

# THE GOITRE HEALER

## DULAG PHILIPPINES

### ALTAR CALL FOR SALVATION — LEYTE PROVINCE

As usual — in between meetings on this trip which saw two more great Soul Saving Miracle Jesus Campaigns in the Philippines — I continued finishing off my now very large and loaded book on — *“How To Receive Healing From Christ.”*

And I added in a powerful extra chapter on *“Miracles and Missions”* to round it out!

As I did — the Lord laid a provocative question on my heart which I pose to all believers and to all pastors — simply put:

***“HOW COULD WE EVER PREACH THE GOSPEL OF CHRIST TO THE MASSES OVERSEAS — WITHOUT MIRACLES!”***

For it was the miracles Christ did in His ministry on earth 2000 years ago which convinced the masses then — and it is just as surely the miracles Christ does today which convince and draw the masses — **AS GOD’S METHOD HAS NOT CHANGED!**

### HUGE GOITRE INSTANTLY DISAPPEARS FROM HER NECK

Just one of several big goitres healed in Dulag — plus other growths, tumours, cancer and epilepsy **ALL TO THE GLORY OF GOD!**

# THE SCALPEL OF GOD'S SPIRIT — CUTS OUT HUGE GOITRES

Precious young Theona — describing how huge the goitre was that disappeared from her neck — now — no more life-long goitre

She wept and wept as she praised God — totally overcome with emotion — and who wouldn't be with such a great miracle

Note her hand as she shows me how big the goitre was in her neck — and you can see the shocked look on my face as well — as our Wonderful Jesus Did It Again!

## EXTREME JOY AND MANY TEARS

That was the response of this precious young lady in Dulag — as the Power of God struck her out in the crowd.

First Miracle on the First Night — and what a great way to kick off the miracle testimonies!

All her life she had suffered with a huge goitre which she indicated was the size of an orange — sticking out the side and front of her neck!

She said she had inherited it from her Granny — as Granny had one as well — but this night she inherited something much much better ...

**DIVINE HEALING  
From Her New  
HEAVENLY DADDY!**

**TAKE A MOMENT TO THINK OF WHAT AN INCREDIBLE MIRACLE THE INSTANT DISAPPEARANCE OF A LIFE LONG GOITRE REALLY IS — TRULY MIRACULOUS !**

Almost as mind-boggling as when God turns completely upside down clubfeet over — for the transformation is immediately obvious to all — and the change fully visible. Goitres are generally caused by Iodine Deficiency which causes the thyroid to over-react and sometimes other genetic problems — resulting in either an ingrown goitre which restricts breathing — or a goitre which pushes out from the neck in a horribly disfiguring manner like an orange or sometimes the size of a grapefruit — and then suddenly — by one touch of the Nail Scarred Hand of Jesus — it is gone — and everyone can see it is gone! No wonder such a miracle causes such great emotion!

Tears, Tears and More Tears — that is the sheer impact of this Life Changing Gospel

Giving God all the Praise and the Glory — another precious young Soul for Jesus

# SHEER RAW EMOTION — ANOTHER BIG GOITRE DISAPPEARS

Emotion — I love it — as shock, wonder, awe and praise are telltale signs that something truly wonderful has taken place — and it surely had

This is Diana Rose — who suffered with a huge goitre in her neck for the last three years — half inside and half outside — a terrible health condition as well as highly humiliating — but in a single moment it was completely gone — instantly dissolved by the unfathomable healing power of the Living God and His Miracle Touch! And the emotion — the non-stop tears — the praise to Jesus — one can barely fathom what such a mighty miracle means to these precious people! To God alone be All The Glory — and to you who supported this campaign financially — **you helped bring this Healing Love of Jesus to these people!**

Diana Rose shows how big the goitre had been which had been sticking out of her neck for the last three years — now totally disappeared

In awe as she worships Jesus — totally overcome with emotion — her heart bursting with gratitude — awesome wonderful powerful miracle

Look at her cry — tears streaming steady and no matter how many times she wiped her eyes — they immediately refilled with tears streaming

And finally a smile — as the tears had been flowing steady — and the big orange sized goitre completely gone — you Partner — helped put that smile on her

## THIRD GOITRE DISAPPEARS — ANOTHER HAPPY SOUL

This dear lady was so thrilled — as she was the third person to have a goitre disappear — and like the others — totally gone in Jesus Mighty Name

And still another goitre that was instantly healed — this was the very first testimony on the final night — as God had removed yet a third big goitre just in this one Filipino campaign alone!

The growth in this dear lady's neck was not as big as the other two who were healed — but it was still more than the size of a golf ball and had seriously impeded her ability to swallow as well as her breathing — and it was steadily growing — but not anymore!

One touch from the Miracle Jesus and it was gone! I don't know why there are so many women suffering with goitres in the Philippines — but almost every campaign I have conducted in this country is the same — and one of the most remarkable and emotionally charged miracles is the disappearance of these cursed goitres — Thank You Jesus!

Here she is describing how big the goitre was — a little over the size of a golf ball — inside her neck and partially protruding outside — all gone

Totally elated — and no more fear of that horrible growth developing into something much bigger and more dangerous — thank You Jesus

## DOUBLE BREAST CANCER & BIG TUMOURS — ALL GONE

Marvellous Jesus — as this lady describes how both her breasts were filled with cancer and also filled with many tumours and lumps — all disappeared

This precious old lady is Letia Arkas who came with cancer in both breasts — and each breast filled with tumours and lumps — but it had all suddenly disappeared as I led that first night crowd in a mass prayer — first for salvation — and then for healing!

Letia's breasts had been filled with intense pain — and the pain went all the way up her chest right to her neck and shoulders — but when Jesus — the Great Physician touched her — this Mighty One whom the Bible states — *"carried our sicknesses"* — also — *"bore our pains."* Isaiah 53:4

And all the pain was gone — and the tumours and big lumps — and she rubbed and squeezed her breasts many times — no more lumps — no more tumours — no more pain — and of course we know the doctor will say — No More Cancer — Marvellous Jesus — You never fail to amaze us with Your Love and Power!

She squeezed her breasts over and over — all the excruciating pain and all the lumps and tumours were completely gone — amazing miracle

My interpreter this first night — a Presbyterian pastor — was rightly amazed — as was this elderly lady who experienced such a tremendous miracle

## EYES, LAME LIMBS & OTHER AFFLICTIONS — ALL HEALED

This dear lady was amazed and wept many tears as she testified of how Jesus touched her and healed her eyes — not blind but failing eyes and

Look at the joy on her face — and tears in her eyes — as she praises the Lord for His wonderful touch

This chap Manuel Pedigo came full of pain and serious leg problems — now freely jigging on stage — healed, saved and heart surrendered to Jesus

Look at that man's grin — completely paralyzed down one side from a bad stroke — and now his leg is working and he is up walking and praising God

**You had to love this fellow who came with a lame arm which would not raise at all — and now happily thrusting it high in the air in Jesus Name**

**Rejoicing in the goodness of God — He praises Jesus for His Healing Touch — not only healed but another one who gave his heart to Christ**

**And another fellow with a lame arm which he could not raise — but now punching the air like a boxer and so thrilled that Christ made him whole**

**That big grin says it all — and both arms straight up in the air over and over — including the arm which had been lame, painful and would not rise before**

**Only the Miracle Touch of the Master can put such big beautiful grins on the faces of such people — healed of asthma and lung problems and the cough**

**And here is another filled with joy as she jigs on the stage — her semi-crippled very painful legs working fine — Great is the Lord and greatly to be praised**

# EPILEPSY HEALED — COMPLETELY GONE IN JESUS NAME

20 YEARS OF EPILEPSY COMPLETELY GONE — IMAGINE THE MARVELLOUS CHANGE IN HER LIFE

Praisey telling how she suffered and how Jesus healed her the very first night — no more seizures

This is **PRAISEY I'ORROE** — who suffered with severe epilepsy and constant seizures since she was 9 years old — 20 horrible years of suffering with epilepsy and constant fits many times a day — and she was healed the very first night — but like so many Filipinos she was too shy to come forward — and just as well!

As on the final night she testified saying — **BECAUSE THE EPILEPSY DOES NOT COME ANYMORE I WANT TO COME AND PRAISE GOD!**

Look at the sheer joy on her face — and the thrill of my fiery interpreter AOG Pastor Noe Macabus — and the joy splashed across my face as well — as no matter how much I see Jesus do — **GOD'S MARVELLOUS MIRACLES NEVER CEASE TO AMAZE ME !!!**

She said — the Epilepsy doesn't come anymore — so I came to praise God

What a marvellous Jesus — to God be all the Glory

**26 PASTORS FROM DULAG & AREA PLUS MY HEAD FILIPINO COORDINATORS — BHEL & JEDA BRUFAL**  
As the chief local coordinator — AOG Pastor Lemuel Matiga stated — it was a tremendous campaign — first ever mass miracle crusade in Dulag — and we had **UNITY** amongst all the churches for the first time — Jesus did lots of wonderful **MIRACLES** — great **PREACHING** of THE WORD — and **MANY SOULS SAVED**

Part of the crowd on the field — reaching out to Jesus in anticipation of a mighty Visitation of His Spirit — and come the Lord surely did — as many wonderful miracles of healing took place — there was Unity in the Camp — and thousands more precious Filipino souls not only saw the Power of God in action for the first time in their lives — but also readily and eagerly surrendered their hearts to Christ as their Lord and Saviour

# EASTER ANALOGY FROM THE DULAG LOCATION OF GENERAL MCARTHUR'S RETURN LANDING

Do you remember the history of WW2 — Dulag turned out to be a great place to get a reminder of some of it — as this was the location where General MaCarthur fulfilled his — PROMISE TO RETURN!

The Lord laid on my heart an interesting analogy of what happened at this location — for as the war with Hitler was raging on in Europe as well as in Africa and on into Russia — the Japanese attacked Pearl Harbour — and then they took the entire Philippines.

General MaCarthur was in command of the Southwest Pacific Theatre of War — the naval department and he was initially defeated in the Philippines in 1942 — and had to flee and the Philippines would be under brutal Japanese occupation for the next three years!

But MaCarthur sent word

that he would return — and 3 years later he did come back — in 1945 — near the end of the war — and the Japanese were routed — and MaCarthur announced that — ALL THE PHILIPPINES HAD BEEN LIBERATED!

Now for just a moment let's look at this wartime story from the aspect of spiritual analogy — as MaCarther was initially defeated and left — and Jesus was crucified and buried! It looked like MaCarther and America had lost the battle — and it looked like Jesus lost the battle — and the enemy would roughshod rule the world! But MacArthur said he would return — and Jesus said He would rise!

JOINING THE TROOPS & COMMANDOS & GUERILLA FIGHTERS — DOES IT LOOK LIKE WE FIT IN

Three years later MaCarthur did return — and it was a huge VICTORY — in fact he landed right here in Dulag — this time as a VICTOR! And it was here in Dulag we just witnessed the Spirit of Jesus come again in Power — and it was sheer VICTORY!

Jesus said He would return — but He was crucified — and for three days it looked like the devil had won — but three days later He rose from the dead — triumphant over Death Hell and the Grave — as He returned from the dead — the Eternal Victor — having trounced the enemy of both God and man real good!

MaCarthur announced — all of the Philippines has been liberated! Jesus announced — IT IS FINISHED — the enemy is vanquished — defeated — and stripped — and the Entire World has been LIBERATED through the Work of the Cross!

And that same Jesus said He will return yet again — next time as the mighty — KING OF KINGS — the Eternal Victor — for the Final Liberation — but in the meantime we are still in a spiritual battle — so keep fighting the — GOOD FIGHT OF FAITH — knowing that we are — MORE THAN CONQUERORS — through Him who sacrificed Himself for us! Hallelujah!

So this EASTER — take up your spiritual weapons and join the battle — and note the mock-up figurines in the MaCarthur Landing Museum — American

troops — Filipino troops — and even a “mean looking” dangerous dynamite-packing Filipino lady Guerrilla Fighter.

And those women were formidable in the battle for the Philippines — fighting for Home, Family and Freedom — so Ladies — if you women can fight frontline battles in guerrilla trenches in the jungle in a physical war — you can just as surely fight, pray, preach and partake in this Spiritual War — for Christ has enlisted us all — men and women alike!!

And this Easter — let’s remember the words of Jesus — “I SHALL RETURN” — and He surely will. He returned from the Grave the first time — and He will just as surely return for us at the appointed time!

But until that Final Day comes — and until the Final Trumpet blows — let us all be about the — “MASTER’S BUSINESS” — and we must never be satisfied until we can declare as MaCarthur did — all of the Philippines has been liberated!

Or as Christ intended us to accomplish — ALL OF THE WORLD HAS BEEN LIBERATED — for we are still in a life and death battle for souls — and there are still many captives — Millions — yea Billions — who still need to be liberated in Jesus Name! So join me — and let’s go do some more LIBERATING in Jesus Name — before He makes His Final Return!
