CANADA SHALL BE SAVED !!!

BLESSED TO PREACH JESUS & HEALING AT THE ALTAR EVENT IN DRAYTON VALLEY ALBERTA

**Len with Dr Rodney Howard Browne
at THE ALTAR in Drayton Valley — in a
one-on-one hour long conversation about
Jesus and World Evangelism in our day**

THE WINDS OF REVIVAL ARE BLOWING IN OUR NATION

HERE'S AN IMPERATIVE QUESTION — will this historic evangelistic event in Alberta evolve into a catalyst for revival in our desperately needy land?

Many believe so — as a fresh fire was surely kindled in the hearts of those present — the flames of revival are beginning to spread — and a renewed vision that **CANADA SHALL INDEED BE SAVED** has gripped the hearts of many believers.

Such was the atmosphere and expectation readily apparent in this recent outdoor Gospel event in Drayton Valley Alberta — September 5-6 2025 — where 7,000 excited Canadians — hungry for God and a fresh move of His Spirit gathered in a farm field — and I was privileged to be part of it.

A WARM WELCOME AS ANOTHER GREAT DOOR OPENS

What a great blessing to take part in this historic evangelistic event for our nation — as 7,000 hungry Canadians gathered to receive the Word of the Lord in a farm field in Alberta — known as — THE ALTAR — and as a special add-on I got to spend a full hour talking Jesus and world evangelism with Dr Rodney before he even preached.

He had no sooner arrived to the grounds to speak the first night when Steve Holmstrom — the Oil Patch Pulpit and chief organizer of the event and the one whose farm was used — called me to the hospitality trailer behind the stage and with some very honouring comments introduced me to Dr Rodney saying — *“This is the man I have been telling you about — **this is Canada's key General of Evangelism** used mightily by God across this nation and all around the world!”*

What followed was basically a one-on-one intriguing conversation about world evangelism, miracles and the power of God and the millions of souls we have both been privileged to reach — as we both centred in on Jesus and the Gospel of Christ and a return to true Pentecostal Power as the only solution for Canada and the world.

Then Rodney presented me with a copy of his personalized Bible wherein he scribed a special note that really touched my heart as he graciously wrote — **“THANK YOU FOR BRINGING IN THE HARVEST OF SOULS!”**

Altar call for salvation, rededication and empowerment
— night #1 with Rodney

And then near the end of our intriguing conversation — he stated that he wanted me to come down to Florida to spend a few days with him to **strategize together for World Evangelism.**

What an honour — and to also address his evangelists — as a fresh and effectual door is obviously being opened — thank you Jesus!

Two tremendous meetings followed — one the first night late into that increasingly cold evening — and a second powerful meeting the next brisk morning.

And then he had to immediately rush off to catch his jet back to Florida — but in the few brief minutes before leaving the stage to jumping in the vehicle to head to the airport he called for me again — and with a big parting smile said you didn't think I was going to forget my book.

So as I had promised the night before — I presented him with my latest 625 page book on — **HOW TO RECEIVE HEALING FROM CHRIST** — followed by a quick photo of Julie and I with him — and he was off — leaving me with a deep sense in my spirit that God had suddenly and supernaturally opened the door for us to do some great campaigns in America — for which I give God all the glory.

For more than 40 years multitudes have told me I should go stateside where massive crowds would surely gather as they would readily gravitate to my preaching style and all the mighty miracles the Lord so graciously performs — but **I chose to stay with Canada!**

As I told Dr Rodney — I have remained a purist all these years — believing that while most Canadian evangelists used of God have gone stateside for greater opportunities and much more funding — I stayed here focused on Canada — as **somebody needs to reach this nation** which is in such desperate need for revival and a true move of God!

Always telling the Lord that if He wants me to go to the USA He is the one who must open the door — especially a great and effectual door — and it now looks like God Himself may be doing it!

And if so — it will be a fresh door to not only impact America but Canada as well — for we shall never forget our Canadian brothers and sisters who are crying out for revival — and our banner cry in the spirit shall ever be — **CANADA SHALL INDEED BE SAVED!**

HONoured TO BE ASKED TO PREACH ON HEALING FROM CHRIST

Of course — this two-day weekend event was primarily focused on the ministry of Dr Rodney Howard Browne and his two great messages Friday night and Saturday morning — with much of Saturday afternoon focused on a series of prophetic words given by some of Canada's prophetic leaders.

But the key organizer of this event — Steve Holstrom — the Oilpatch Pulpit — told the guys to be sure to get Len up to preach on healing so the people can hear and experience — **the Voice of the Evangelist.**

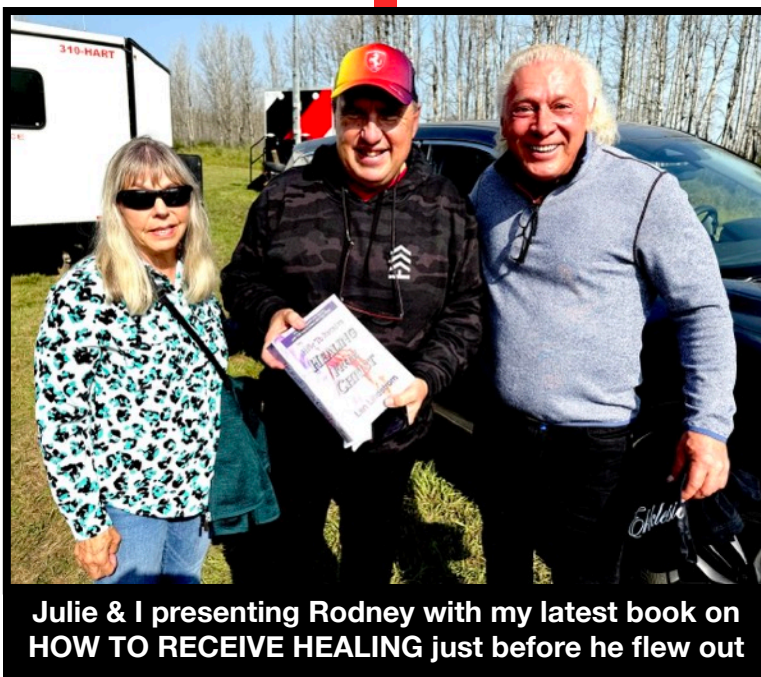

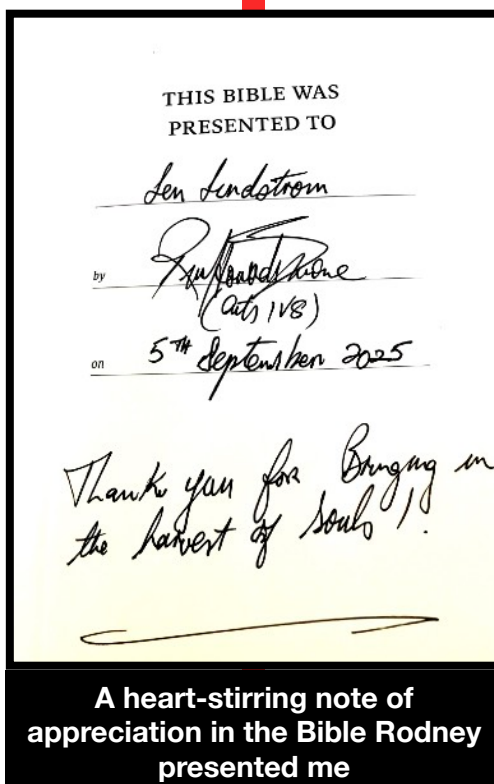

So I immediately shifted gears — from the topic of prophetic words specific to one or two out in the crowd — to the **UNIVERSALITY OF THE GOSPEL** — and the inclusion of all people in the Promises of God — with no special prophecy or personal word required.

For the fact of the Gospel is that — **SALVATION IS UNIVERSAL — and HEALING IS JUST AS SURELY A PROMISE TO ALL** — as both our salvation and our healing were paid in full for each and every person in this world — through the once-and-for-all fully inclusive **FINISHED WORK OF THE CROSS.**

As the scriptures clearly and universally state:

“For He was wounded for our transgressions — He was bruised for our iniquities — the chastisement of our peace was upon Him — and by His Stripes we are HEALED!” Isaiah 53:5

No special people — no special word needed — no word of prophecy required to receive from God

Julie & I presenting Rodney with my latest book on **HOW TO RECEIVE HEALING** just before he flew out

— all were and all still are included in the Universal Sacrifice of Christ — we just need to believe and act upon the authority and power of the Word of the Living God!

Put in the simplest of terms:

Salvation and healing is for everyone !!!

And then I shifted from the simple message of salvation and healing for all — to the subject of **creative miracles** — relating a few recent testimonies of some of the mind-blowing Works of God we have been privileged to see.

And then I declared that if people really want to get healed and set free we must quit blaming God for the problems — and quit playing tiddlywinks with the devil — and become violently opposed in the spirit realm to every sin, sickness and disease — resisting the devil and his spirits of infirmity — and call on God for His mighty healing power and the manifestation of His many promises!

Then I quickly related an event which took place just a few years ago when I preached in a broke down stadium in Liberia — a place of much demonic witchcraft — literally the stronghold of the nation — fighting witchdoctors and curse casters and devils and demons every night as God poured out His glory.

And the final night — as the battle intensified — the Lord stirred my spirit to have the entire crowd raise their hands to Christ and **demand the devil to get to hell off their bodies and to take his crap disease with him.**

That may sound like a highly unorthodox prayer — but what an incredible night — as many blind, deaf, dumb, crippled and demon possessed were instantly set free — and

many more witchdoctors were saved and delivered!

Meanwhile I had been fighting my own battle — an ugly ever-growing cancerous looking growth on my head for two years.

Over which I had quoted the Word a myriad of times — poured oil on my head as I anointed myself — laid

hands on my own head — cursed that rotten disease to the core — quoted a thousand scriptures over it — and time and again literally ripped that ugly growth right off my head with blood freely running down my face.

But all that troublesome growth did for two years straight was keep getting bigger and uglier — as the devil repeatedly told me it was cancer and he was going to kill me with it.

But this night in Liberia — with blood running down my face yet again from freshly ripping that big ugly growth open with a big hair pick — and with utter pent-up fury at the enemy boiling in my spirit — especially after fighting demons and devils in the stadium for the last four nights straight — I suddenly reflected on the mighty things God had just done in the stadium when I had the people cry out to God and forcefully command the devil and all his rotten diseases to go.

Suddenly a fresh powerful thought flashed through my mind — if such a **violent prayer** and forceful command would work such

Just a small corner of the crowd as I preached on Jesus and His marvellous Healing Power

wonderful miracles for all those healed that night in the stadium — **WHY NOT ME ALSO!**

With that thought burning in my spirit — I slapped my hand down hard over my blood running head and cried out with all my might in that little African hotel room:

Devil — get to hell off of my body and take your crap disease with you — I AM HEALED BY THE STRIPES OF JESUS!

When I got up in the morning and looked in the mirror I was literally stunned — there was no fresh tear through that former growth — no caked up blood — no scab — and not the slightest bit of growth left — absolutely nothing — completely disappeared — totally vanished — all gone — and my scalp was as clean and pure with fresh wholesome skin as if there had never been anything there.

And it has remained that way ever since — for the last six years now — that big ugly cancerous looking growth completely eradicated by the Power of God's Word and His Healing Spirit — and that my friend is the power of getting truly violent with the devil and disease — and trusting God's Word.

So now I had the Drayton Valley crowd cry out in the exact same way — and literally hundreds of hands were raised as they signified they had been instantly healed right out in the crowd — the exact same way it happens overseas — all to the glory of God!

Plus like I have been doing overseas lately in many of our mass campaigns — I had the Drayton Valley crowd take a — **LEAP OF FAITH** — a way of adding action to their faith — as many of them literally jumped out of their sickness, disease or dilemma into the blessing and promises of the Living God!

So it was a great privilege to share our wonderful Jesus — and for whatever miracles God did for the folks in that crowd in Drayton Valley all I can say is — to God be all the glory!

But suffice it to wrap this little report up with one simple overarching comment — as I firmly believe — especially in the midst of all the talk of five fold ministry — and all the current emphasis on apostles and prophets — Canada desperately needs to return to and once again embrace the power packed soul-winning ministry of — **THE EVANGELIST.**

JUMP OUT OF YOUR PROBLEM — LEAP OF FAITH

With my friend Steve Holmstrom at the ALTAR — Oil Patch Pulpit & chief organizer of the event

With friend Pastor Chris Lindberg at the ALTAR

THE GOSPEL IS NOT A POLITICAL MESSAGE — IT IS A SPIRITUAL LIGHT TO ILLUMINATE THE DARKENED HUMAN SOUL

Amidst all the stirred up controversy and unwarranted attacks against Christianity in Canada — along with the obvious detestation of the Gospel by so many political proponents — especially those who espouse Left Wing ideology and Woke propaganda — another American Gospel artist was the latest to experience what could be termed growing **CANADIAN MARXISM**.

For our government at almost all levels appears to have succumbed yet again to the relentless pressure and tactics of semi-communist Woke Marxist groups such as Antifa and Black Lives Matter and other George Soros funded institutions — all with an apparent WEF agenda — to shut down not one but nine of American Christian singer — Sean Feucht's — **LET US WORSHIP** events — from one end of Canada to the other!

I was able to make it back from a short preaching tour combined with a few days fishing on Vancouver Island in time to make it to his last concert in Abbotsford — formerly known as the **Buckle of the Bible Belt** in Canada — where even this once strong Conservative Christian base of primarily Bible believing people had capitulated to the pressure and cancelled the Gospel event on public City property and it had been shifted last minute to a raspberry field by the border.

At the close of the concert — Drea Humphrey of Rebel News interviewed me — asking my opinion — and I fully agreed that I was utterly shocked that even a place such as Abbotsford had pulled his permit out of fear of troublemakers.

But I went on to say that in the final analysis — the Message of the Gospel is — **NOT POLITICAL** — but is meant to be a **SPIRITUAL LIGHT** to all lost darkened souls — a message of unmerited **GRACE and HOPE** in a lost and dark world!

A message of **LOVE AND HOPE** to all regardless of political or spiritual persuasion — to all who

Chatting with Sean Feucht
at the LET US WORSHIP event in Abbotsford BC

have gone astray due to their rejection or failure to come to the only — **TRUE LIGHT** — Jesus Christ!

Nevertheless — the Gospel message — even if it is not political in nature — should and always will have a profound impact on politics — especially in waking up the masses and exposing Woke Theology for what it really is!

And no matter which party or which leader is in power — Liberal, Conservative or NDP in Canada — or Democrat or Republican in America — one truth remains certain — the Message of the Gospel and the Grace of God to all people never changes — it still transforms people and societies!

I further stated that one of the greatest needs in our land is — **UNITY AMONGST BELIEVERS** — as there are now over 46,000 different Christian denominations — all splitting hairs and dividing and fighting over every wind of doctrine and minor dispute of scripture — which is utterly absurd!

Christ called us to be — **ONE IN GOD** — fellow believers — and to love one another — and the world is earnestly waiting to see what will happen if we ever get our act together and start loving one another with the pure Agape Love of Christ!

That was the prayer of Jesus in John 17 — and it should be our prayer — nevertheless even many Christian groups boycotted the Worship Service — but I along with thousands of others determined to join in and praise the Lord — our Constitutional Right to gather and worship God!

THE TRAGIC & SENSELESS ASSASSINATION OF CHARLIE KIRK — IS THIS ANOTHER CATALYST TO WORLD-WIDE REVIVAL?

So sad to hear the tragic news of the absolutely senseless and no doubt politically motivated murder of Charlie Kirk — a man dearly loved by millions for his bold and brilliant voice of reason, faith, freedom and truth — and especially his dramatic impact on college youth and the reshaping of American mindsets.

His life may have been cowardly and senselessly snuffed short at a mere 31 years of age — but the firm convictions and unwavering faith he held for God and Truth live on!

And if the diabolical forces and twisted ideologies behind his murder thought his death would silence the voice of reason and common sense in our deeply twisted society — or put an end to the spread of the Gospel — they were highly mistaken!

Rather than silence or intimidate the masses as the demented Christ-denying Leftists would have hoped — it has served to ignite millions of Charlie Kirks — with what appears to be an unprecedented AWAKENING taking place not just in America — but literally spreading around the world — with peaceful vigils and prayer rallies and massive Gospel events in country after country.

So perhaps — just perhaps — those who have sat

idly by — wistfully hoping for change but doing little or nothing to bring about change will now join together in UNITY — and with revitalized faith in Christ declare — ENOUGH IS ENOUGH!

And if you disagree — you are free to take up your weak theological arguments for not joining in to stand together for Faith, Freedom and our nation's Future with the Lord on Resurrection Morn — but as for me — I intend to charge forward for Jesus!

My Dear Friend & Soul Winning Partner,

What an exciting and opportunistic time we live in — when the enemy knows his days are numbered and his deceived followers are realizing that nothing can stop the Church of Jesus Christ — no lies — no amount of persecution — and not even martyrdom or the attempted silence of voices of reason, love and faith.

As Jesus said — *“I WILL BUILD MY CHURCH AND THE GATES OF HELL SHALL NOT PREVAIL AGAINST IT!”*
Matthew 16:18

And together we shall all do our part to ensure the marvellous MESSAGE OF GOD’S UNFAILING LOVE AND GRACE reaches the unreached masses for whom He died — both here in our nation and abroad to the very ends of the earth! So please stand with me — and let the Voice of the Evangelist be heard loud and clear!
