **NOT A SINGLE INJURY!**

Now that is a truly **PEACEFUL PROTEST** — exactly what the truckers and Canadian supporters called for — and certainly did not look anything like the massive Riots and destructive demonstrations of the true Left-Wing and radical **George Soros-funded** movements such as **BLACK LIVES MATTER** and **ANTIFA** as were repeatedly seen in the United States over the last few years — where these Gangs of Rogues and Radicals and Professional Protestors destroyed billions of dollars in public property — defaced and took over government buildings and courthouses — and burned up police cars, looted major stores and blew up gas stations.

And yet our own Globalist-Loving Agenda-Driven Divisive Prime Minister proudly clapped and took to his knee in solidarity with the BLM movement — surprisingly donning nothing but a black face mask for that event in Ottawa instead of going full **BLACK FACE** — as he has done so many times in his past — and yet has the hypocritical audacity and brazen nerve to label almost everyone but himself as a Racist!

As such — our Prancing Playboy Prime Minister seems to applaud anything and everything that suits his well-known personal and publicly-affirmed Communist Ideologies — which anyone who has studied even a little bit of history knows such ideologies always lead to Enslavement of the Masses — including his great admiration for **Communist China** — and his love for renowned Communist dictators such as Fidel Castro — all of whom are — or at least were while they were alive — guilty of gross Human Rights Violations.

And yet he is radically opposed and totally intolerant to anything which stands for **True Traditional Canadian Values** and hard-working law-abiding Charter of Freedom loving Canadians — and certainly anything which is Christ oriented!

And therein I believe we find the real reason the masses of Canadians are so joyfully supportive of this Truckers Freedom Rally — in fact — **78% percent polled** were in support of the Freedom Convoy — and now the latest poll again shows 78% in full support of the truckers staying on location in Ottawa until their demands of **FREEDOM FOR ALL** are fully achieved!

Because this protest rally may have started over the issue of **FORCED VACCINATIONS** and their Gestapo-style Yellow Star **VAX PASSPORTS** — but even before it started the overall goal rightfully swelled to include all forms of Government Overreach and Life-Destroying Violations of every one of our Rights and Freedoms — including **NO MORE MANDATES** — and **FREEDOM FOR ALL** — and unless one wilfully chooses to be a totally brainwashed blindsided buffoon — those are issues **WELL WORTH FIGHTING FOR.**

THEY SAID THERE WAS A MIGHTY WAVE COMING AND THAT GOD WOULD PART THE RED SEA AGAIN — AND HERE IT IS — SOMEWHERE BETWEEN 140,000 TO 150,000 BIG RIG TRUCKS — AND SOMEWHERE BETWEEN 1.4 AND 2.3 MILLION PEOPLE IN THE DOWNTOWN CITY THIS IS DOWNTOWN OTTAWA — OUR CAPITOL — ON A UNITED QUEST FOR FREEDOM FROM TYRANNY — AS SHOWN BY THE BEAUTIFUL PAINTING OF THE FREEDOM CONVOY GOING THROUGH THE RED SEA — THIS IS TRULY A GOD THING

Which is the primary reason why this has become a true **GRASSROOTS PEOPLE MOVEMENT** — for the **MASSES HAVE BEEN IGNITED** — the true **PATRIOTS ARE RISING** — and the **FIGHT FOR FREEDOM IS ON**.

And everyone is beginning to realize the true value and desired outcome of this protest — for **WHERE TYRANNY ENDS — TRUE FREEDOM BEGINS!**

That is the **cry of all Canadians** — in fact it was reported by what appears to be very reliable military sources that **Trudeau tried to call out the Armed Forces** from the Pettawawa Army Base in north Ontario to block the major northern route of Highway 417 — attempting to stop that particular and primary massive convoy from the West from reaching the Capitol.

But the soldiers sensed and shared the heartbeat of the millions of peace-loving Canadians who simply wanted their God-Given Freedoms back — the very freedoms which this great nation were built upon — and **THE ARMY DECLINED**.

LEGAL SOLUTION IS FOUND IN OUR CHARTER OF RIGHTS & FREEDOMS

There are so many more great stories which have erupted in just these first few days of this phenomenal Freedom Rally — but let's leave them for a moment — and get on to what the **legal solution is to these myriad of problems**.

Which brings me to one of the most important statements I heard spoke from Ottawa the next morning — Sunday January 29 — by well-known Freedom-Fighter **Pastor Henry Hildebrandt** — as he delivered a powerful word to the massive crowd that stretched from one end of the Parliament Grounds to the other and far down every surrounding street.

I had spelled this same truth out many years ago in my highly endorsed book entitled — **CANADA AND GOD'S ETERNAL PLAN** — but Pastor Hildebrandt reminded the crowd that there are 25 Bible scriptures which were chiseled and/or engraved into our Parliament Buildings when they were built.

And then he said way up in the south window of the **PEACE TOWER** — which is the very pinnacle of our Parliament — are found these indelible words in beautiful stained glass.

“FREEDOM IS THE SURE POSSESSION OF THOSE ALONE WHO HAVE THE COURAGE TO DEFEND IT.”

And as **Hon. Brian Peckford** — the former and much appreciated Conservative Premier of Newfoundland — who is the **ONLY LIVING SURVIVOR** of the select group of **Canadians who DRAFTED** our **CHARTER OF RIGHTS AND FREEDOMS** — stated in the Victoria Freedom Rally on Saturday — January 28 — which parallel rally I was privileged to attend and to hear him in person.

*“This country is **FOUNDED ON THE SUPREMACY OF GOD***

HON. BRIAN PECKFORD — Former Premier of Newfoundland — Only Living Person remaining of those who Drafted our **CANADIAN CHARTER** — speaks out powerfully at Victoria Freedom Rally

The key-note speaker for the Victoria Freedom Rally was Honorable Brian Peckford — and what a fiery speech — for no one understands our **CHARTER OF RIGHTS AND FREEDOMS** better than he does — after all he was one of the Original Drafters of the Charter.

He said we gathered in great numbers to send a clear and unmistakable message to all leaders in Canada that we will not stand to see our freedoms taken away — we must reestablish our Rights and Freedoms for they are **SACRED AND PERMANENT FOR ALL OF CANADA**.

And he has laid a **LAWSUIT** against the **Federal Government** just one week ago — to fight this all the way — for their gross violations of the Charter and treatment of the Canadian populace — and his message was simple — they don't have to take away my rights and my freedoms to defend the healthcare of this country — now that is my kind of Honest politician with true Integrity and Love of Canada!

Len with Honorable Brian Peckford & His Wife

AND THE RULE OF LAW — the Charter does not begin with Section One — it begins with these words about Supremacy of God and Rule of Law — and where is the Rule of Law today — **THEY HAVE DESTROYED THE RULE OF LAW.**”

And may I be so bold to ask an even far more important question — **Where is the Charter’s SUPREMACY OF GOD in Canada today** — certainly not to be found in the majority of our constantly vacillating muscle-flexing government leaders — whose abhorrent attitude towards God and Church would **sooner jail pastors** for conducting services and worshipping the Lord — than obey the first and most important line of our entire Charter!

Which is why I couldn’t agree more with what Brian Peckford said — for both the Supremacy of God and the Rule of Law have been removed from the once-hallowed Halls of Power in this great nation — so the honourable drafter of our Charter continued — **THE ENTIRE SYSTEM HAS TO CHANGE.**

He said — “It’s not just the MANDATES — the entire system has to change” — WHY — because the entire **POLITICAL SYSTEM IN CANADA IS BROKEN** — and as clearly iterated in Peckford’s speech — “We don’t want to go from one Swamp to another Swamp — we want to go **from a SWAMP of CORRUPTION to a grassy field of FREEDOM, LIBERTY and EQUALITY.**”

And Peckford stated in like tone as Pastor Hildebrandt would declare the next day — “Every Democracy in the world — **The People had to Fight to Keep It** — and we Canadians have learned some hard lessons — and **we are not going to let our democracy go down!**”

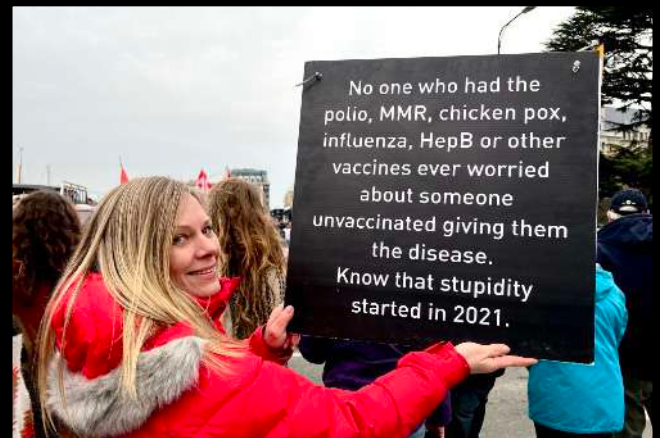

And whether most choose to believe it or not — much of the reason our political system has been so badly broken and destroyed the last while can be laid directly at the feet of **Karl Schwab** — who on video describes his crop of “New Young Globalist Leaders that he is so proud of” — especially his favourite follower of all — none other than Justin Trudeau.

But with all that Globalist Grooming and Tutored Indoctrination for the job of Prime Minister comes the whole rotten package of the Puppet Master’s planned program — and the overarching connection to the **WEF — WORLD ECONOMIC FORUM** — also known as the **DAVOS CLIQUE.**

Which encompasses the top elitist group of Globalists who want a Totalitarian Society — just as many believe our illustrious leader has been chosen and coached to do in Canada — where their neurotic notion and narcissistic intent is to rule like lords over the common peasant people such as you and I while they live in the lap of luxury and self-adulation — where the Elite own everything and you nothing — or as Karl Schwab stated — “**you will have nothing and be happy!**”

At least for those who are fortunate enough to survive their depopulation goals — for which many believe Covid has been nothing more than a **FALSE FLAG** to get everyone **jabbed.**

CANADA FLAGS WAVING EVERYWHERE
And thousands of Protest Signs — some not so nice — protesting Bogus Mandates, Gestapo-Style Vaccine Passports and Political Overreach which has been Destroying so many Canadian Families

Oh you think that is just Conspiracy Theory — then read Karl Schwab's book entitled **THE GREAT RESET** — and you will quickly see that it is a Conspiracy Fact — and it is the stated goal of these obviously demonically influenced people — including it appears our own Prime Minister — for they have envisioned all nations under their total control — with Canada determined to be one of the first to readily comply with their agenda and forfeit our God-Given Sovereignty.

But as far as I am concerned along with millions of other true freedom-loving Canadians — **THAT AIN'T A-GONNA HAPPEN** — Not on Our Watch by God's Grace — and certainly not on these Trucker's Watch either!

For as Pastor Henry Hildebrandt shouted out to the roar of the crowd Sunday morning in Ottawa — which word he directed specifically and emphatically to the Prime Minister — *"If you don't want to heed God — if you don't want to heed the 25 verses written in the Parliament Buildings — you may have a **FRINGE coming to town!**"*

*"And all we want of politicians is for them to **UPHOLD THE CHARTER** — uphold the **BILL OF RIGHTS** — and most of all — to uphold the **WORD OF GOD!**"*

Which was a great time to remember the Bible firmly declares — **"No Other Foundation can anyone lay than that which is laid, which is JESUS CHRIST!"** 1 Corinthians 3:11

In a nutshell — we want to see **GOD** brought back to Parliament — and the **BIBLE** brought back to Parliament — for the solution is **NOT POLITICS** — as Hildebrandt so bravely stated — *"We are not short on Politicians — we are short on POLITICIANS WHO RECOGNIZE THE BIBLE."*

TRUDEAU TESTS POSITIVE FOR TRUCKER-TREPID-ITUS" — GOES INTO HIDING

Now let's jump back a couple days before this great Freedom Protest began — for it is almost humorous to be able to perceive in advance how certain people will react when someone accepts their challenge — especially when they are known to be **Much More Mouth than they are Action** — an easily recognized trait amongst most **BULLIES** — but the excuses they use to run and hide can still be a bit hilarious!

And with much more than 100,000 Big Rigs barreling down on the Capitol — and another 30 or 50,000 more truckers from the States to join their Canadian brothers in solidarity — it was no great shock to hear the CTV news report early Thursday morning — that **TRUDEAU WAS GOING INTO HIDING!**

Oh I know — they claimed he had possibly been exposed to someone with Covid the day before and he was going to do his health duty by self-quarantining — but even CTV was smart enough to state — **"The TIMING of his exposure**

LOVE YOUR NEIGHBOUR
STAND UNITED
FIGHT FOR FREEDOM
SERVE GOD
RESIST TYRANNY
LOVE LIBERTY
THANK GOD FOR HIS PRESENCE
GIVE HIM ALL THE GLORY

don't work and the entire program is a cruel ruse on humanity.

But this latest little drama skit with our Prime Minister gets even better — for the trucks are still in Ottawa — they did not leave on Monday — so Trudeau took another test — and exactly as one would expect — this time he tested **POSITIVE** — so he needs to stay longer in isolation — **Surprise Surprise!**

But no matter how long he hides away — no matter how much the people have dubbed him **THE COWARD IN THE COTTAGE** — just like the proverbial spring groundhog — one day he will have to come out — and when he does — **THE TRUCKERS INTEND TO STILL BE THERE.**

And he will have to either meet the truckers and defend his elected duties and demands — or bear the brunt of the disrespect and contempt of the masses — but one thing for sure — he will never again be able to use one of his favourite expressions — the people of Canada have spoken — for the people of Canada have indeed **Spoken Out Loud and Clear** — and the vast majority are **on the Truckers side!**

But here is one of the principle points of this entire message — the government agenda and narrative never changes regardless of how much evidence keeps piling up against it.

And perhaps no better or more current example as that seen in Trudeau's own words — which is so utterly illogical it should be made into a Comedy Skit — as he first said — I am **Double Vaxxed and Boosted** but I could still be contagious or sick — so — **YOU — NEED TO GO GET VACCINATED.**

And then only about four days later came this next totally ridiculous bit of bewildering half-baked logic — I am Double Vaxxed and Boosted — but I just got a positive test confirming I now have Covid — so — **YOU — NEED TO GO OUT AND GET VACCINATED.**

Now that **DOES NOT MAKE A LICK OF COMMON SENSE** — nor does it make the slightest bit of sense from a Medical Perspective — and anyone connecting the dots knows this entire process for the last two years has been a never-ending roller coaster ride of complete medical nonsense.

While at the same time — anyone who dared to speak out with a different viewpoint than the official government narrative — regardless how many Degrees, years of Experience or even Nobel Prizes in Medicine in the field of Virology — was silenced, censored and wrote off as a **Tin-Hat Quack-Pot!**

Which is why there are so many millions of good peace loving Canadians and multiplied millions more around the world who see this not so much as a health issue — but rather an insidious agenda being foisted on the media-mesmerized masses — so they can gain control over you and further their globalist agendas of total world domination.

And they cannot fully control or track you without their new Vaccination Passport — so they must force their draconian rules on everyone — which is **why the Truckers Are In Town!**

THE ROD OF MOSES AND THE SERPENTS OF PHARAOH

So what makes this Cry For Freedom appear to be so much the same as in days of Pharaoh of Old — who no matter how many or what kind of warnings God gave him — or what manner of miracles the Lord did in Egypt — or how utterly ridiculous his rigid obstinance towards God and God's People seemed to be — it was he himself who set himself up for a very **RUDE AWAKENING**.

For Pharaoh just kept hardening his **Stubborn Deluded Heart** and refused to change his messed-up mind — refusing to let go of his Globalist Agenda — refusing to set God's people free — no matter how much judgment he would bring upon his own caucus in power — or how much cruel and totally unnecessary heartache, suffering and pain to his own constituents — **until the day God sent His Deliverer** — or as is happening in our days — **His Freedom Fighting Truckers!**

So let's turn to the Word and see how God eventually has to deal with such Hard Hearted Obstinate Leaders who repeatedly refuse to truly seek Godly Counsel or listen to the Living God.

Come with me now to the great Palace of Pharaoh — or shall we say to Parliament Hill — for God had just finished instructing Moses to go tell Pharaoh — **LET MY PEOPLE GO!**

And He put a **ROD** in his hand — a symbol of His Divine Authority and Power — and when Pharaoh came out reeking with scorn and contempt for Moses and His God — much the same as our illustrious leaders have today — God said **THROW YOUR ROD DOWN** — and it became a **SERPENT!**

But Pharaoh was not to be outdone — for Egypt was full of **Cheap Magicians** — just as surely as government is today — so he called his Magicians and they threw their staffs down as well — and everyone of their staffs also turned into snakes!

And when God comes to town today — or shall we say to Ottawa — you can be sure the Witch Doctors and Word Wizards of the Fake News Press will come slithering out — and the Tricksters of Travesty in the Turrets of Tyranny will hiss and bare their fangs — and the Soothsayers, Shamans and Spin Doctors of Deception will do their best to deceive.

In other words — there will be **PLENTY OF SNAKES** slithering around **Ottawa and Parliament Hill** — all in deluded defiance of the Living God and deaf to the impassioned Cry of the People they have enslaved — but there will be **NO GENIE in the Bottle** to save them — nor Soros or Schwab on site to prop them up!

And now we come to the best part of the story — as suddenly — without Moses having to do another single thing — the **ROD OF GOD** which had become a serpent began to **Swallow Up the Snakes of Pharaoh's Magicians** — until they were all gone.

FREEDOM RALLY

VICTORIA BC — JANUARY 28
IN BC WITH OVER 10,000 PEACEFUL
PROTESTORS — SAME DAY THE TRUCKER
FREEDOM RALLY STARTED IN OTTAWA —
AND THE SAME IS HAPPENING IN EVERY
CITY AND TOWN OF CANADA — AND THE
POLICE SAID IT WAS THE BIGGEST AND
MOST PEACEFUL PROTEST THEY HAD EVER
SEEN — THIS IS A GOD THING

And then Moses picked up his Rod which had turned into a Serpent — and it once again became a ROD in his hand — to lead and guide the people of God into **FREEDOM!**

And that is exactly what is happening right now — in fact the very first day the Freedom Rally began in Ottawa — and while I was in one of the nation's many joint Freedom Rallies of more than 10,000 gathered on the Legislative Grounds in Victoria BC — the first major breakthrough report suddenly came through — a message which would set the tone for many more to come!

As the organizers declared loud and clear right from the steps of the Legislative Buildings — **SASKATCHEWAN PREMIER MOE** says he will **END ALL VACCINATION PASSPORTS AND TESTING** in the near future — because of the Truckler Convoy.

I always like to check things out as much as possible — so here are a few excerpts from Premier Moe's own signed statement posted on Twitter on January 28 2022 — the day the Freedom Rally started.

He stated that **HE KNOWS VACCINATION DOES NOT PREVENT INFECTION** — in fact he goes on to say that he himself caught Covid even after being Double Vaccinated and and had received his Booster Shot — and then in his own signed off words makes this declarative statement.

“Because VACCINATION DOES NOT REDUCE TRANSMISSION the current border policy for Truckers makes NO SENSE — an Unvaccinated Trucker does NOT POSE ANY GREATER RISK of transmission than a Vaccinated Trucker!”

And then he concluded with this comment which should drive a nail through all the bogus Vaccine Mandates.

“That is why our government will be ENDING our Proof of Negative Test / Proof of Vaccination policy in Saskatchewan.”

Which if taken in the biblical sense of the story — represents the first of Pharaoh's Serpents to be swallowed up — on the very first day of the Freedom Rally — but there would be many more to come!

For while Trudeau was still playing his **Hide and Seek game with the Truckers** — other Premiers and Medical Health Ministers were starting to quickly wisen up — for just like another biblical story — it was plain to see the Handwriting was on the Wall — and **THE COVID JIG WAS UP!**

Next came the BC report — as the National Post reported on January 31st — the 4th day of the Trucker Rally — with this highly revealing statement.

“B.C. Provincial Health Officer Dr. Bonnie Henry went from being an Advocate of Aggressive Lockdowns to now leading the charge to have COVID-19 Treated More Like the COMMON FLU.”

**WHEN DRAMA TEACHERS BECOME PM'S
AND FOLLOW THE WEF SCRIPT
AND PLAY THE NWO ROLE
WE MUST ASK — WHO REALLY IS HE**

Did you catch that — the **COMMON FLU** — which is exactly what tens of thousands of doctors and scientists have been stating for almost two years — and what I have been preaching in every message since this corona-fiasco started.

And several other provinces are reported in the news to be **“hinting” at the same type of measures** — and to remove all Mandates and Restrictions!

And then just as I am finishing this article — on February 1 — after only three days since the Truckers Freedom Rally began — the **Globe and Mail** published an article entitled — **“Quebec Premier François Legault Scraps Plans to TAX THE UNVACCINATED.”**

Which everyone knows had been the latest vicious assault on Canadian Freedoms — presented and introduced only some days before the Freedom Rally began by the Quebec Premier — with the nod of approval from Trudeau — which would have further epitomized our radical leaders new **Policy of Segregation** and their utter Contempt for a large part of the Canadian populace.

For not only have they been treating the Unvaccinated like **LEPERS** as they have maliciously done for a long time — but even further burdening the people by slapping them with a unique and additional **HIGH TAXATION** — which Premier Legault stated would most likely be added to the Income Tax payable of all the Unvaccinated — and it was for the express purpose of **Forcing people to be Vaccinated** — with a Vaccine they are finally all admitting does not even work!

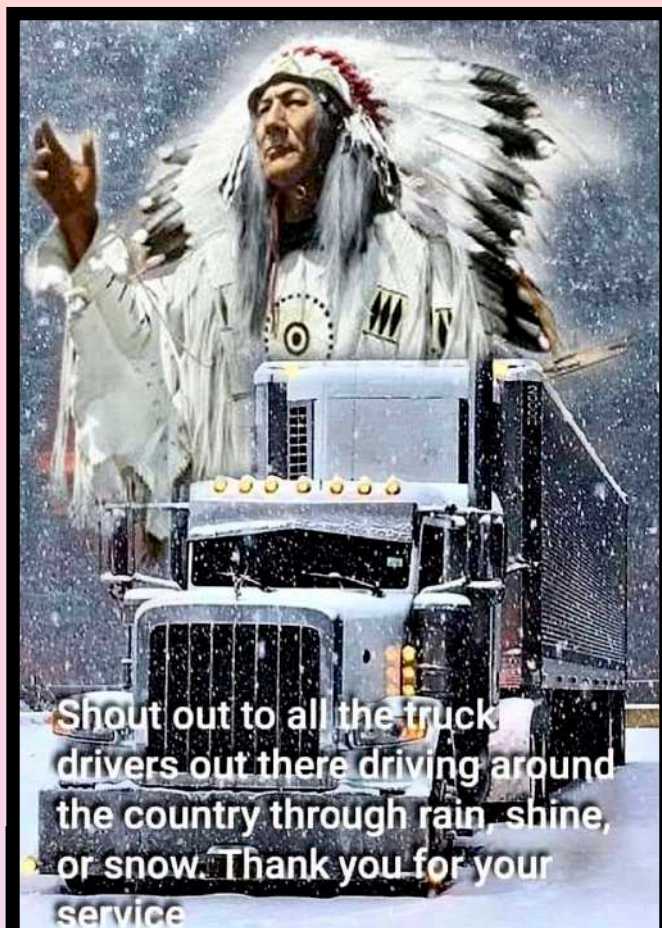

But now in the wake of the Trucker Freedom Rally and the millions of people totally **FED UP** with their tyrannical lockdowns and ridiculous regulations — this cruel and callous punitive plan has suddenly been scrapped — and **ANOTHER SNAKE GETS SWALLOWED UP BY THE ROD OF GOD!**

And you can be absolutely sure the Rod of God will swallow up all these **SERPENT MANDATES** — and province by province all the Mandates shall Fall.

But there is one more very important **SERPENT TO BE SWALLOWED** — aside from all the remaining Mandates — and that is the **SNAKE OF MAINSTREAM MEDIA** — which is truly a slimy, slippery serpent — filled with deception, lies and brainwashing poison.

In fact it may even be the **most deadly of all Pharaoh’s Snakes** — for it is the media that is used as the main instrument to brainwash and mesmerize the masses!

And corrupt governments and their absurd policies would have never got as far as they did in fulfilling their surreptitious Globalist Goals without controlling the Mainstream Media — for the masses would have never accepted their illogical measures if it not been for the constant **fear-mongering and coercion of mainstream media!**

But fear not — for the Rod of God will deal with this pack of liars as well — and by God's Grace — and by the time this is over — the CBC will be **defunded** by government — and we can get back to some true honest reporting!

For even now — in the midst of this mighty movement of freedom — the CBC and their useless cronies continue to lie — still attempting to denigrate the people in the rally — talking only about a few people — who may have even been intentional plants — who came with **Swastikas** — and someone else who urinated on the **Tomb of The Unknown Soldier** — which I certainly agree was an utterly despicable, dis-respectful and childish act.

And someone who put a paper banner saying **Mandate Freedom** on the **Terry Fox statue** — who being the true Canadian hero he was who ran across Canada on one leg for cancer research — I believe if he were alive today would most likely be standing with the Patriotic Canadians on the Hill peacefully asking for **FREEDOM** — and by the way — the the Freedom people have adorned his statue with a beautiful Canada flag cape!

But does CBC report that way — not at all — as their only agenda appears to be spouting off poisonous propaganda against true Canadians — but don't expect them to ever say a negative word against Trudeau — for he and his government are the ones who sign most of their paycheques — thereby buying their allegiance and favourable press — which should make them hang their heads in shame for such hypocrisy!

As Ezra Levant — the well known founder and champion of **REBEL NEWS** — loved by patriotic Canadians for his continual and well documented exposure of corruption in government — and hated by Trudeau for the very same reason — stated in a short fiery address on Sunday — January 29 — to the ecstatic cheers of the massive crowd.

His opening comment which literally erupted the crowd in the minus 25 degrees weather was — *"It is cold today — really cold — **almost as cold as Justin Trudeau's heart!**"*

And then he addressed the problem of Canada's Lying Mainstream Media — *"What excites me the most of this massive crowd is all the people with cameras."*

*"People ask what shall we do about the Media — **YOU BECOME THE MEDIA** — the Media of today is a subsidiary of the **LIBERAL PARTY** — so you need to **TELL THE TRUE NEWS**" — not the True-Deau version of News you hear on CBC.*

Then he added — *"**TRUDEAU is the one who has VIOLATED YOUR RIGHTS** — why did we all gather here in Ottawa — the point is the Convoy itself — to show that you are Not Alone — they're the Crazy Ones — you have succeeded just by being here — now **Tell Them What You Saw** — for they shall not hear the truth from anyone else!"*

HIDING THE TRUTH FROM CANADA

How absolutely true — for if it were not for those tens of thousands with their videos rolling on iPhones — one would only get the CBC Trash Reports — that there are only **a few hundred White Radical Right Wing Extremist Terrorists With Nazi Mindsets and Swatizkas Urinating on Memorials and Defacing Statues** — which is the disgusting lump sum of CBC reporting!

And I know from first hand experience what a pack of liars they truly are — for I spent 14 1/2 hours with their wolf pack a few years ago — and never once was I afforded even five minutes to tell the true story — for they were on a **Witch Hunt** with a **pre-concocted story** — and there was no way they would allow Truth to destroy their ill-conceived narrative.

And even though they peppered me all day long with twisted questions they never got so much as a single sentence to trap me with — which was highly and visibly exasperating to them — so they simply went ahead and twisted their own questions and half-baked cock-and-bull story to smear my reputation — as is clearly laid out in a 168-page document I immediately wrote to them and also filed with Government of Canada.

Because in my opinion — **CBC couldn't couldn't tell the Truth** even if it was stuffed full-force in their mouths — simply because they do not want to hear the Truth — and as their reporter emphatically told me at the end of the all-day interrogation when I asked him why he never allowed me even five minutes to tell him the true story — he simply replied that Canadians don't want to hear about government corruption in Africa.

No I suppose not — because in the wickedly warped mindset of CBC they think Canadians would sooner hear a pack of twisted lies to denigrate a believer in Christ and try to destroy his life and reputation — and then still had the audacity to give each other awards for their high degree of twisted tale-telling.

So I for one — eagerly await the day the ROD OF GOD swallows upon that **SLIMY SERPENT CORPORATION** as well.

And we are confident that the Leader of our Nation who makes sure they are well paid to whitewash his sins and to promote his policies will no doubt have a mighty visitation with the ROD OF GOD as well — until **all the Serpents in Ottawa and Toronto are swallowed up** — and many in both politics and media will be looking for new careers!

But there is one more point I need to mention — for it took ten powerful miracles for God to break through Pharaoh's stony heart and to set His People Free from Egyptian Bondage — and then the pressure came off Pharaoh — just as the pressure will eventually come off these political leaders once the truckers full demands for NO MORE MANDATES and Freedom have all been met and they peacefully leave Ottawa.

But Pharaoh hardened his heart yet again and decided to pursue after the Israelites he had just finished freeing — **BAD MISTAKE** — for these enslaving Egyptians ended up having their Wagon Wheels torn off and drowned in the Red Sea.

**FREEDOM IS THE GOAL
FAITH IS THE VICTORY**

Which poses a very serious warning for anyone who may think they can remove the mandates to get rid of the truckers — and then slap them back on later — **BAD IDEA!**

A LAST FAILING GRASP TO HOLD ON TO POWER

Now let me inject a little satirical humour into this article — at least funny from a true Patriot's perspective — as our Little Wanna-be Dictator appears to be rapidly running out of options.

As video reports show — Trudeau called from his secret hide-away on Monday — January 30 — for the Mayor of Ottawa to have all the many thousands of trucks towed away from downtown — so the Mayor apparently called every Tow Truck company in the city — and they all said the same thing — **No Can Do** — for all our people have **COVID** — now that is truly funny — and a great example of using the government's own garbage mandates against them.

So Trudeau apparently called for the Army to come and disband the Freedom Protest but they also declined — for those Army Boys in Uniform and their Military Commanders are plenty **smart enough not to intervene to prop up a dictator** — especially when the issue is over sacrosanct Canadian Charter enshrined Rights and Freedoms.

And then — I love this one — as a two-term War Veteran shared a video clip — stating that Trudeau put out an urgent call to all the War Veterans to come and take control of the crowd on Parliament Hill — which is truly ironic— in fact it is fully laughable!

For wouldn't this be the same dedicated group of **Canadian Veterans** that our illustrious leader has openly showed his utter contempt and disgust for!

In fact they would have to be the same Veterans his government has spent millions of dollars fighting in court to **shaft them out of their rightful pensions** and reduced their monthly allowances for enduring such suffering and pain from \$2750 per month to a lacklustre and paltry \$1150 per month which they can barely live on.

And then even had the cheeky gall to tell the veterans in a Town Hall meeting in 2018 that his government was continuing to fight them in court *"because they are asking for more than we can afford."*

While at the same time he was **sending billions of dollars** of Tax Payer dollars overseas to promote his own Globalist Agendas and Values — while undermining our own nation — and then trying to buy himself a seat at the United Nations — and the list of abhorrent decisions go on and on!

So I have a bit of **BAD NEWS** for you Mr Trudeau — I don't think the Veterans will be coming to help you remove the truckers either!

THE BATTLE IS REAL
THE STAKES ARE HIGH

IT'S NO
LONGER LIBERAL
VS CONSERVATIVE

IT'S CANADA VS COMMUNISM
AND THAT'S A BATTLE
CANADA MUST WIN

And probably no one else will either — except perhaps your lying media friends — at least until you stop paying their bills with hard-earned hard-working honest Canadian's money!

Which brings me to one more and perhaps final failing grasp to hold power by Trudeau — as he still has his **slick Spin Doctors at CBC** — who suddenly switched to a fresh but totally absurd narrative — as they tried to say it was possibly Russia that had infiltrated the group — or quite possibly even Putin himself who had initiated and was backing this Freedom Protest to disrupt Canada.

Listen up you bunch of **LYING LUNATICS at CBC** — and quit spinning Bull Manure — we don't want Putin anymore than we want Trudeau — they are both **COMMUNISTS**.

All we want is our country back to its original state — a true Democracy built on **Freedom For All** — a country of love and peace and joy and freedom — which despite your trash reporting is all that has been evidenced in the Freedom protest — and of course — government which is *"of the people, by the people and for the people!"*

So let me sum this up with a few more words from the Honourable Brian Peckford who stated in Victoria. *"We are not going to allow this great nation to go DOWN THE DRAIN just because we've got PEOPLE WHO ARE SO HUNGRY FOR POWER that they have discarded the FREEDOMS that you and I own!"*

So be assured — **the truckers are not leaving** any time soon — they have come to meet Trudeau — and they have brought a Memorandum of Understanding to be signed by him — that all Government Mandates, Restrictions and life-destroying Covid Rules be removed — and Freedom For All — and they are prepared to stay for months if that is what it takes!

And we **STAND FULLY UNITED** with the Truckers to see Freedom regained for Canada!

But more than anything — **WE WANT JESUS** — for we know that true and lasting freedom — whether it be individual or on a national scale — can only come from the Lord — and it was JESUS Himself who declared — *"You shall know the TRUTH and the TRUTH shall set you FREE!" John 8:32*

And we want to see the scripture fulfilled which God gave Sir Samuel Leonard Tilley in morning prayer in 1864 from which our great nation derived its name — and which we claim for our heritage!

"He (God) shall have DOMINION from Sea to Sea and from the river to the ends of the earth!" Psalm 72:8

And I want to see our nation wide open so we can hold a flood of **Holy Ghost Miracle Tent campaigns** this season — and travel to the nations — to win souls by the millions — for it is Harvest Time — which is why our nation and our families must have freedom — so we can fulfill the Lord's Great Commission now!

NOW PLEASE HELP ME GET TO OTTAWA

I KNOW IT IS GOD'S WILL FOR ME TO BE THERE AT THIS DIVINE TIME

The moment I watched the first trucks heading out Sunday morning — the Spirit of God surged powerfully through my entire being and I started weeping profusely in His Presence — for I immediately knew in my spirit the Giant had awakened — this was God's time to set His people free — and I have been weeping ever since — knowing I must get to Ottawa to be part of this Historic Event — and for God to use me in whatever way He chooses. For as most of you know, I have been researching this stuff for the last two years straight — preached over 200 messages on it — and wrote many magazines and articles about it — but now I need to be there on location to lend my voice to this coming Move of God — and to reach as many hungry souls as possible for Jesus — and there are many who are ready. To be totally frank I do not relish the long five day drive — but I must go — JESUS IS CALLING! But to go I need your help — fuel, food, hotels and whatever extra costs — at least \$12 to 15,000 — and I will stay as long as Jesus leads — and then preach my way back home — preparing for a great spring and summer season of Holy Ghost Tent campaigns. So whatever you can do — big or small — it will be greatly appreciated — and by God's Grace it will help reach many hurting souls — but please do something — it is of great importance that I can be there and to spiritually support the truckers — as we all stand together to make history in Canada.

BIG SHOUT OUT TO ALL THE TRUCKERS
As We Stand Together For Freedom

CANADA

the Beautiful Land of the Maple Leaf

Dear Friend & Fellow Freedom Fighter,

What an amazing God we serve — He has heard our cry for Freedom — for Revival — and for Harvest! And He raised up a mighty group of Truckers to light the fire and sound the clarion call for Freedom! Now it is up to us to not only keep standing with them in solidarity to finish the task to see a greater and more blessed Canada — but to also fan the flames and reap souls — for the hearts of many are ready!

And I need to immediately leave for Ottawa to join my voice in unison with them — on site — and to fulfill my part in this momentous event which none other than God Himself has initiated through the dedication and commitment of these faithful truckers and those who (in the natural) organized this great Freedom Movement which has united and ignited Canadians together all across the land!

I need to head out immediately — but to do so I urgently need your help — so will you please stand with me to see the marvellous fulfillment of what I have been preaching for two solid years straight — the END OF MANDATES — and a NATIONAL AWAKENING — and whatever you can do — big or small — will be greatly appreciated — so if you would like help meet the needs to get me to Ottawa — you may ...
