# AMAZING MIRACLE FOR GINA PANDAN CALABWAYNA MASSIVE BEACHBALL-SIZED BELLY SHRINKS BY AT LEAST 12 INCHES

GINA'S WILD ECSTATIC SHOUTS OF PRAISE TO JESUS BROUGHT TEARS TO MANY MANY EYES

TRANSFORMATION — SHEER JOY FOR JESUS

**Wow Wow Wow** — here is another one of those mighty miracles of God which just makes you shake your head in awe and say — **LORD JESUS — YOU DID IT AGAIN!**

Gina was amongst a number of people mightily touched by God the first night of the Dumaguete campaign — as she came on stage with one of the **biggest bloated beach-ball bellies** I have ever seen — a good one-and-a-half times bigger than any beachball I have ever seen.

Despite the fact she looked like she was 10 months pregnant and about to burst any moment — she said her doctors had done ultrasounds and tests and could see nothing inside!

But this night as God touched her — suddenly she could feel something moving and turning around inside her belly as though it was a baby moving around.

**NOTE THE SIZE OF GINA'S BIG SWOLLEN BELLY FRIDAY NIGHT AS SHE CAME UP TO TESTIFY — AND THIS DOES NOT EVEN SHOW SIDE VIEW**

**SEE THE VAST DIFFERENCE IN HER BELLY AS SHE TESTIFIES 3RD TIME ON SUNDAY NIGHT — MASSIVE MIRACULOUS DIFFERENCE**

When Gina Calabwayna said God touched her and she felt something moving around inside her the first night — even though the doctors could detect absolutely **no baby inside her** — I immediately said — either God has raised another dead baby inside the womb and you will give birth to a perfectly healthy little one — which I have seen the Lord do several times!

Or God is delivering you of a demon spirit and **your huge belly will just shrink right down** by the power of Jesus — which I have also seen God do on numerous occasions!

And for Gina — it was definitely the latter — as she came back Tuesday absolutely ecstatic — her

massive belly already shrunk down by a good **8-10 inches from the night before!**

Exactly as I had posted that night on Facebook — that one of those two results would surely be — for I have seen this happen many many times!

The Spirit of God hit her like fire the moment she began to testify — and she was literally engulfed in the Holy Spirit — as **she shrieked and cried and wailed praises to God** — crying out with wild shouts of joy and intense gratitude — JESUS — THANK YOU JESUS — WONDERFUL JESUS!

Tears coursed like rivers down her cheeks — hands raised high in the air — totally overcome by the Spirit of God — crying, clapping and wailing praises to the Lord — the presence of Jesus so powerful it brought tears to the eyes of many in the crowd all across that huge field — and even to the eyes of my cameraman on stage — Mark Oleksiuk!

Finally she was able to compose herself enough to relate what had happened!

As in the middle of the night the churning and turning which had suddenly started during mass prayer the night before which she said felt like a baby moving inside — had caused her to go to the **bathroom many many many times** all through the night — so many times she could not count!

**GINA TESTIFIES SATURDAY NIGHT WITH EXTREME EMOTION — BELLY IS DOWN ABOUT 10 INCHES AND MUCH MORE WILL GO**

**LOOK AT THAT BELLY NOW — MIRACULOUSLY SHRUNK DOWN BY AT LEAS 12 - 14 INCHES NOW**

**AND HER FRIENDS ARE SAYING — I SEE YOU ALREADY HAD YOUR BABY!!!**

**AND A BIG HEARTFELT HUG FOR THE PREACHER — BUT ALL THE PRAISE GOES TO JESUS**

And every time Gina went to the bathroom she said masses of yucky stuff would come out looking like putrid — **THICK YELLOW OIL** — so many times she could not even count — but the more that putrid yellow oil dumped out of her — the more her massive bloated belly went down!

It was amazing to see the difference overnight — and the sheer ecstasy of her delight in Jesus was so moving — but she said God was still working on her belly and she could still feel movement!

And then came the grande finale Sunday night — as Gina was on stage for the third time — utterly thrilled and twirling around for joy — her belly now down even more — still a very big woman — but her belly virtually flattered out — the huge belly which had bulged out all around her girth now gone — and she was exuding pure delight in Jesus to the claps and cheers of the crowd!

How utterly thrilled and excited this precious woman was who had come as a precious **CATHOLIC** — but was now exalting and praising no one except the **LORD JESUS CHRIST**.

The One who had saved her — the One who had healed her — the One who had delivered her — and the One she was now praising as her own marvellous Lord, Saviour, Healer and King!

And here is the best part — as there was so much readily visible difference in her belly — now shrunk down by at least 12-14 inches — that all of her friends who like everyone else had thought she was indeed pregnant — were now saying — **I SEE YOU HAVE ALREADY DELIVERED THE BABY!**

But there was No Baby Delivery — instead there had been an amazing Deliverance and Healing — coupled with a dramatic conversion to true faith and overwhelming belief in the Living Christ!

Thus — it matters not how doctors or medical practitioners may try to explain what happened — or how theologians may attempt to explain the ways of the Spirit of God — one thing was certain and everyone present in Dumaguete knew it!

Jesus Christ had done a **Revolutionary Miracle** in this dear woman's life — and her visibly shrunk belly was living proof that Christ was indeed **ALIVE AND WELL IN DUMAGUETE!**

NIGHT #1 — ALTAR CALL ON THE BEAUTIFUL PANTAWAN BOULEVARD PEOPLE'S PARK POINT

CANCER TUMOURS THROUGHOUT BOTH BREASTS ALL GONE

LATETIA PRAISING GOD — NO PAIN, NO LUMPS, NO CANCER

## MIRACLE FOR LETITIA TUMOURS GONE

The very first lady to testify the first night was Letitia — who had suffered with **cancer in both breasts** — and many **big painful lumps in both breasts** — as well as intense pain which ran right up the entire front of her chest.

But one simple touch from Jesus and **all the lumps were instantly gone** — no more pain — and she was overcome with deep emotion — crying and praising God for the Loving Touch of Jesus!

Letitia was a true believer in Christ — and her pastor — James Macahiga — one of the key local coordinators said to me:

What a powerful meeting — and that first lady to testify who had all the lumps and cancer in her breasts is a member of our church.

We have prayed for her many many times — but tonight was her night — and God has wonderfully healed her!

# A FEW MIRACLES FROM NIGHT #2

WHAT A PRECIOUS LADY — AND WHAT A DEMONSTRATION OF DETERMINED FAITH

This was the first testimony on the second night — and little wonder this lady is so ecstatic for such a wonderful miracle!

This precious woman had been in a bad motorcycle accident and could barely walk because her leg and foot were so badly damaged -- but when she **heard on the radio** that there was a miracle campaign in Dumaguete — and God was healing people — she **bought a bus ticket** and came early!

Are you ready for this — she had to come a long distance by bus — reaching the grounds at 12:00 noon — where she waited for the **next 7 hours in the hot sun** until the campaign started — no wonder God gave her such a wonderful miracle — as her leg was instantly healed and made whole!

Look at the **sheer joy on her face** as she received the exact wonderful miracle she came for — and was now beaming and rejoicing as she joyfully trotted back and forth on stage — grinning from ear to ear!
