

MUSLIMS & GOD'S MIRACLE LOVE CRIPPLED, PARALYZED & BLIND HEALED

BURMA CAMP — NE INDIA

DOES GOD LOVE MUSLIMS?

Of course He does — every bit as much as He loves the most dedicated sold-out Christian!

Which is why He shed His Holy Blood for them the same as He did for you and I — the same as He readily cleanses, washes and transforms their lives just as surely as He does ours — and why His Healing Love and Miracle Power flows just as freely to precious Muslims as it does to any of us!

And so it would be starting the first night in Burma Camp — as several paralyzed and lame Muslims were instantly healed — all they needed was to hear the Anointed Word of His Love!

Precious Muslim lady — busted her arm and shoulder 3 years ago in a car accident — that arm no longer worked — instantly healed by the Love of Jesus first night in Burma Camp — look at her joy — but she was just the first of many more Muslims saved and healed by Jesus

Paralyzed & Broken Bones Instantly Healed as God's Power Flowed Freely over the many Muslims gathered on the Grounds

Muslim lady — could not walk or even stand 3 years — carried to the campaign

One thing is certain — Muslims love miracles just as much as any — and perhaps even more than most — so when God's Power is truly being manifested they will come — hungry for this Mighty One who truly answers prayer!

Proven yet again this first night as broken bones were instantly mended — paralyzed limbs began to work and some so lame they could not even stand were up jumping, leaping and praising God!

Including some who had no idea who healed them — but when they learned it was Jesus they readily opened their hearts and accepted Him as Lord and Saviour! Such is the Love and Power of God — freely given to reveal and prove that Christ is Lord.

Marvellously healed and freely running back and forth perfectly whole

Who healed you — she did not know !!!

WHO HEALED YOU?

She had received such an instant amazing miracle — from not even being able to stand let alone walk the last 3 years — to freely running back and forth — and yet she did not know who did it — but I made absolute sure she understood it was none other than the Living God who greatly loved her — Jesus

Muslim stone crusher — fell and broke his arm — but this night JESUS saved and healed him

How thrilled he was — hoisting his broken arm up and down and grinning big to Jesus — hallelujah

TWO MORE CRIPPLED & PARALYZED WHO COULD NOT EVEN STAND — AND ONE OF THEM TOTALLY DEAF FOR 20 YEARS — BOTH BROUGHT BY THEIR DAUGHTERS — BOTH MARVELLOUSLY HEALED — NOW JUMPING & RUNNING

Happy happy daughter who brought her daddy — crippled from a terrible accident to his back — not able to even stand for years — let alone walk — all instantly healed

Joy Joy — leaping, jumping & running freely

Totally deaf both ears for 20 years — hearing clear

An incredible first night miracle — as his injured back and years of nerve wracking pain all gone — immobile legs going high as he runs back & forth

Another happy girl also brought her Muslim daddy — Pakato — who was crippled in both legs and could not even stand — plus totally deaf in both ears for the last 20 years — Jesus instantly healed

Plus crippled — but now running freely in Jesus

MORE MUSLIM MIRACLES — TRANSGENDER HEALED PLUS MANY POWERFUL DELIVERANCES FROM DEMONS

This precious Muslim lady suffered debilitating lungs and acute asthma — could barely breathe — happy all healed and Jesus has come in her heart

Something very different — a Muslim Transgender — wracked with intense pain and problems throughout his/her body — beaming for joy as Jesus came into her heart and every bit of pain and intense agony is all gone by the blood of Jesus

Once again — as the Power of God's Spirit struck the crowd — many demons came screaming out

Laid out at the front being delivered — and then the Healing Virtue of Jesus flowed touching the sick and diseased and setting the captives free

THESE ARE JUST A FEW OF THE MIGHTY MIRACLES JESUS DID ON THE VERY FIRST NIGHT

Which would have set the stage for a great move of God — but this was just a short midweek squeeze-in campaign — only Tuesday & Wednesday — between our two big NE India 3-day weekend campaigns — so there was only one more night — and it was obvious the enemy was mad — as evidenced by all those who had been saved and delivered — as once again many demonic spirits came screaming out of people.

And the next day — a freak storm pouring torrents of rain flooded the entire low grounds — nevertheless pastors reported thousands of Muslims in the area coming and then leaving — as more kept coming — but soon the grounds which were actually set up on what was to be a new very wide road turned to thick gumbo muck — totally flooded in mud and water well over the ankles so that people could not even walk in — and the electrical and sound equipment drenched.

Most of the people bringing the sick with them returned home — while others stayed until it was obvious there was no way to hold the meeting in this huge mud hole — so the support pastor John Asari directed them to his church — but so many came that the church was packed as well as the surrounding shelter buildings — so then he made a spur of the moment arrangement to shift into a much bigger facility — and even then — many of the people walked another half mile in the pouring rain to come — but the vast majority returned home — unfortunately taking their sick and lost with them. (Continued next page)

FREAK RAIN STORM TRIED TO DESTROY THE WORK OF GOD BUT MANY TRUDGED THROUGH THE MUD & POURING RAIN RESULTING IN A GOOD NUMBER MORE SAVED & HEALED

Part of the altar call first night in Burma Camp — mostly Muslims who responded to the call to accept Jesus

From the drenched grounds to a church to this facility — people shuffled from place to place in the pouring rain

Due to the freak storm — a great many precious Muslims missed out on what God had in store for them — but many others were determined enough to keep trudging from place to place through the pouring rain to receive their miracle. Making it obvious yet again that freak storms are a nemesis to mass outdoor evangelism — and just as obvious that the enemy will use every means possible to fight mass evangelism — but it brings to light a serious theological question — WHO CAUSED THE RAIN — Satan — God — or perhaps just natural phenomena.

As Christians — especially overly zealous Charismatics and some Pentecostals — are far too quick to call every setback an attack from the evil one — even though we do see such possibility in the Book of Job — and we have all at times rebuked the attack of the evil one when weather — be it wind, water or fire — threatens our homes or God-conceived plans. But as I pondered this latest event the Lord reminded me of when the winds of adversity were beating against the disciples rowing out in the middle of the Sea of Galilee — where Jesus did not stand up and rebuke Satan.

Rather the scripture states — *“He arose and **REBUKED THE WIND**, and **SAID TO THE SEA** — *“Peace, be still” — and the wind ceased and there was a great calm.” Mark 4:39**

Which makes one wonder if we give far too much credit to the devil — a defeated foe — when we know he has such severely limited power and no authority unless we relinquish it to him — and we have seen so many times where God has miraculously stopped the rain or turned the storm away.

But be it Satan — God — or man playing god manipulating the weather — those who came were greatly blessed — and Pastor John Asari wants us to come back for a mass crusade.

Doctors had operated on this Muslim lady's ear 4 years earlier — totally deaf ever since — but one touch from Jesus and she was hearing clear — and wonderfully saved

This precious Hindu lady could not walk — but they brought her through the rain — now thrilled with Jesus in her heart as she walked straight up the stairs healed

This Naga lady suffered with curvature and spondylolisthesis in her neck and could not turn or roll her head — now everything working perfect as Jesus touched her

FORMER MUSLIM GIRL BORN TOTALLY BLIND RECEIVES INSTANT CLEAR SIGHT — MIGHTY MARVELLOUS JESUS

Precious former Muslim girl — born totally blind in both eyes — instantly healed and able to count fingers and touch noses with perfect clear sight

Mark Oleksiuk and Len with precious girl instantly healed of total blindness — what a marvellous faithful Jesus we have

Imagine the life this girl lived — born totally blind — then became a Christian and kicked out of home by her Muslim family — and then healed and transformed by the Love of Jesus

This precious former Muslim girl was born totally BLIND IN BOTH EYES — and then later put out by her family for becoming a Christian — after which she was taken in by a benevolent church program run by our local coordinator for this campaign — Pastor John Asari. As usual — those who have traveled with me over the years and witnessed God's miracle power at work often get asked to share in one of the local churches Sunday mornings — and so it was that my cameraman Mark got to sing and share that Sunday in John Asari's church — and later prayed twice for this dear girl until she could see some light — the start of a great miracle. 3 days later — after the rainy night in Burma Camp we gathered for a fellowship meal in John's church and the blind girl was there — eager to have me pray for her — what a delight as those blind eyes instantly popped open and she was counting fingers and touching noses — seeing perfectly clear — Mighty Miracle Working Jesus — the One who so greatly loves us all!

Some of the dedicated workers, prayer warriors and volunteers who helped with this quick middle-of-the-week squeeze-in two day campaign — including my key coordinator Johney Boyin — Pastor John Asari as well as Mrs Dilip Singh — all labouring together with a heart cry to reach the precious Muslims and Hindus in the Burma Camp region

ALTAR CALL 1ST NIGHT IN BURMA CAMP — THE SEED OF REVIVAL

MY Dear Friend & Soul Winning Partner,

Our third overseas outdoor campaign of 2025 is now done — and we still have two more to go on this first missions trip of this year!

NEXT UP — one more dynamic campaign in NE India to report on — in Phek Town which was by far the most dynamic of this trip to NE India — which as expected was much larger and more impactful than even Chumukidema — and then we do Siquijor — the Witchcraft Capital of the Philippines — where like Elijah — it will be showdown time with the devil — and another Mighty Harvest of Precious Souls!

But I'm perplexed — where have our supporters disappeared to — as we are still far short of reaching the remaining budgets for these last two campaigns — as usual out of sight out of mind — but I pray you are both able and willing to plant a Seed Gift of any size for this ongoing Harvest — and if so please ...
