THE GOD WHO ANSWERS BY FIRE

IN THE ISLAND OF FIRE
WITCHCRAFT CAPITAL OF THE PHILIPPINES

SAN JUAN
SIQUIJOR

HISTORIC MIRACLE BREAKTHROUGH

THE FAITH HEALERS OF SIQUIJOR

Before we jump into a few highlights from the final message I preached in Siquijor on — **“The God Who Answers By Fire”** — and the tremendous miracles Jesus performed there — let me first lay out a bit of background to the fifth and final campaign of this first 2025 missions trip — including a few mountain top visits we made to the local **witchdoctors and faith healers**.

And yes, I surely know — such visits are not for everyone — and some would ask why in the world would I ever go to see a bunch of witchdoctors.

But I always like to **differentiate between Folklore and real Satanic practices** — so I can better comprehend what kind of demonic forces or spirits we are truly dealing with.

So as you read this — keep in mind that despite the biblical truth that the devil and his deceiving cohorts are indeed real spiritual entities — the only influence they have over anyone — especially those who purport to be Christians — comes through **blatant ignorance, willful deception and/or twisted religious thinking**.

Now with that brief introduction — let’s touch on this subject of Witchcraft — Filipino style — as we head to the little Island of Siquijor!

Search any website and it will almost immediately tell you that this small island at the bottom of the Visayas is the — **Witchcraft Capital of the Philippines** — with plenty of Shamans, Witchdoctors and so-called Faith Healers.

Which made it an ideal place to hold a mass miracle healing campaign to prove beyond a shadow of doubt that there is only One True Saviour — and only One True Healer — and His

mighty and majestic name is — **JESUS CHRIST — THE NAME ABOVE EVERY NAME**.

Nevertheless — I was somewhat surprised upon arrival to learn that this small island province — only 103,000 people in total — and so popular for its longtime reputation of witchcraft — was attracting lots of Western tourists lately.

Which in a sense has divided the devil’s deception on this island into two primary camps — **witchcraft for tourists** with all its trashy tourist trinkets — and real **full-blown demonic sorcery and shamanism!**

But before we dive into this topic — it is imperative we remember the Philippines Islands were conquered by the Spanish in 1521 — who brought **Catholicism** with them to the islands.

Which as per their usual modus-operandi — rapidly **syncretized with the local mystical beliefs, traditions and false religions** — as well as outright demonic pagan practices!

Evident nowhere so much in the Philippines as on this little island called — **SIQUIJOR** — deemed — **“La Isla De Fuego” — THE ISLAND OF FIRE** — which title some suggest was due to the millions of fireflies in the molave trees — which from the approaching Spanish ships made the entire island glow in the dark as though it was lit on fire.

As such — I told the masses gathered on the local grounds the last night that God wanted to ignite everyone of them with the Fire of the Holy Ghost and transform them into brightly glowing — **FIREFLIES FOR JESUS** — shining brightly with the Light and Love and Fire of the Living Christ.

But the main reason for this name of Island of Fire

Simple Voodoo Dolls for simple tourists belie the sinister reality behind what they are really used for and what they can do in the hands of seasoned witchdoctors — needles for experimenting tourists to inflict curses sold separately

was due to its — **DARK MAGIC** — the ungodly fearful fire of Witchcraft and Mysticism — and the myriad of witchdoctor practices and vile curses.

With so much fear and trepidation attached to these demonic powers it would take an extra 200 years before the Spanish conquistadors dared to take this little island over — which to this day is still renowned as one of the most powerful places of witchcraft in all of South East Asia.

Where witchdoctors and shamans use everything from **VOODOO DOLLS** pushed full of pins — to dangerous drinks and magical potions to place curses, sickness and calamity on people — as well as to supposedly cure them.

In fact — almost every Filipino I encountered in Canada just before leaving on this trip — the moment they heard I was going to Siquijor — they immediately said — **Be Careful** — it's very dangerous — witchcraft and poisonous drinks!

And for Filipinos overseas — especially here in the Visayas — with their varied ancient entwined beliefs in mythical creatures and formidable monsters — when they hear the word **Siquijor** it is readily synonymous to — **“wakwak”** — a mythical bird that lives inside a vampire — or — **“ungo”** — a monster — **“aswang”** — a witch or blood sucker that even sucks unborn babies from the womb — and — **“sigbin”** — a crossbreed of dog, kangaroo and goat that eats humans.

And of course the key players on this witchcraft island — the infamous — **“Bolo Bolos”** — ritualistic faith healers.

One of several little ramshackle shacks high in the mountains we visited to talk to so-called Healers

Each place filled with the strange brew of Catholic imagery mixed with pagan ritual practices

And more statues of saints and Catholic patron spirits along with special herbal potions

Along with several other demonic practices associated with these local shamans such as — **communicating with the spirits of the dead** — and strange rituals and incantations to heal or influence and control people — as well as **spirit guides, seances, amulets, magic spells, divination, sorcery and herbalism.**

All combined into a hodgepodge mixture of demonic rituals — topped off with a generous sprinkling of **Catholicism like a bright red religious cherry on top** — as readily seen by all the religious statues and Catholic imagery on display in the faith healers' homes and places of operation.

In essence — a strangely mixed brew of the Virgin Mary and Baby Jesus along with a few Catholic Saints all combined with pagan rituals and demonic practices!

The testimonies personally told us by the different faith healers we visited confirmed what I had read concerning the **INITIATION RITES** involved in becoming a Shaman or Filipino Witchdoctor — and what was required to receive these mystical healing powers.

Which often include undergoing shamanic-induced illnesses such as physical disease or psychological distress — to the point of being overtaken by evil spirits sometimes resulting in outright insanity or madness — and then being

cured by a seasoned shaman.

In essence — and as usual — the witchdoctor is often the one who first looses the demonic entities or bad energy upon a person — and then through their mystical rituals and rites appear to remove the physical maladies and/or evil spirits.

But such practices generally **leave the victim still stuck with the obsessing demonic spirits** — which once having gained a stronghold take on a more friendly or helpful spiritual nature — at least for a while — but are still every bit as deceptive and controlling!

And in some of the more extreme cases the budding apprentice is said to be buried alive — or immersed in water all night long — whatever it takes to invoke the **“spirits of the dead”** or their deceiving **“spirit guides”** to inhabit them and begin to manifest these coveted mystical powers which clearly come from the dark side.

But in most cases — the spirit of the shaman is passed down from one generation to the next like an — **“hereditary spirit”** — which at the choosing of the elder witchdoctor initiates one of their own children to be inhabited by these same demonic spirits which have used them.

For example — in one place we visited a younger lady was helping her mother — desiring to go to university and on into business and travel the world rather than carry on her mother’s tradition — but she matter-of-factly stated that if

her mother chose her to be her protege — she would have no alternative but to stay and **become a witchdoctor** — a form of Filipino Fatalism..

En-route to the top of the highest mountain in a tuk tuk — off to find a few Faith Healers of Siquijor

Not what Mark and I expected — just ramshackle mountain huts with ritualistic faith healers inside

The hottest selling of all their herbal cures — Love Potion or Lucky Charm — rub it on or drink it to attract lovers — or get lucky in business — but not both — only works once — Lust in a Bottle

Numerous discussions with everyone from local pastors to some of the traditional faith healers themselves — along with a little personal research — revealed there are **two main types of healing involved in Filipino Shamanism.**

One — as related to me by an old healer who has done this for 61 years — that is primarily for the curing of physical diseases — mostly aches and pains and insect bites — and supposedly certain types of cancer.

Which the traditional witchdoctors attempt to treat with herbs and various brewed concoctions to assist in the natural healing of the body.

But as for me — if I were to rely on herbs alone for good health — I would much sooner get them from a certified homeopathic herbalist than from some mumbo-jumbo jungle witchdoctor!

Which herbal remedies by themselves — providing the right herbs are used — is not necessarily demonic — for such is not far off from a biblical understanding that it was God Himself who said He gave us the **“herbs of the field for food”** — *Genesis 1:29* — and by implication — to assist in the natural healing of the body!

Nevertheless — most of these so-called milder **“white witch”** practitioners do not charge fees except for their special **“spiritual massages”** and their herb-infused — **“love potions”** — which people drink and rub

on for good luck and to attract a lover — or many lovers — which could quite easily be dubbed — **LUST IN A BOTTLE.**

I had to laugh when I asked how effective this Love Potion was — and the spiritist's iron-clad guarantee was that — it either works or it doesn't work — a fairly accurate assumption.

Much the same as their principle method of producing physical healing — which either works or it doesn't work.

As they sit the suffering individual on a small stool and then light a **little fire of burning magic black coals** beneath them so the smoke will swirl up and around the one supposedly being cured.

And they also place a glass jar of clear water on the ailing person's head with a few **black magic stones** in it and then blow clouds of special smoke through a pipe into the water — and if the water turns grey or black it is supposedly evidence of the sickness or evil spirits as well as all the bad energies coming out.

Some zealous proponents of this practice have reported anything from voodoo doll needles they were cursed with — to diseased tissues — appearing in the water jar.

But my thought was much simpler — come on — **smoke them demons out** — let's see what your False Fire gods and magic smoke shows can really do!

In the final analysis — at least from my perspective — these simpler pagan faith

healers were just a bunch of poor misguided souls — void of the reality and knowledge of the one and only True Saving Healing Jesus.

But now let's move on to the primary work of these shamans which they refer to as deeper — **“spiritual healing”** — where actual evil spirits have tormented and vexed people, reportedly destroyed their businesses and livelihoods and at times literally possessed or driven people mad.

Where all of these shamans stated that through their personal ritualistic routines they enter — **“into the spirit world”** — a common practice of all Filipino faith healers — be they considered benevolent white witches or more sinister black witches.

Where they are often thrown into temporary and sometimes terrible fits of demonic influence — as one of the older lady witchdoctors told us she ritualistically does every morning at 6:00 AM.

Often shaking and quivering — in their misguided and ill-equipped preparations to attempt dislodging the evil spirits which have vexed another — which is why many of these so-called faith healers of Siquijor are deemed full blown — **SORCERERS!**

And during such rituals — the non-human evil spirits which control, guide or direct these more powerful shamans are often given sacrifices — usually food and alcohol — as their demon inhabitants are apparently quite fond of booze — especially rum!

As well as — **blood sacrifices** — which are

Another mediocre faith healer we dropped in on — note again the religious Jesus and Mary trappings

This elderly fellow has been a practicing witchdoctor for 61 years — to whom we explained the better way of the True, Living, Saving, Healing Jesus

generally offered by sacrificing chickens or pigs and then sprinkling their blood about.

In other words — it all boils down to just another demonic version of — **syncretized pagan religious deception!**

The only thing which would have made it more colourful would be to add in the Filipino faith healing practices of Bagio and Manilla who use **slight of hand trickery, hypnotism, drugs and strong delusion** as they pretend to pull strings or clumps of **chicken guts** out of the afflicted's bodies.

Which practice has been repeatedly debunked as nothing more than a **cruel expensive hoax** that has sadly left many hopeful to die while thinking they have been cured.

Nevertheless — some of the much more sinister shamans of the island of Siquijor are the ones who still engage in the extreme pre-colonial — **Dark Side of Witchcraft** — the ones who put wicked curses on the simple, the superstitious and the gullible.

Which island-wide fear of these potential Curse Casters has actually resulted in at least one positive effect — as the pastors told me there is a **very low crime rate** in this little island of Siquijor compared to other places.

Simply because the locals feel that if they steal or do wrong to someone — that person will **hire a witchdoctor to curse them.**

Bringing a severe form of demonic justice down upon their heads which could include property loss, economic collapse, sickness, disease and even a very swift or long painful death.

Which was why I boldly told the crowd the last evening of the campaign — many of you here tonight are **fearful of the devil** — afraid of evil spirits — and deathly scared of these witchdoctors and sorcerers and their wicked curses!

Voodoo Dolls on Witch's Brooms — for sale everywhere — a sure sign that witchcraft has made it mainstream in Siquijor

At the end of our mountain top venture I was getting a little disappointed — as my original game plan had been to play Elijah — challenge the worshippers of Baal — and publicly give their voodooism a black eye

But why should you be afraid of a — **Defeated Foe!**

Don't you know that Jesus trounced and completely stripped the devil — and don't you know who you are in God — or who God is in you — or the absolute authority vested in the Mighty Name of Jesus!

Don't you know the Bible states — **“GREATER IS HE IN YOU than he who is in the world!”** 1 John 4:4

And don't you know the Bible states — **“CHRIST HAS REDEEMED US FROM THE CURSE!”** Galatians 3:13

And that He has not given us the spirit of fear but of — **“POWER, LOVE AND A SOUND MIND.”** 2 Timothy 1:7

And that the Bible even states — **“WHAT GOD HAS BLESSED YOU CANNOT CURSE!”** Numbers 23:8

Or this wonderful promise which declares — **“IF GOD BE FOR US WHO CAN BE AGAINST US!”** Romans 8:31

Which is why I am not scared of the devil — nor his deluded witchdoctors and shamans and their mumbo jumbo curses or voodoo dolls!

Which was also why — in the midst of all the Catholic trappings in every one of these shaman's homes — I asked if they truly believed in Jesus — and everyone of them readily replied — Yes — we

believe in Jesus and we believe in Mary!

And then they all quickly added — but we have — **ANOTHER GOD !!!**

Stating that — Jesus is good for some things — but we get our real powers from another god with another name.

But not a single one of them would tell me the name of this other god — top secret — until finally — near the end of our afternoon witchdoctor hunt — the last old fellow who had been a so-called seasoned faith healing spiritist for 61 years told me this god's name:

Jas-An-Amahon — whoever or whatever kind of deceiving lying seducing evil spirit that is.

But one thing for sure — it was **certainly not the True and Living Lord Jesus we serve!**

I then asked the old fellow where we could find the real demonic sorcerers of Siquijor!

You know — the notorious ones who are really plugged into the demonic — who shove needles into dolls to afflict people — who bring vile curses upon people — the kind who use **voodoo and sorcery** along with ominous spells and incantations to make people sick and destroy crops — or to kill them — but just like all the others — he refused to tell me.

So with that we finally gave up our guide-less search and began to tuk-tuk our way back down the mountain — but I couldn't help thinking:

What is this world coming to — when a person can't even find one **wild-eyed raving mad-man**

demon possessed witchdoctor doing his vile mumbo jumbo black magic.

And what would the guitar shredder Carlos Santana think — if he could not even locate one real **"Black Magic Woman"** to sing about!

It was only much later that night that I learned our visit had been to the wrong places — plus a few weeks too early — as the big annual **Witchcraft Festival** takes place over **Holy Week** leading up to Easter — as usual over a Christian observance — and of course — during the Full Moon.

When most of the island's witchdoctors, sorcerers and shamans come out of the jungles to congregate at **Crocodile Hill** in the town of Lazi.

To gather herbs — make their magic potions — perform rituals — do seances — and cast spells, curses and counter-curses — all combined with

traditional dancing and pagan pageantry.

A much more open display of their syncretized form of Catholicism — integrated with the forbidden knowledge of the ancients — and deeply entwined with the still prevalent demonic practices which

stem from their pre-colonial days of animism, satanic rites and demon inspired rituals.

But from an evangelist's perspective — they were just another bunch of **poor lost precious souls in dire need of someone to tell them of God's Unfettered Love and Saving Grace.**

And that the power people are looking for can be readily found through the Sacrificial Blood of Jesus — His Infallible Word — His Striped and Riven Back — and His Saving Empowering Spirit.

NOT MY FIRST VISIT TO DEMONIC STRONGHOLDS

So once again — why would I go looking for the witchdoctors of Siquijor.

Most people who follow this ministry know I am a little different kind of character than most preachers or evangelists — and that I am not scared to go anywhere with the leading of God — nor am I scared to investigate the dark forces of this world — even if that involves venturing right into the Enemy's Camp!

After all — how can one effectively bring Christ to a dark and demonically influenced world without some knowledge of how these evil spirits operate — coupled with a deep abiding assurance that no matter what one encounters — **the Greater One abides within!**

Much like many years ago in **Haiti** — on Christmas Eve — the **most powerful night of Voodooism** in the nation — where at midnight I walked down a long jungle trail as the hypnotic rhythm of the Voodoo drums became louder and louder.

And then watched a myriad of Voodoo witchdoctors only about 5 or 6 feet in front of me as they danced barefoot in the fire — ate long sharp shards of glass — and then bit a live chicken in the neck — spit the feathers out — and proceeded to suck the blood out of the still quivering chicken — before the witchdoctor's eyes rolled back in her head and she fell into a trance — totally demon possessed to be carried out as the next witchdoctor came in to the circle.

But why did I have no fear — because earlier that same night in the stadium the True and Living God had done many marvellous miracles —

including opening the totally blind eyes of a young Haitian boy born completely blind — how could one fear knowing that such a great and mighty God was living big inside!

Much the same as in Chiapas Mexico where we visited the **Catholic church** in San Juan Chamula — **filled with devil worshipping witchdoctors** —

who again only about three feet in front of us sacrificed live chickens right inside the Catholic church — splashed their blood around — and then sprinkled Rum and Coca Cola.

When I asked what the Rum and Coke was for they said it was to cast out evil spirits — and I said they should try **the Blood of Jesus** — **it works much better!**

As evidenced only a few miles away in the totally jammed-out Coletta Stadium in San Cristobal De Las Casas — as the Spirit of the Living God came down day after day in power — with so many totally blind and hopelessly crippled healed that even the **President of Mexico sent us congratulations** — first time ever — and our historic campaign even made it into **National Geographic!**

It was the same in Bushrod Island in **Liberia West Africa** — where I held my 13th campaign in that nation in a broken-down war-torn stadium — where most of the **witchdoctors and medicine men** in the entire region gathered every week to do their demonic rituals and put vile curses and spells on people.

But over the four nights of campaign meetings — many witchdoctors and demon possessed

Voodoo practitioners dancing in and out of the fire in Haiti — photographed by Len after midnight on Christmas Eve — always syncretized with Catholicism

One of the female Voodoo witchdoctors with chicken in hand — bit its throat and sucked the blood out before her eyes rolled back in her head and she collapsed totally demon possessed

encountered the presence of the Living God.

And not only did **fierce demons come screaming out** of them but most of them were also healed themselves by the grace of God — as they deeply repented of their witchcraft and turned to the Risen Lord.

The same type of power encounters happened time and again in my more than 70 mass campaigns in **Papua New Guinea** — where in one meeting in particular a powerful local witchdoctor was carried onto the grounds.

For as is the common result of witchcraft — the demons he had used for years to curse many others and even kill some had finally turned on him — crippling his legs so he could no longer walk — but God in His love and mercy instantly delivered and healed him.

That old witchdoctor — now marvellously healed — ran all the way back to his village — repenting and apologizing to all the people he had put curses upon and even for those he had killed with his diabolical black sorcery — and excitedly told them all to **come to the campaign to be healed and saved by this All Powerful Jesus** — who despite his long history of witchcraft and many terrible sins had even set him free.

The same happened in Dem Bobi **Ethiopia** — where we set up our campaign on a massive field right under a gigantic gnarled and highly revered **Witchcraft Tree** — where much sacrificial blood had been spilled over the years in tribal battles — and many people had been used as human sacrifices to the devil by local witchdoctors on that very tree in their demonic rituals — making this a highly feared and avoided place.

But the power of God hit the masses — and a

myriad of cripples brought on everything from the backs of donkeys to wheelbarrows to make-shift stretchers were up leaping, shouting and dancing — and the local police estimated the crowd the final day at 80,000 — as **the Living Christ prevailed over the “Strongman” of Dem Bobi.**

Catholic Church in San Juan Chamula where witchdoctors and sorcerers sacrifice live chickens inside every day

The massive tree in Dem Bobi Ethiopia — feared place of witchcraft and much human sacrifice — but when God broke through the fear and darkness fled — and multitudes were set free

Canada has been no exception — as time and again we have witnessed the same kind of results here in our own nation — as seen in one of our huge Gospel tent revivals in Williams Lake BC.

Where powerful Native Witchdoctors and First Nations Medicine Men use their witchcraft powers to deceive and at times curse their own people — but during that power packed campaign 13 of the most powerful witchdoctors from many miles around the entire Chilcotin and Caribou regions were set free and saved by the Blood of Jesus — as they turned from their demonic traditional ways and embraced the Spirit of the Living God.

I could go on and on — as it is the same everywhere — demon spirits deceiving their gullible followers — and then eventually turning on them — for they never were their friends — they were and always will be — **malignant deceiving disembodied spirits** — exactly as Jesus stated:

The thief came to — **“STEAL KILL AND DESTROY”** — but thank God — Jesus came to give us — **“LIFE and that MUCH MORE ABUNDANTLY!”** John 10:10

And so it would be here in the heart of darkness in the Philippines where we set up our Miracle Jesus Campaign in the central park grounds next to the sea shore — and right from the very first night the power of the Living Christ swept down over the growing crowds with mighty miracles of healing.

WHAT THE BIBLE SAYS ABOUT WITCHCRAFT

Now let's turn to the Bible for a moment — for even though we did not find any of the seriously demonic rituals or practitioners I had wanted to — real witchcraft in Siquijor is still very prevalent.

Which makes it imperative we understand what God and the Bible actually say about — **WITCHCRAFT AND SORCERY!**

It should not take any serious researcher long to realize God hates the sin of witchcraft, sorcery, divination and the practice of consulting the dead — as evident in this explicit verse.

*“Let no one be found among you who...practices **divination** or **sorcery**, interprets **omens**, engages in **witchcraft**, or casts **spells**, or who is a **medium** or **spiritist** or who **consults the dead**. Anyone who does these things is **detestable to the Lord**.” Deuteronomy 18:10-12*

Why does God hate these wicked practices of cohorting with demons so much — the answer is spelled out clearly — so His children will not be defiled or seduced by these evil spirits.

*“Do not turn to **mediums** or seek out **spiritists**, for you will be **DEFILED** by them. I am the LORD your God.” Leviticus 19:31*

There should be no need to belabour this point — except to say that stern warning after warning is given about such rebellious practices in the Bible.

*“When someone tells you to consult **mediums** and **spiritists**, who whisper and mutter, **should not a people inquire of their God?** Why consult the dead on behalf of the living?” Isaiah 8:19*

And God further states — *“I will set my face against anyone who turns to **mediums** and **spiritists** to **prostitute themselves by following them**.” Leviticus 20:6*

Note the terms God uses — **Seduced** — **Deceived** — **Defiled** — and **Prostituted** by evil spirits — which reveals that these dire warnings against witchcraft are not about curtailing one's freedom — but rather for our own protection!

There are a myriad more scriptures dealing with the sin of sorcery — but how many more admonitions do we need to realize — **the Living God is our God** — and there simply is no other — so why should we ever resort to consulting or cohorting with demonic spirits and the bondage and deception and death they ultimately bring.

Little wonder why God said — *“**I will destroy your witchcraft and you will no longer cast spells.**” Micah 5:10-12*

But some may say — those are Old Testament scriptures — and we live in the New Testament — under grace — which is absolutely true — but let us not forget these post-Cross New Testament examples of demonic encounters still taking place in the Book of Acts:

Especially when Peter encounters — **Simon the Sorcerer** — a money-hungry power-thirsty spiritist — who tried to buy the gift of God for profit.

*“**Your heart is not right in the sight of God. REPENT** therefore of this your wickedness, and pray God if perhaps the thought of your heart **may be forgiven you.**” Acts 8:22*

Note clearly how Peter describes the condition of this sorcerer's heart and the negative effect these demonic spirits of sorcery had upon him — as he states — *“I see that you are **POISONED** by bitterness and **BOUND** by iniquity.” Acts 8:23*

We see this same line of demarcation drawn on the demonic when Paul was preaching in Ephesus and had a power encounter with a demon possessed man — and the result of deliverance:

In the Book of Acts — they brought their witchcraft books and demonically inspired scrolls and burnt them — to stop the pollution of heart and spirit

*“Many of those who had **practiced magic** brought their **scrolls** together and **burned them...** So the Word of the Lord grew mightily and prevailed.” Acts 19:19-20*

Indicating that when the true Light of God shines — the darkness is exposed — and the freshly emancipated will readily and willfully leave their garbage evil spirits and occult teachings behind — forever banished beneath the blood of Christ.

Nevertheless — just as in Siquijor and so many of the places I have preached across the world — syncretism has infiltrated not just the Catholic church — but also many Protestant and Charismatic churches today.

Biblically foretold in the words of the apostle John as he wrote of the NT Church in Thyatira:

*“I have a few things against you, because you allow that woman **JEZEBEL**, who calls herself a **PROPHETESS**, to teach and seduce My servants to commit sexual immorality and eat things sacrificed to **IDOLS**.” Revelation 2:20*

We all know the spirit of Jezebel is a controlling, deceiving, seducing spirit — intrinsically tied to the demonic and the desire to control others — still readily found in many churches to this day.

As well as evidenced by some of the weird and wacky practices which have been incorporated into some church circles — such as — **FORTUNE TELLING — PALM READING** — and **SUCKING SPIRITS OUT OF GRAVES** — all of which in my opinion is spiritual lunacy.

The direct result of placing modern day prophecy above the Word of the Living God — which is always a **Recipe for Deception and Disaster!**

Which brings us to what is perhaps the most powerful reference in the entire Bible regarding the — **Sin of Witchcraft** — for by it the entire world has been deceived.

As seen in the coming destruction of — **The Great Whore — Mystery Babylon** — which will be judged and destroyed in one hour:

*“For your merchants were the great men of the earth, for **BY YOUR SORCERY ALL THE NATIONS WERE DECEIVED**. And in her was found the blood of prophets and saints, and of all who were slain on the earth.” Revelation 18:23-24*

As many of you know — the Word **SORCERY** here is — **“PHARMAKEIA”** — which directly refers to the practice of sorcery and witchcraft, often involving the use of potions, spells, and enchantments — which is also associated with idolatry and the attempted manipulation of spiritual forces through illicit means contrary to the worship of the one and only true Living God.

As well as — the use of **DRUGS** and **POTIONS** for magical or religious purposes — believed to have the power to influence the spiritual realm — often used for personal gain or to harm and control others — which practices were strongly condemned by both Jewish and Christian teachings.

For such are outright attempts to usurp God’s Authority — and to harm His children — by enticing them to engage with demonic forces.

All part of an age-old battle which has raged in the unseen realm since the days of the Fall in the Garden — but perhaps nowhere demonstrated so clearly as in the showdown between the Prophet Elijah and the False Prophets of Jezebel and Baal.

THE GOD WHO ANSWERS BY FIRE

Now we come to the night I was waiting for — the third and final night in Siquijor — with a great crowd filling the entire city plaza — swelling past the trees on the edge of the grounds and much of the sandy beach leading to the sea.

The night we had been building up to — and my chance to play Elijah — for the Lord had laid on my heart to challenge the witchdoctors of Siquijor with the biblical ultimatum — **THE GOD WHO ANSWERS BY FIRE — LET HIM BE GOD!**

You all know the story which starts in 1 Kings 17 — as Elijah the Tishbite goes into King Ahab's court — and boldly announces that there will be no rain until he says so — and then turns and walks out.

I can easily picture King Ahab saying — **what in the world is a Tishbite** — but he would find out soon enough — for just as the prophet stated — there was no rain for three years and drought devastated the country!

Meanwhile God led Elijah to the Brook Cherith — where he was **fed by ravens** — his needed sustenance supernaturally delivered by a flock of birds every day until the brook dried up.

And then God instructed him to go to Zarepheth where He had prepared a little widow woman to give the man of God her last vestige of supply — and in accordance with the Word of God — the **“cruise of oil and bin of flour never ran dry”** — another supernatural supply from the Hand of El Shaddai — the God who is More Than Enough!

And then as an extra bonus — when the widow woman's son died — the prophet of God raised him up from the dead — proving you can never out-give God — and return comes in many ways!

Then the day finally came — three years into the drought — when God told the prophet to go meet wicked King Ahab who was determined to kill him — the wicked king married to — **JEZEBEL** — both devil worshippers — both deceiving God's people with the worship of the Baals — the false gods of Israel — or one could say the witchdoctors and shamans of the day.

Elijah calls for a — **SHOWDOWN** — telling the false prophets and all the people of Israel to meet him on Mount Carmel — in essence stating — we are going to have a public contest — and we are going to find out once and for all who the True and Living God really is!

The challenge was simple — prepare two altars

— lay the firewood on top — then take two sacrifice bulls and place one on each altar — but — **PUT NO FIRE UNDERNEATH** — and then the God who answers by FIRE — let Him be God!

And as a gentlemanly gesture — you devil worshippers can go first — go ahead — give it your best shot — let's see what your false

gods, demon spirits and witchcraft devils can do!

You know the story — 450 false prophets of Baal — along with 400 false prophets of Jezebel went into a wild frenzy — dancing and chanting — howling and raving.

And when there was no answer they began to cut themselves with lancets and swords and knives until blood was spurting everywhere — mutilating themselves and sacrificing their own blood in their frantic futile attempts to get a response from their demonic gods.

But nothing — **no answer — no word — and definitely NO FIRE!**

Now here is why I truly love this guy named Elijah — as the bold prophet of God stood off to the side — taunting, scoffing and mocking them:

“Cry aloud, for he is a god; either he is meditating, or he is busy, or he is on a journey, or perhaps he is sleeping and must be awakened.” 1 Kings 18:27

Or as the Living Translation so aptly states:

*“You'll have to shout louder than that — to catch the attention of your god! Perhaps he is talking to someone, or is out — **SITTING ON THE TOILET** — or maybe he is away on a trip, or is asleep and needs to be wakened!” 1 Kings 18:27 TLB*

Finally it was the prophet's turn — and at the direct and clear instruction of the Living God Elijah rebuilt the altar of the Lord — in our case the altar of our hearts — an imperative prerequisite to seeing the Fire of God fall in our day as well.

And then he cut the second bullock into pieces and laid the huge slabs of the bull out on the wood of the altar — but he was still not finished.

No sense making this too easy for God — so he had them dig a big three-foot wide trench all the way around the altar — and then douse the entire sacrifice, wood and altar with four huge barrels of water — not just once but three times — until the entire sacrifice, wood and altar were all swimming in water.

And then he cried out:

*“O Lord, answer me! Answer me — **SO THESE PEOPLE WILL KNOW THAT YOU ARE GOD** — and that you have brought them back to Yourself.” 1 Kings 18:37*

That was the primary purpose of the entire challenge — to break the deceptive powers of darkness over the people’s minds — and to bring God’s People back to the safety and sanctity of Himself — just as surely as is the primary purpose of this miracle campaign tonight!

*“Then suddenly — **FIRE FLASHED DOWN FROM HEAVEN** — and burned up the young bull, the wood, the stones, the dust, and even licked up all the water in the ditch!” 1 Kings 18:38*

And when the people saw it they fell on their faces and began to cry out — **“The Lord, He is God — the Lord, He is God!”** 1 Kings 18:39

Then they seized the false prophets and they slaughtered them — all 850 of those demon possessed devil worshippers!

But in contrast to such a formidable end — here is some very **GOOD NEWS** — for the Lord has no desire to kill or destroy the false prophets and witchdoctors and shamans of Siquijor.

No more than Jesus would ever agree to the desire of His two rough and tumble disciples — James and John — known as the Sons of Thunder — who wanted to — **“command fire to come down from heaven and consume”** — the Samaritans who rejected Jesus — **“just as Elijah did.”** Luke 9:54

But Jesus replied — **“You know what spirit you are of.”** Luke 9:55

Which should make us all shout thank God for the New Covenant — and the amazing grace available to all — even to witchdoctors and those given over to the dark side.

But Jesus is definitely **calling those who are bewitched to repentance** — to change their way of thinking — to turn from their evil ways — and to accept the Risen Christ as Lord and Saviour!

“For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.” John 3:17

And He has not come to Siquijor to condemn you — **Jesus came to save you** — He came to set you free — He came to heal you — and He came to deliver you out of the authority of darkness and into the Kingdom of the Son of His Love!

And the **FIRE** that will fall tonight is not to destroy you — but **to heal and transform and bless you!**

How many times have I seen this phenomena around the world — without anyone touching the people — as I have simply called on the God who answers by Fire — and totally blind people said fire fell upon them from heaven — or lightning flashed through their eyes — and they were instantly healed.

Or the Fire of God’s Spirit struck their bodies and their crippled limbs began to work — or they testified how a flame of divine heat and glory shot through their insides — and their tumours, cancers or goitres instantly disappeared!

That is the kind of fire we want tonight — and that is the kind of fire God is going to send.

And in a few minutes I am going to bring some deaf and blind up on this platform — and challenge any and every witchdoctor of Siquijor who may be here to come and try to heal them.

And when they fail — I will pray to Jesus for them — and we shall let the **GOD WHO ANSWERS BY FIRE** be God!

But first — how do we call on this type of fire — how do we receive such a burst of healing saving delivering energy from Heaven.

Not with chicken, goat or pig sacrifices — as even for the Jews — the Old Testament rituals of blood sacrifices are long gone — fulfilled forever by the one eternal sacrifice of Christ Himself!

But there is still one sacrifice left for us to make — to surrender our own lives and our bodies — no matter how bruised, busted or broken they may be — as living sacrifices unto the God who loves us and paid the ultimate sacrifice in our place.

As the scriptures state — *“I beseech you therefore, brethren, by the mercies of God, that you present your bodies — **A LIVING SACRIFICE** — holy, acceptable to God.”* Romans 12:1

For sickness and disease comes from the evil one — but life and healing comes from God!

So **send the FIRE Lord** — send Holy Ghost Fire — just like You promised in Your Word — and

baptize us with Your **HOLY HEAVENLY FIRE!**

Release Your Healing Fire on this crowd — **burn out the dross — burn out the sins — burn out the sickness** — and let the Fire of Your Dunamis Power and Healing Spirit sweep over this crowd — and be healed in Jesus Name!

What a divine commotion — the first two nights had been wonderful — the crowd so receptive — the people truly hungry and reaching out in faith — and the miracles tremendous — but this night was crazy good!

And even though I was told several witchdoctors were present — and that these Filipino shamans answered the call to receive Christ’s free gift of salvation — not a single one of them dared come on stage to accept the challenge!

Nevertheless — the Fire Fell — multitudes were instantly healed and delivered — and a myriad of precious souls were saved in Siquijor — as the Island of Fire — experienced the true Fire of Jesus — **THE GOD WHO STILL ANSWERS BY FIRE!**

FIRST MIRACLES ON THE ISLAND OF FIRE

Here are just a few of the mighty miracles God did in Siquijor on the **very first night** — even in the drizzling rain — as several goitres disappeared — cancers were healed — almost totally blind eyes seeing clear and much more — paving the way for a mighty move of God in this Witchcraft Island of Fire!

Showing her neck — big goitre completely gone

First Night Altar Call in the Drizzling Rain

The first miracle — and the first goitre that disappeared in Siquijor — look at this dear woman’s joy as the goitre simply disappeared — and many more would experience the same as the Love of Jesus wonderfully poured out

Sheer Joy & Praise to Jesus

Ecstatic praise — goitre completely gone

**Goitre #2
first night — this
dear lady
suffered all her
life with
hyperthyroidism
— always
choking — now
absolutely
ecstatic as her
goitre instantly
disappeared in
Jesus Name**

A life of agony changed in a moment

Sheer emotion as tumour & cancer pain all gone

**Triple Miracle
— this lady had
serious heart
trouble — water
in her lungs —
and CANCER —
and big tumour
in her belly —
supposed to go
for an operation
but no money —
Jesus instantly
healed her —
tumour, cancer
and all
problems gone**

**This precious lady also came
with a big tumour in her belly
— filled with pain — supposed
to go to the doctor for an
operation but she knew that if
she did she could not come to
the campaign — she chose
Jesus and God wonderfully
healed her the very first night
— all pain and tumour
completely gone — that's faith!**

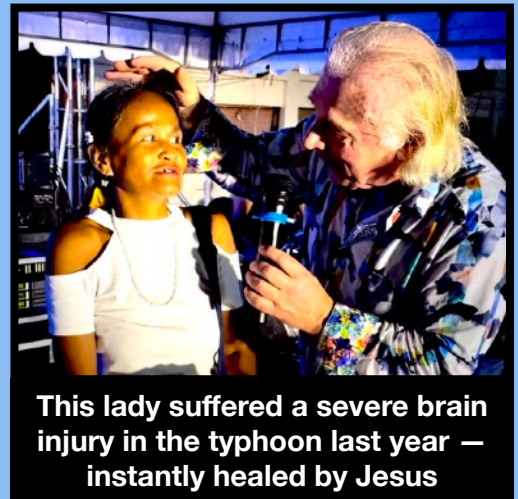

So happy — eyes and painful boil healed

**This happy lady in lime
green suffered dim
blurry eyes and a painful
boil on her side — the
Spirit of God knocked
her down in the crowd
and she arose seeing
clear — all pain gone —
and the painful boil on
her side disappeared —
what a marvellous Jesus
we love and serve**

Almost totally blind one eye — now clear sight

**The woman on the
left in white was
almost totally
blind in one eye —
now shocked to
suddenly see
perfectly clear —
all these miracles
and more on the
first night — God
Alive in SIQUIJOR**

**This lady suffered a severe brain
injury in the typhoon last year —
instantly healed by Jesus**

SECOND NIGHT MIRACLES IN SIQUIJOR

Doctor confirms — cataract disappeared — and this day's operation cancelled

MIRACLE ALREADY DOCTOR CONFIRMED

The second night miracles kicked off with this lady — going blind in one eye from a thick cataract — healed the first night and supposed to get an operation this day — went to her doctor at 4:00 — operation cancelled because the cataract was completely gone — what an amazing Jesus — witchdoctors cannot do that !!!

Praising Jesus the Cataract Dissolver

Eyes clear and rolling around healed

This ecstatic lady was going blind — and her eyeballs were rigid — would not move at all — but God touched her and the eyes are now clear and easily roll all around — Jesus Jesus!

Mighty Shouts of Praise to Jesus

Eyes healed — tears of joy

Very happy but shy girl crying and laughing as God touched her terribly blurry eyes and she can now see clear — just one of many healed of very bad eyes

This lame fellow could not walk without his stick — now running on stage — then went down and ran back and forth in front of the crowd — and then tossed his stick up on the stage saying — I don't need this anymore — Jesus has healed me

Lame running on stage

Broken arm suddenly works well

Broke her arm 2 days earlier in a motorcycle accident — filled with intense pain and nothing working — now all is well in Jesus Name

And then running to cheers of crowd

Both arms working as she said — Goitre Gone

So many goitres, tumours & lumps healed this night — like the lady on left whose painful goitre caused so much nerve damage she could not even lift her arms — instantly gone and arms fine

And still another this night whose goitre simply disappeared

Ecstatic as big hard lump disappeared

This young lady was so excited as a big hard lump under her arm instantly disappeared during the mass prayer.

And the boy in red suffered severe bone cancer — already lost one leg and could no longer walk with the other — now up and going strong in Jesus Name & the crowd cheered as many knew him — Lord please — no more cancer!

Going strong on one leg

THIRD NIGHT MIRACLES IN SIQUIJOR

35 years of big goitre agony — bubbling with joy as Jesus completely removed it

Another bunch of dynamic miracles as many more goitres, tumours and big lumps disappeared — plus deaf ears and lame limbs made whole.

Sheer ecstasy for the lady on the left — she had a big goitre since 15 years old — for 35 years — completely gone!

And the lady in pink — many big hard lumps in both breasts — all gone but one big lump — I told the crowd God would remove the last lump right now — and it instantly disappeared — Faithful Jesus!

All big lumps in both breasts gone

She could not even swallow her saliva because of a goitre — gone

Totally deaf in both ears — now hearing whispers on both sides — mighty Jesus

More wonderful miracles — like this girl totally deaf in both ears — suddenly hearing clear — repeating every whisper — and then hearing the band she even began to sing along

Stiff frozen hand and rigid thumb for years — now working perfectly in Jesus Name

Push push your belly — but no matter how hard she pushed — the tumour was gone

So many marvellous miracles — as these precious Filipinos of Siquijor were set free — and for the first time ever experienced the mighty healing love and power of Jesus — as more tumours, growths and goitres disappeared — and God's Divine Love was manifested with such great demonstrations of His Presence and Power — that thousands were born into the Kingdom of God

A big hard lump in her breast — turned soft during mass prayer — prayed again and it was gone

One of many who said God delivered them from the torment of a witchcraft curse

**TO CHRIST
OUR
FAITHFUL
LORD
& SAVIOUR
BE ALL
THE
GLORY
NOW &
FOREVER**

NEVER FORGET — the practice of WITCHCRAFT AND SORCERY IS STRICTLY FORBIDDEN — not to encroach on Man's Freedom — but for Our Own Safety and to Protect Us From The Dark Side.

And from unseen evil forces which are ultimately out to destroy God's people — which unequivocally makes them Enemies of God — that will one day be bound forever and ever!

But until that day — we serve the Living God and renounce the works of darkness — so we can walk — FREE IN CHRIST JESUS — knowing the — KINGDOM OF GOD IS INSIDE
