**SHINES BRIGHTEST IN THE DARKNESS**

# PENETRATING THE DARKNESS

What do you do when you pray a mass prayer for healing and only a few are healed but nothing notable happens — do you say — “*Se Sera Sera*” — I guess it’s not God’s Will to heal in this town — or do you dig into your arsenal of spiritual weapons and fight to beat back the darkness!

Which is why I am always amazed at how many Canadian Christians think miracles just automatically happen overseas — and then inadvertently dismiss their own lack of results in Canada by stating it is because we in the West are simply too rational or analytical to consistently experience the miraculous — as though such thinking exempted us from our responsibility to stand firmly on the promises of God!

But the truth be known there is a — **Veil of Darkness** — prevalent everywhere — which must be penetrated and broken through — be that veil outright demonic as is often the case overseas — or be it the result of our ingrained church traditions and worldly thinking or simply wrong or inaccurate spiritual teachings!

In the final analysis — it all comes down to the realm of the Spirit — and the seasoned preacher knows it is none other than Christ Himself — **The True Light of Heaven** — who can and surely will break through this thick covering veil of spiritual darkness.

**A SMALL PORTION OF THE ALTAR CALL THE FINAL NIGHT WITH ONLY ONE LIGHT FROM THE STAGE TO LIGHT ONE SIDE OF THE FIELD**

Thank God — as for those experienced in His Word — even in such situations we can use — “**great boldness of speech**” — as the apostle Paul stated in 2 Corinthians 3:12 — because we know that their — “**minds are blinded**” — and that — “**a veil lies on their hearts**” — in essence it is gross spiritual darkness which is covering the eyes, hearts and minds of people — and even though they may not initially understand or comprehend the power and presence of the Lord — it is our job and God-given responsibility to help them break through.

For as Paul further states — “**when one turns to the Lord the veil is taken away**” — and once the veil has been removed which — “**veil has been removed in Christ**” — then the transforming power and glory of God will be manifested and miracles will begin to flow!

Suffice it to say that some campaigns start with a literal explosion of miracles from the very first night — while others are a fierce battle!

And Bwayle was one of those tougher campaigns — difficult to get the breakthrough — an intense battle from night one — as we could literally feel the veil of gross darkness and spiritual blindness which covered many of the hearts and minds of the people — but as the true message of Christ and the real purpose of the Christmas story portray — Jesus came to this earth to shine the true “**Light of Heaven**” into the hearts of people — anywhere and everywhere — no exceptions!

And in such situations there is only one true Key to Breakthrough — **KEEP SHINING THE LIGHT** — keep pounding out the Promises of God — and boldly **challenge the darkness** — for no matter how black or how thick the veil — darkness has no choice but to flee — and no matter how dark the night — the Day Star will always break through!

And so it was in Bwayle — for even though the response to the altar call to accept Christ as Lord and Saviour every night was tremendous — when it came to healing — especially by mass prayer — the heavy darkness over the region had to be violently beat back!

# BREAKTHROUGH

Which is where we must employ some of our most trusted weapons — absolute assurance that we have been filled with — **POWER FROM ON HIGH** — coupled with unwavering reliance in the — **DIVINE AUTHORITY** — which has been bestowed upon us in the Name of Jesus — and the concrete knowledge that we are indwelt with the **ETERNAL ONE'S PRESENCE**.

With that deep seated assurance — the very first night I called for the deaf and blind to come up on the stage — if they could not yet receive by mass prayer — rather than give up I would resort to an alternative method — and as Paul stated — use — **“great boldness of speech”** — by challenging the crowd to believe as we put God and His Word on display!

The first to come was a 10 year old boy — Roculo — totally deaf in his ear since birth — and God instantly healed him and the crowd erupted in amazement and praise!

The next was an old blind fellow — led up onto the stage — and once again I challenged the crowd — do you believe the Living Christ will open these blind eyes — and in moments the old fellow was pointing out people in the crowd — marvellously healed and seeing good by Jesus — and the Bwayle campaign was underway!

By the third night — the oppression had been thoroughly shattered — the rampant sense of witchcraft broke off as many demonized were set free — and the spiritual veil over people's eyes removed — as God broke through in the realm of the Spirit!

Here are just a few of the miracles God did in Bwayle — as deaf, blind, crippled and growths were healed — and thousands came to receive Christ as Lord and Saviour!

Many more miracles took place — even as Pastor Stephen reported — like the lady who was crippled and totally bedridden for the last year — carried to the campaign — and Monday morning was up completely healed — as the True Light broke through!

Ruculo Love Emmanuel — 10 years old — totally deaf in his right ear from birth — I challenged the crowd & prayed

Ruculo's ear popped open and he repeats every whisper — and then when I said — God Is Alive In Bwayle — he repeated it without hesitation and the crowd roared — God was breaking through with miracle love in Bwayle

How thrilled young Ruculo was — and how the crowd cheered Jesus — He was indeed Alive and Well in Bwayle

# BE BOLD IN GOD & THE LIGHT WILL SHINE

Then I stepped into the next level of faith and called for the blind — but there was only one in the crowd which was this old fellow who they led forward onto the stage — totally blind in one eye and just about totally blind in the other — but God was faithful and popped open his eyes — and as he started pointing out different people in the crowd — the people went wild with praise — and they knew — God was truly breaking through in the town of Bwayle

Those first two miracles — for both of which I boldly challenged the crowd stating God was going to heal them — paved the way for many more marvellous healings — like this girl who was losing her sight — but now could spot her brother far out in the crowd — and more shouts of praise followed

## BE BOLD

If you truly want to see God break through you must be bold — you must challenge the people — and at the same time put God and His Word on the spot — after all — you are not the Healer — God is — so be bold and with full reliance upon Him and His Word — challenge the devil and disease publicly.

That is what Elijah did on Mount Carmel and we all know the One who sent fire!

As the prophet said — Let the God who answers by fire — let Him be God!

That is the type of confidence and boldness we all need in God if we are to break through the darkness and see genuine revival — whether it be at home or abroad — for God is the same everywhere — and it is time we all learned who God really is in us — and who we are in Him — and that His Infallible Word will never fail anywhere!

**THEN MIRACLES FLOWED FREELY AS SEEN THE FINAL NIGHT  
ONCE THE LIGHT OF CHRIST HAD PENETRATED THE DARKNESS**

**This girl suffered from a growth in her neck and throat which made it extremely difficult to even breath — so happy breathing easy as the growth has disappeared from her neck**

**This lady's wrists and hands were half immobilized due to extreme pain and serious swelling — all instantly healed**

**This lady had a swelled up growth all across one side of her chest above her breast — in constant pain, fear and inability to breathe — instantly totally gone in Jesus Name**

**And another totally deaf ear pops open much to her immense joy in Jesus**

**Another of many totally deaf ears instantly popped open and hearing every whisper and sound in Jesus Holy Name**

**This now delighted lady came with a lame arm and leg down one side — so happy as she ran back and forth on stage and whirled around completely healed by Jesus — the Saving Light of the World**

# VIENTIANE LAOS

## SO MANY UNREACHED PEOPLE GROUPS STILL TO REACH FOR JESUS

One of several meetings I held with Rev Saykham — head of the Laos Evangelical Fellowship — the only Christian organization approved by the Communist Government of Laos — presenting him with a copy of my new book — How To Receive Healing From Christ — which he was totally amazed by and urgently wants translated into the Laos language — and for me to hold a mass outdoor miracle crusade for all the lost searching souls of Laos — especially since I took him and a number of the Laotian pastors out for dinner and several were healed including his sick wife to whom I sent the Word of God at home

The main Golden Buddhist Temple of Laos in the capital city of Vientiane — where only about 1% are Christian — the rest primarily Buddhist and Tao animists — and the vast majority of the nation has never even heard about Jesus — this is why Missions are so important — why we run so hard to the nations — but sadly less than 1% of all Canadian churches have a missions budget or program — totally negating the command of Christ to take this marvellous Life Changing Gospel of Christ to the nations — THANK GOD FOR YOU — one of the devoted one percent !!!

## DIED FOR 40 MINUTES — RAISED FROM THE DEAD BY PRAYER WHILE WE WERE IN LAOS

While we were in Laos Pastor Saykham received a call — a Christian girl he knew in a nearby town had been sent home to die — a massive cancerous growth protruding out of her neck and no hope at all in the natural — but being as he had read the first half of my book he asked me to send the Healing Word of God to her — which I did but she could not even talk and looked so utterly pitiful and hopeless — an hour later the family called back — she had died five minutes after prayer and they all knew she was firmly dead — but 40 minutes later she came back to life — and 2 hours later I prayed with her again — now talking and eating and feeling much better — and she said after I prayed for her and spoke the Word of God she laid down thinking the Promise I had prayed — I SHALL NOT DIE BUT LIVE AND BRING GLORY TO THE LORD — and despite the fact she died — she had come back to life and was on the mend — since then I checked again and again on her condition — steadily growing better and stronger — eating more and now speaking — and as I send this out I checked again — all glory to our Living Christ who still raises the dead !!!
