# CHRISTMAS HARVEST

## BAIS CITY PHILIPPINES

**ONE MORE GREAT INGATHERING  
OF SOULS TO END THE YEAR  
WITH ANOTHER MIRACLE HARVEST**

**Call His Name  
JESUS**

**FOR HE SHALL HARVEST THE NATIONS**

# The Angelic Annunciation And The True Message of Christmas

**CHRISTMAS** — such a wonderful time of the year — but before we get into a few highlights of the little Christmas message I preached to the great crowd in Bais City — here's a quick question!

Do you believe **God can do more in one single night than man can do in an entire lifetime** — I certainly do — and we seen it again in Bais City!

As all the marvellous miracles in this report took place in **one single night** — all to the glory of the Living Christ of Christmas!

But such question readily brings to mind what was likely the **most revolutionary night this world has ever seen** — the night its CREATOR was born into this earth — as the Almighty took upon Himself human flesh to redeem fallen mankind!

That same blessed night the angelic host lit up the skies around Bethlehem with Hallelujahs — and the same night the archangel announced — **JOY TO THE WORLD** — and Peace to All Mankind!

And there is high probability it was the same archangel who nine months earlier had declared to Joseph — **“Thou shalt call His Name JESUS — for He shall SAVE HIS PEOPLE from their sins!”**

Which divine annunciation God quickened to my spirit as being synonymous with the statement — **HE SHALL HARVEST THE NATIONS** — which brings the true Message of Christmas to the very heart and core of Christ's eternal purpose in coming to this earth — **THE HARVEST!**

And the immense passion contained in that message should be the driving force of the Church — to see this great angelic proclamation of God's

unfailing **Love and Power proclaimed to all nations** — and to all people groups — including all those from Africa to Asia — and to the Philippines!

As such — I had asked the Lord to make this final overseas trip of 2023 the

**most dynamic of the Year** — so we could finish 2023 off with a bang.

But as you know — our scheduled campaign in the capital city of Negros Orientale had to be suddenly postponed and we had no choice but to shift to two other locations — which meant that **only God and His infinite Love and Power could make such a prayer come to pass!**

And He surely did — as the altar call and time of mass prayer exploded with wonderful miracles of His Saving Healing Grace — and several with **blind eyes were instantly healed — cripples walked — paralyzed and lame were made whole** — and Christ showed Himself alive by many indelible proofs!

Which miracles equated to wonderful **Christmas Gifts** to all those precious Filipinos whose hearts were stirred to reach out to Him on the huge colourful Bais City Centre Plaza grounds!

And as you shall see — **God did indeed do more in a single night** than man or religion could ever do in a lifetime — all to the glory of Christ!

**ONE MARVELLOUS NIGHT OF GRACE & GLORY IN BAIS CITY**

Now on to the festive season — for Christmas may be many things to many people — but in the heart and mind of God — Christmas — or at least the day mankind has set aside to celebrate the Birth of Jesus into this world — can be summed up in two heart-stirring words — **ETERNAL HARVEST**.

Nevertheless — as one watches the ways of the world it is **easy for even some believers to become cynical** — and to even bash the rituals and revelry which man has turned this wonderful, historic and factual event of Christ's birth into.

For who could disagree that there are many who are much more **tantalized with tinsel trees and bewitched by beautiful baubles** — festivals, feasting and folly — consumerism and the giving of gifts — than they ever have been about Christ's Birth.

But rather than cursing the darkness let us be a shining light — and turn these timeless traditions of this wayward world into marvellous opportunities to lift high the Mighty Name of Jesus!

And to **join our voices with those of the angels** that fateful night — to share the Glad Tidings — and to bring in the mighty Harvest of the Nations — which is exactly what God did in Bais City!

But with the city centre grounds only available for one night — it meant **only one night to preach** — and not much more than one week to prepare — and even then with a late start due to electrical problems with the plaza lights and stage — so I had to find a way to drive the true Message of Christmas home to the hearts of the hearers as hard, fast, relevant and powerful as possible!

As such I felt led of God to start by sharing a couple of dynamic testimonies to show how this

wonderful Christ of Christmas can still open the eyes and hearts of the hopelessly blind — and then I dove into the true Christmas Message — along with a few quick comparisons between modern day rituals and the true symbolism of that amazing event over 2000 years ago.

For instance — a big part of the season's festivities centre around the Christmas Tree — but for believers the real Christmas Tree is not adorned with red bells, balls and baubles — but stained red with the precious blood of our Redeemer — that is **the true TREE we celebrate** — or more specifically the Work Christ accomplished on that TREE which provided our eternal redemption!

As the apostle Peter declared — *“Who Himself bore our sins in His own body on the TREE, that we, having died to sins, might live for righteousness* —

**BY WHOSE STRIPES YOU WERE HEALED.”** 1 Peter 2:24

And then on to the gifts beneath the

Tree wrapped in pretty bows which everyone loves — but the true Gift of Christmas which initially came wrapped in swaddling clothes is now found at the base of God's Tree — **The Cross** — which epitomizes God's Unfailing Love, Forgiveness, Mercy, Grace and Healing!

A gift so wonderful that the Apostle Paul called it **God's Unspeakable Gift** — Indescribable Gift — too precious for the mere words of mortal man to even describe! (2 Corinthians 9:15)

And all those wonderful gifts wrapped up in the Mercy of God are exactly that — **GIFTS** — which means we can never deserve them — never be good enough in ourselves to merit them — and never have enough money to pay for them!

Part of the hungry crowd in Bais facing the huge city centre stage

They are GIFTS — **FREE GIFTS** — and a gift can only be received — **so just receive them!**

So people of Bais City — and you reading this — prepare your hearts to receive them — for in just a few minutes we are going to pray and **God is going to pour out His Spirit and His Free Gifts** and Blessings all across this huge plaza grounds.

But first — at the risk of sounding somewhat silly for a moment — there is one more item of modern day Christmas Folly we need to mention — the one who is supposedly the giver of gifts — but only to children who are good — Santa Claus!

But sorry to say — I have some bad news for you — there is **NO SANTA CLAUS** — and there is **NO EASTER BUNNY!**

But there certainly is a **LIVING LOVING**

**JESUS** who is present on these grounds — Right Here — Right Now — risen from the dead — Alive Forevermore — and ready to save and heal you!

So Santa Claus will not be coming down the chimney — but Jesus will definitely be coming into your heart by His Spirit the moment you invite Him in — coming with His Loving Grace — coming by His Eternal Spirit — and coming with Gifts for All!

And He is not coming as a Baby Jesus — as many of the traditional icons and images around town depict — nor is He coming as a Dead Jesus as many other pictures and statuettes show!

No — those historical events truly did occur long ago — but He is no longer a **BABY JESUS** — nor is He a **DEAD JESUS!**

He is the **Risen Lord of Glory** — the **Lord of The Eternal Harvest** — and He is coming by His Spirit to you right now — to change your life — to forgive your sins — to bless your home — and to heal your sick and ailing body!

With that I gave the invitation and in a mere matter of minutes the huge altar area was filled — and even most of the multitudes who had lined the huge grounds under the shelter of trees and street lights and out onto the sidewalks on every side of the plaza spilled out into the field to accept Christ — and it was truly **Harvest Time in Bais City!**

There was no deep theological preaching this night — no high-brow exegesis of scripture — just the **simplest of messages** — in fact it was by far the **shortest message I preached all year** — only

about 35 minutes including translation — but the words and the relevant analogies served to ring the bells of the people's hearts — and the unction of God's Spirit broke through to precious souls!

My simple 17 minutes of speech had been turned into the Cebuano language by my new friend and

powerful interpreter — Tessie Felicio — the president of Aglow for all of the Philippines.

And then her husband and also new friend — Pastor Lemuel Felicio — head of the Ministerial for the state of Negros Orientale — took over to interpret the mass prayer for healing.

As we cried out in unison to the Living God in mass prayer — I told the masses — **this is God's Christmas Gift to you** — eternal life — peace of mind — change of heart — blessings from on High — and healing for your physical bodies!

And in moments a multitude were wonderfully healed — for the Giver of Gifts had surely come — and the people received from on High!

So — once again — **what can God do in a single night** — read on and see the marvels of our Miracle Working Christ as He poured out His Spirit on this hungry crowd — and the platform filled with people testifying of the marvellous miracles this Christ of Christmas had poured out upon them — all in one single night!

**Interpreter Pastor Tessie Felicio and Len on stage demonstrating how to receive a Gift from God**

# Blind, Crippled, Lame & Paralyzed All Healed by the Living Christ of Christmas

**BLIND & LAME IN ONE LEG — tremendous miracle as this dear lady testified she had been blind in both eyes — instantly healed by the touch of Jesus**

**Not the slightest problem counting fingers as this dear lady can now see clear — blind in both eyes — but the Christ of Christmas had a wonderful miracle**

**No fooling this lady — as she followed my motions and immediately showed no fingers — what joy**

**But she testified was not only blind — also lame in one leg but not anymore — as she took off running**

**What a wonderful miracle — as after demonstrating God had opened her eyes she took off in a run**

**Run lady run — the Christ of Christmas has opened your blind eyes and made you every whit whole**

# Blind, Lame Leg & Acute Lung Problems Disappear in Jesus Name

This man testified he had been almost totally blind in both eyes all his life & never been able to work

But now that Jesus came into his heart his eyes are seeing good — everything “claro” now

And this old fellow got a wonderful miracle as his legs were going lame — everything now good

Marching like a goose-stepping soldier — so happy now that Jesus made him whole

She wept and wept praises to Jesus — acute asthma and could barely breathe — wonderfully healed

Sister Crystalline rejoices with her as she can now breath free and clear and all terrible pains gone

# More Lamé, Semi-Crippled & Burning Fever

This precious lady suffered a lame leg on one side and could barely walk

Now trotting freely back and forth on stage — giving praise to Jesus — the Bearer of Precious Gifts

This dear old fellow had a terrible knee crippling him — he kept saying — already healed — already healed

So excited as he trotted and ran on stage — wonderfully saved and healed by Jesus

This pretty young girl had been burning up with fever and intense pains in her chest — all gone

Another On-Fire-For-God young Filipino Christian — she declared — Nothing is Impossible with God

# Still More Crippled, Lame & Paralyzed Healed

This poor fellow was totally crippled and bent completely over for the last 8 years — not anymore

So excited as he kept marching back and forth — imagine — bent totally over to his toes for 8 years

Hands so crippled she could not move them — now she opens & closes them about 30 times in a row

Arms raised high — she repeatedly makes a fist and opens her hands wide — the wonder of our Jesus

Suffering with a stroke down one leg and side of her body plus gout — now up and walking

Miracles never cease to amaze — as this poor stroke victim is now up and walking in Jesus Name

# Blind Eye & Paralyzed From A Stroke Healed

Totally paralyzed down her right side from a stroke for the last seven (7) years — and right eye blind

The stroke completely paralyzed her one side and blinded her eye on that side at the same time

But God had instantly opened her blind eye and healed the rest of her body from effects of stroke

Touching Crystalline's nose to show what Jesus did — blind eye now seeing perfectly clear by Jesus

And then her totally paralyzed lifeless arm shot straight up in the air — everything healed

Giving praise to Jesus for her marvellous healing — as her totally paralyzed arm & legs are all healed

Plus Many More Healed — All in One Wonderful Night As the Christ of Christmas Poured Out His Gifts of Love in Bais City

# TIS THE SEASON TO GIVE THE GIFT of CHRISTMAS

**Jesus — The Gift that Counts for All Eternity**

**WE ALL LOVE TO GIVE GIFTS** — especially at Christmas — and especially to the ones we love — and that is wonderful — for we know the scripture — **“IT IS MORE BLESSED TO GIVE THAN TO RECEIVE!”**

But this Christmas I want to ask the question — **WHO DO WE REALLY LOVE THE MOST** — ourselves — we should because if we don't learn to love ourselves it is very hard to extend pure genuine love to others!

**Our Families** — absolutely — they are blood — family — kin folk — and we love to bless our families — **and our closest Friends** — of course — even if it's just a coffee or a meal together or some small token of appreciation for their camaraderie and friendship and for standing with you and for you!

But above all else — who do we really love the most — or perhaps the question should be — **WHO SHOULD WE LOVE THE MOST** — and of course the Answer is our Blessed Saviour — the One who came at Christmas to give the Greatest Gift — the One who Saved us — **our LORD JESUS CHRIST!**

So perhaps this Christmas we should **CONSIDER PUTTING JESUS** — the One who has given us all so much — **at the very TOP OF OUR GIVING LIST!**

For as wonderful and gratifying as it is to be able to bless our loved ones, families, friends and close colleagues — there is nothing so rewarding as giving back to Jesus!

Especially when we consider that we are ultimately making a choice between — **FILLING STOCKINGS** — or — **FILLING ALTARS.**

So this Christmas — bless your loved ones and friends — but don't forget to give a **GIFT for SOUL WINNING** — and to ensure your Gift is helping reach precious unreached souls — the very reason our Saviour came!

**STOCKINGS FULL — OR ALTARS FULL  
CHOOSE THE GIFT GOD CAN USE**

# Merry Christmas
