THE JOY OF JESUS

ONE FINAL GREAT ALTER CALL TO FINISH OFF 2024 FOR JESUS

IT'S CHRISTMAS — A WONDERFUL TIME OF THE YEAR — AND A MARVELLOUS TIME OF — “GLAD TIDINGS AND GREAT JOY TO ALL PEOPLE” — ESPECIALLY WHEN ONE IS NOT ONLY CELEBRATING BUT PARTICIPATING IN — “THE REAL REASON FOR THE SEASON!”

Of course I know there are many — even many Christians — who refuse to enter in as they are busy bantering about how Christmas has been turned into little more than a commercialized venture — or the date of Christ's birth which they claim was not in December — or that it is a pagan holiday that has simply been Christianized!

But I for one will not let those arguments nor any others — regardless of what merit they may or may not have — deter me from magnifying Christ and one of the greatest events which ever took place — namely the Birth of our Blessed Saviour into this world — regardless what day or month it really was!

Which brings to mind a question I have often pondered — **what is — or what was — the Greatest Miracle to ever take place!**

Was it the resurrection of Christ from the dead after He had been crucified and laid in the tomb for three days and three nights — or was it His birth into this world — when God laid aside His glory, power and majesty — left the splendour of heaven — and robed Himself in human flesh as a tiny Heavenly Seed inside a virgin's womb.

Think about it for a moment — as we all tend to

think of the Resurrection of Christ as the greatest of all miracles — and we preach the same — including and especially me — for the Resurrection of Christ is the bedrock of our salvation — the core of our faith — that one single most profound, most stupendous, most earth-shattering, devil-destroying event which separates true Christianity from all the religions of the world.

Simply stated — **OUR SAVIOUR LIVES** — He rose from the dead — He was glorified — He is alive and triumphant over death, hell and the grave forevermore — a well substantiated fact He proves over and over through His manifest Love, Presence, Power and Miraculous Intervention in human lives each and every day!

Nevertheless — I must ask the question again — **was the resurrection truly the greatest miracle that ever took place** — and as I pondered this question on the foreign field these last few

days — I must declare — as surprising as it may sound — I no longer believe so!

For **had there been no Virgin Birth** of the Promised Messiah into this world — there would have been no revealing of the Father — no Gospels to be written — no death of our Saviour in our place — and certainly no resurrection!

Now let us think for a moment **what the entry of Christ into this world really involved** — and how it was determined before the world was even created — for as John the Baptist declared — Christ was and still is — *“the Lamb of God that takes away the sins of the world.”* John 1:29

**WHAT WAS THE
GREATEST MIRACLE
TO EVER TAKE PLACE**

And wonder of wonders — God had determined it long before you or I or this world was ever formed — as the apostle Paul would later state by the Spirit that we have been redeemed by — *“the precious blood of Christ, as of a lamb without blemish and without spot”* — and then goes on to state that He was — **“foreordained before the foundation of the world!”** 1 Peter 1:19-20

We all rightly revel in this marvellous truth — that God so loved you and me that He would send His Son to die in our place — securing our eternal salvation — saving us from our sins — and one could just as surely say — saving us from ourselves — how glorious such salvation and what **JOY** it brings to our hearts!

But back to the principle question — was the Resurrection of Christ really the greatest miracle God performed — and as I pondered that query this Christmas I realized I no longer believe it was!

For as great as the resurrection was — there was one greater — **a miracle so profound it should truly boggle our minds with the immense amount of love God must have for all humanity** — including the millions upon millions of lost searching souls who have not yet heard the Gospel — not even once!

And that is the miracle of the **VIRGIN BIRTH** — when God in all His Foresight, Wisdom, Love, Glory, Grace and Goodness determined the time had come for His Son — our Saviour — by His Spirit — to enter the womb of a precious little virgin gal by the name of Mary!

In essence — God who fills the heavens and fills the earth — shrunk Himself down so small, so minute and so vulnerable that He became the fulfillment of the Promised Seed — the Incarnate One — and went through the entire incubation process in the womb of Mary — was born as a Babe in Bethlehem in the prophetic Tower of the Flock — and emerged into this world 100% sinless man — and yet 100% God — for the express purpose of redeeming all mankind!

One can easily imagine the shock and amazement of the Virgin Mary at the annunciation made by the

angel Gabriel — *“Behold, **you will conceive** in your womb and bring forth a Son, and shall call His name Jesus.”* Luke 1:31

Her response was exactly the same as most of us when confronted with the bold proclamations of miraculous intervention by God — **“How can this be, since I do not know a man?”** Luke 1:34

The angel’s answer portrays a vital key to all miracles right to this day — a phenomenal truth which is imperative everywhere — especially when preaching to the hungry hurting masses on the foreign field — and when praying mass prayers.

“The Holy Spirit will come upon you, and the power of the Highest will overshadow you; therefore, also, that Holy One who is to be born will be **called the Son of God.”** Luke 1:35

For anything and everything of any merit or worth done for or with or by God today takes place through the exact same means — none other than the **tangible ever-present Spirit of the Living God** — exactly the same as every miracle I have seen God perform here in Canada or on the foreign field over the last almost 48 years — it is all God — start to finish — for there is simply no other Miracle Worker!

Thus to answer this intriguing question — which was the greatest miracle ever to take place — we know and we preach that had there been no resurrection there would be no miracles — no Gospels — no redemption — and no salvation — and as Paul said — we would be — *“of all men most pitiable!”* 1 Corinthians 15:19

Nevertheless — if we take these most basic and fundamental Gospel Truths back just one integral miraculous step — **had there been no Virgin Birth** — no divine entry of the Spirit of God into the virgin womb of Mary — there would be no Gospel message at all.

No Incarnate One — no Saviour — not even for those faithful Israelites of Old who had symbolically and ceremoniously awaited and longed for the Coming Messiah!

WHEN GOD BECAME MAN TO TAKE OUR PLACE ON THE CROSS

So with that little backdrop — let's return to our topic of celebrating Christmas — and the joyous spirit and goodwill which should pervade every part of our lives and every motive we have — not only at Christmas but every day of every year!

For Christmas is not only about the annunciation of Gabriel to Mary — as marvellous as that was — but another resounding proclamation which is even more far reaching — spoken by an angel to a field full of shepherd priests at the birth of Christ.

*"I bring you **GOOD TIDINGS** of **GREAT JOY** which will be to **ALL PEOPLE**." Luke 2:10*

*"For there is born to you this day in the city of David a **Savior, who is Christ the Lord**. And this will be the sign to you: You will find a Babe wrapped in swaddling cloths, lying in a manger." Luke 2:11-12*

Of course — this is the heart and core of the entire Christmas story — all wrapped up in this earth-shattering, devil-destroying, Christ exalting declaration — the sweetest words mortal man could ever hear!

But how often do most people today — including the majority of Christians — forget the principle audience who were meant to hear this divine declaration of — **GLAD TIDINGS AND GREAT JOY** — which was to be — **TO ALL PEOPLE**.

Don't get me wrong — most of today's Christians certainly know how to sing about the angels declaration — as they rejoice and revel in their Christmas sing-alongs, banquets, pageants and extravaganzas — which is wonderful — as they rejoice in the season — and some even rejoice in the reason — all of which is delightful — and I have no argument with such festivities as it is truly a most marvellous time of the year.

But sadly — in fact tragically — most completely forget that these Glad Tidings and Great Joy that comes with the message of the Birth of Christ is meant for — **ALL PEOPLE** — not just those within the four walls of their church — or even just those in their community!

As further evidenced when the skies suddenly came ablaze with a heavenly host and the melodic voices of that angelic choir rolled across the skies with praise and exaltation — and divine direction.

*"Glory to God in the highest, And **ON EARTH** — **PEACE, GOODWILL** toward **ALL MEN!**" Luke 2:14*

Note again — the angel's divine announcement on that first Christmas was emphatic — this miraculous Birth and the Peace and Goodwill of the Saviour they heralded was for — **ALL MEN!**

Just as surely as the **JOY OF CHRIST** which accompanies salvation is for all — not just those who attend your church, your circle of friends or your believer's conferences — but is meant to be shared with the entire world — and especially with those who have not yet heard!

GOOD TIDINGS OF GREAT JOY TO ALL PEOPLE

Which leads me to the reason I am overseas as Christmas draws nigh — thinking of those back in Canada — all the feasting and fellowship one could be enjoying — the good times with family and loved ones — the Christmas concerts and fanfare one could be partaking in.

But instead — **I am still overseas** — not just partaking of the season's fun and folly and frolicking — but fully participating in the very reason Christ came to this world.

And to lift my voice along with the angels who filled the skies of that Shepherd's Field outside Bethlehem so long ago — and to **herald the Good News, the Glad Tidings and the Great Joy of Jesus** — in campaign after campaign after campaign — to multiplied thousands upon thousands who have never yet heard!

And believe me — even in those times when we sit in our room late at night after service — eating nothing but tinned sardines and bare bread — or drinking the most brackish foul tasting coffee imaginable — or bouncing for hours and hours and hours down rough roads to get to the next campaign — **IT IS STILL JOY** — for I know these little sacrifices we make for ministry carry a rich reward — both now and for eternity!

So as wonderful and joyous as it would be to be home at this time of year with family, friends and loved ones — which my natural human side often yearns for — there is another kind of JOY that comes with doing the **FATHER'S BUSINESS** — and it is priceless!

Especially when you get to witness every night in every meeting — the **UNSPEAKABLE JOY and RAPTUREOUS DELIGHT** which hits the crowd — as those who once sat in darkness grasp hold of the Message of Christ's Great Love and the true Reason He Came.

And then Miracle Power From On High hits the crowd — as the exact same Spirit which came upon the Virgin Mary — comes upon the masses.

Which phenomena was evidenced over and over yet again during these three nights in the Mubende Uganda town centre field — **which joy is vividly captured in some of the images** of those on stage who were instantly, miraculously and wonderfully healed and delivered of various afflictions — right in the mass prayer — with no man or human instrument touching them!

In essence — the Spirit of Christ — or one could reiterate and say the True Spirit of Christmas — came upon them!

So let's draw this little bit of Christmas musing to a close by asking the principle question one more time — what is **the greatest miracle** to ever take place in this world — and **the final answer may shock some!**

For we know the resurrection of Christ ranks right at or near the very top — for it is the bedrock of our salvation — no resurrection — no Good News!

And as we have seen — the Virgin Birth is even more profound — for more than anything it exemplified the Love of God for all humanity — for God to humble Himself to such degree that He would take upon Himself human flesh — literally become one of us — to die in our place — as no Incarnate Son would mean no Divine Deliverer!

But do you realize that because of these two

marvellous almost humanly inexplicable miracles — there is yet another even greater miracle that is universally available today.

I speak of the — **NEW BIRTH** — the cleansing and regeneration of the human spirit — as Christ Himself takes up residence within us — awakening us to righteousness and eternal life with Him!

And if we think the mighty miracle which took place when God entered the womb of Mary in order to manifest Himself in this world at that time was mind-blowing — consider how great this miracle of the **NEW BIRTH** really is!

Where God throws wide an open door to all — simply call on His Name and He will turn your mortal flesh into His Divine Temple — His Dwelling Place — and the Eternal One will take up residence — not just in one chosen virgin gal — but in each and every person who calls upon His Name!

Now that is truly — **GOOD NEWS — GLAD TIDINGS — JOY TO ALL PEOPLE** — and that my friend is how I see the Christmas Season — regardless what day or month Christ was really born on — the key fact is He came into this world — and He is still coming by His Spirit — to all who will receive Him and make room in the inn of their hearts for Him!

So I rejoice in Christmas — festivities and all — and by God's Grace I will make it home for Christmas to enjoy turkey dinner with loved ones — but in the meantime I am staying busy — not just celebrating Christmas — but fully participating in the true Christmas Message!

CHRIST THE SAVIOUR IS BORN — and that marvellous message is still going out to all the people I can possibly reach for Jesus!

Now I need to ask you — do you want to just celebrate or partake of Christmas — or do you want to fully participate in the Christmas Message.

If so — please be generous and remember all our upcoming missions outreaches — there are so many to reach — so let us do what the angels instructed — and bring **GREAT JOY TO ALL**

**THE GREATEST
MIRACLE AVAILABLE
TO ALL TODAY**

JOY TO THE WORLD

LAME 2 YEARS – COULD NOT EVEN STAND UP

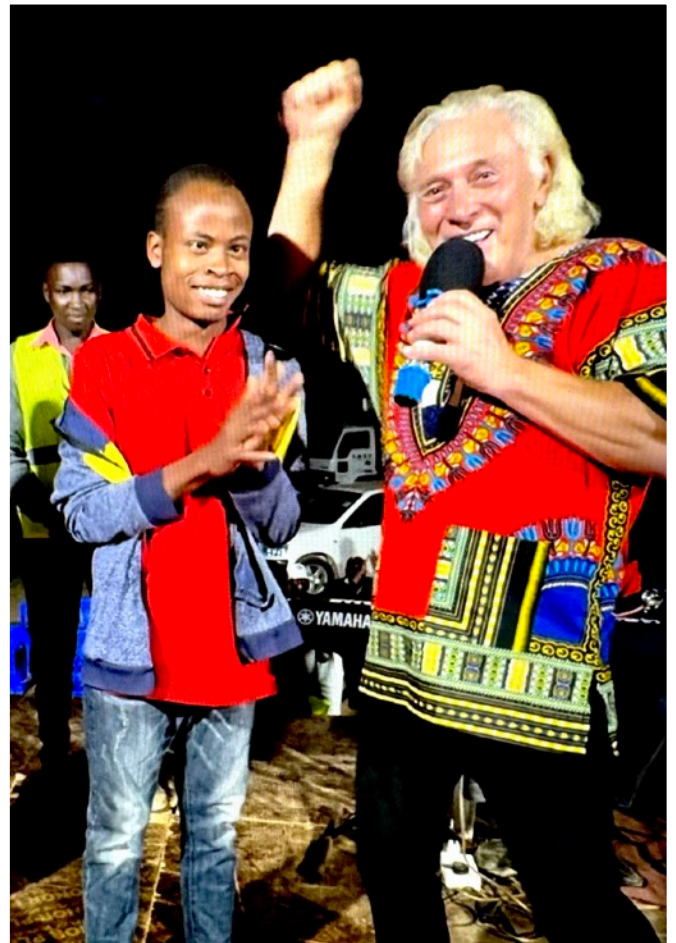

Now let's see some of the immense JOY the Message of Jesus brought to Mubende – as crippled and lame were instantly healed – hernias and growths disappeared – demonized and vexed set free – and many more wonderfully healed – and you my dear partner friend made it all possible

THE STAGE AREA WAS PACKED EVERY NIGHT IN EVERY CAMPAIGN IN UGANDA – AS THOUSANDS OF PRECIOUS SOULS CAME TO JESUS – AND MUBENDE WAS THE SAME – AS THE MIRACLE CHRIST WAS PROCLAIMED IN POWER

Let us start with this young man – so lame and crippled up he could not even stand up for the last two years – and out in the crowd the very first night – where he had been carried to – the power of the Holy Spirit came upon him – just as the Spirit did upon the Virgin Mary – and suddenly he was standing up on his feet all on his own – and now he was up on stage – the first cripple of the campaign healed – on the very first night – and you can tell the preacher and many others on stage were shouting praise to our marvellous Lord – even though the boy himself was still a little stunned at what had so miraculously happened to him

Now radiating JOY as he stands and walks alone – marvellous marvellous Jesus

Stroke & Paralyzed All Down One Side Leaping With Joy & Ecstasy

**LOOK AT THE SHEER
SHOUTS OF JOY**

This dear lady had suffered a horrible stroke and was paralyzed down one entire side – arm and leg both afflicted and paralyzed – shouting praise to Jesus and overcome with contagious joy – as she now leaped up and down over and over – absolutely overcome by the Spirit of God and wonderfully whole – that is the true Spirit of Christmas

THIS is what you call – JOY UNSPEAKABLE AND FULL OF GLORY

Look at her joy leaping up and down over and over

Stroke and paralysis all gone – nothing but joy

Wonderful Miracles for the Little Ones BIG HERNIA STICKING OUT OF BELLY

Marvellous miracle for this precious young boy — born with a huge hernia sticking like a big hard growth out of the lower part of his belly down near his groin — but the love of Jesus touched this little one the very first night of the campaign — and next day Mama had him up on stage — rejoicing in Jesus — as she peeled down his little pants and showed where the big hernia had been sticking out of his belly — totally amazed at the love and power of Jesus who healed her precious little boy — once again — that is the true Message of Christ In Action — and it is still bringing — GREAT JOY TO ALL PEOPLE — especially this very thankful Mubende Mama

Mama showing the crowd where the big hernia was

And now the big hernia is completely gone

POISONED FIVE MONTHS AGO BELLY SWOLLEN UP LIKE A BALLOON

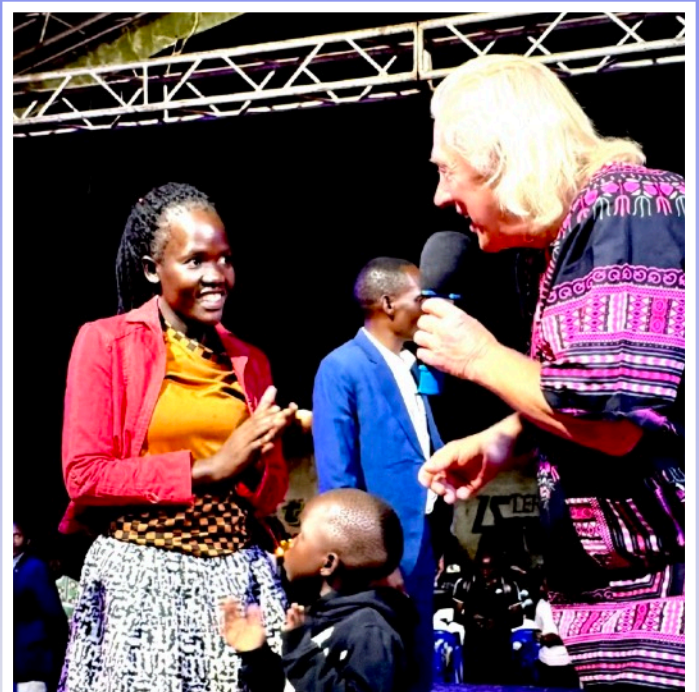

This precious little tyke was poisoned five months ago — a combination of witchcraft and foul play — and his little belly was swollen up like a big balloon ever since — he could not eat food and he was vomiting and retching ever since — but Mama said that when she reached out to Jesus in the crowd the night before — first night — his belly suddenly shrunk right down to the normal size it should be — and ever since he has been eating good and he had been eating all day long including a huge meal right before this night's service.

And look at the huge grin of gratitude on this Mama's face — so delighted in Jesus who saved her and who healed her little suffering boy — once again — that is the Gospel Message — and the GREAT JOY it brings.

Joy Joy Joy — happy Mama — healed little boy

Mama and her boy spontaneously clapping

NO MENSTRUAL CYCLE FOR 5 YEARS SUDDENLY STARTS IN MASS PRAYER

Here's a marvellous testimony which could have come straight from the pages of the Bible – except in reverse.

As this ecstatic woman dearly wanted to have a child but she had no menstrual cycle for a full five years – but as she reached out in the crowd the night before suddenly the blood started flowing – and now she was excitedly giving praise to Jesus!

Much like the woman in the Bible who had suffered an issue of blood for 12 years straight – but the moment she touched Jesus the issue of blood stopped – and this Mubende woman had no flow or ovulation cycle for the last five years – but the moment she touched Jesus in the mass prayer the necessary flow of blood started – marvellous Jesus! And now look at the immense joy which has flooded her countenance – she will be barren no more!

Joyfully relating her testimony – she reached out to Jesus – and the blood began to flow

And once again the angelic annunciation rang true – JOY JOY JOY – to All People – even this dear lady

MORE MIRACLES – MORE JOY TERRIBLE LIFE – LAME ARM – LAME LEG

THINK OF THE
IMMEASURABLE TREASURE
GOD HAS PLACED WITHIN
HIS CHILDREN –
THE MIGHTY GIFT OF
HIMSELF –
GOD IN US THE HOPE OF
GLORY –
THE ETERNAL ONE WITH
ALL HIS PRESENCE AND
POWER LIVES IN US –
READY TO BE RELEASED
ON A LOST AND
HURTING WORLD –
NOW THAT IS SOMETHING
WHICH SHOULD BRING
GREAT JOY TO EACH AND
EVERY ONE THIS
CHRISTMAS

This dear woman is absolutely ecstatic and beside herself with joy – and rightly so – for her life had been absolute agony and hell – suffering with unbearable pain in her legs, knees, back, head, ears and eyes which were losing sight – but the power of God came down upon her and every debilitating bit of pain and suffering instantly left her body – and she is praising Jesus with all her heart – dancing and shouting – as the GLAD TIDINGS of the Christmas Message came to her – complete with all the accompanying GREAT JOY the angels spoke of

And then there was this young man – whose knee and leg had been smacked up in a motorcycle accident and the leg would no longer bend – but God touched him and now he is kicking his leg out and bending it freely – just one more of so many to whom God revealed His true UNSPEAKABLE GIFT to

This lady suffered with a frozen lame arm filled with pain and unable to raise it at all – but one touch from the Christ of Christmas and the arm is working perfectly – thrusting it up and down with great joy in Jesus

MANY DEMONIZED, VEXED AND TORMENTED SET FREE BY JESUS

Another case of witchcraft and poison — as this dear old lady had been poisoned 1 1/2 months ago by people doing curses — but in the mass prayer the Spirit of God hit her and out in the crowd she **VOMITED THE POSION OUT** — now on stage testifying of the Great Power of Christ which came into her life this night and drove the filthy demons out — literally vomited right in the mass prayer and was set gloriously free — Jesus Joy

As unpopular as this truth may sound to some in the West — it certainly is welcomed on the foreign field where they know demons are real — and where many live are wickedly vexed, tormented, afflicted and some fully demon possessed by them — but the message of the Christ of Christmas is all inclusive — and includes freedom and **GREAT JOY** for the tormented as well — so here is just a few of the many set free from demonic power in Mubende Uganda

This very happy lady had been suffering intense pains in her head and belly — and demons would frequently come on her and knock her down to the ground — totally set free this night and filled with joy

This young man had also been grievously vexed by witchcraft spirits and suffered such intense non-stop pain in his head that he said it was driving him mad — but now the demons were gone and he was wonderfully set free in Jesus Name — revealing yet again that deliverance is a very real and necessary part of ministry — especially overseas where witchcraft and demon worship and curses are so prevalent and practiced

Another lady under heavy demonic oppression from witchcraft — could feel knives stabbing her in the back continually — immobilizing her and tormenting her in her sleep and in constant pain — all the demons gone and totally set free in body and spirit

CHRISTMAS CHALLENGE

You have now seen the impact of the **GLAD TIDINGS** and the **GREAT JOY** the Christ of Christmas can bring to the masses overseas – as made evident by just these few of the tremendous testimonies from this campaign in Mubende alone.

But if you combine these results with the same kind of Great Joy brought to countless more during the other six campaigns of this very lengthy – **52 DAY MISSIONS TRIP** – literally **7 1/2 WEEKS OVERSEAS STRAIGHT** – which for the record is the longest Missions Trip I have ever taken by about 3 days – you will understand why I continue to do what I do!

For it was not just the wonderful miracles of healing which excited me every night – but far more importantly the many thousands who came to Christ on this one trip alone – **WHICH IS THE MIRACLE THAT CAUSES EVEN THE ANGELS IN HEAVEN TO REJOICE.**

And we have run relentlessly and tirelessly – even though we have had next to no income for the last two months – except for that from a very small handful of faithful supporters – because when it comes to **EVANGELISTS IN CANADA** – it is out of sight – out of mind – as almost everyone either totally forgets about you – or worse yet – many simply don't care!

And as a result we have drained the coffers to go to the masses – and then return home to a stack of ongoing bills and no resources – and still so many nations calling for us to come – and many huge campaigns planned and being prepared over the next few months!

As such I am often struck with the thought – there is no doubt the **ANOINTING WHICH**

BREAKS THE YOKES OF SICKNESS AND DISEASE and which make Christ real to the masses is readily flowing – as clearly evidenced yet again in every meeting this trip – but **Where Are The Finances** to keep going!

And my second compelling thought – what much mightier campaigns could we hold if more took to heart the message heralded by that heavenly Host so long ago – **“GLAD TIDINGS – GREAT JOY – TO ALL PEOPLE!”**

So I thank God for the faithful ones – and for those who are not keeping Christmas to themselves or their own little group – but are at least reaching out to bring some Good Cheer and Christmas Blessing to the down and out – the hungry, the homeless and in some cases the hopeless right here in Canada – God bless you for your Labour of Love!

But let us not forget – the angels clearly stated – **TO ALL PEOPLE** – which not only includes but literally puts the emphasis on those across the world who have not even heard the Message of Christ yet – that is the true Message and Purpose of Christmas!

So this festive season – in the midst of all the wonderful Christmas Frivolities – let us remember the message of Christ and Christmas is for – **ALL PEOPLE** – and the **EVANGELISTS** who God has clearly called and anointed by His Spirit to reach them need help.

So here is the challenge – this Christmas let us all determine to not just be a Partaker – but a full fledged **PARTICIPATOR** in proclaiming the Christ of Christmas to the ends of the earth – **TO ALL PEOPLE** – for that is where the Greatest Joy will be found!

LET US HEED THE ANGEL'S INSTRUCTIONS
**GLAD TIDINGS – GREAT JOY
TO ALL PEOPLE**
