**BREAKING THE CURSE OF RITUAL SACRIFICE & TRADITIONS
WHICH MAKE THE WORD OF GOD OF NO EFFECT**

PENUMPANG — BORNEO

AND ANOTHER HARVEST OF PRECIOUS ETERNAL SOULS

The Human Sacrifice of Huminodun And the “spirit” of the Rice

OUR SECOND CAMPAIGN IN BORNEO THIS TRIP

— and it was quite a non-stop shift from the massive crowds in the Keningau stadium to this smaller mid-week crowd in the Penumpang Cultural Hall — which made it readily obvious that not all campaigns are the same.

Nevertheless — Jesus commanded us to — **“go into all the world”** — which indicates that every place and every person must have the chance to not only hear the pure unadulterated Full Gospel message — but to also experience the demonstration of Christ’s Saving Healing Grace — and the region of Pemunchang was surely on the Lord’s Agenda for this trip!

Especially since this was reported to be a region **very resistant to the Gospel** — and right from Night #1 — even though the response to the altar call to come to Christ was overwhelming each night — the resistance could be keenly felt — especially when it came to mass prayer and public testimony of the miracles God was doing.

So for two nights straight I had no choice but to wade into the crowd — act on Mark 16:17-18 — and — **“lay hands on the sick”** — and each night there were marvellous miracles as a myriad of deaf as well as deaf and dumb were instantly healed — blind and partially blind eyes popped open — cancers and all their cursed symptoms disappeared — tumours and lumps were completely eradicated from several women’s breasts — and many with lame arms and frozen shoulders were healed.

All in all — tremendous miracles were happening even during the first two nights — but one could still sense the overt oppression that seemed to hang in the air of the **KDCA Cultural Centre** — and I was asking the Lord what we were missing — what kind of spirit was causing such blockage.

Then finally — on the third afternoon as we were driving around town — Ronnie — the son-in-law of Pastor Augustine Saang — suddenly mentioned the **FALL HARVEST** celebrations which were held

annually in the KDCA Centre — and divine revelation concerning what and why the spiritual bondage was in this campaign began to quickly flow.

As I dug further into the history of this annual two week long ritualistic celebration I more fully discovered the story behind it — none other than the **HUMAN SACRIFICE** of the beautiful young virgin named **HUMINODUN** — aka Semudu — and the **“SPIRIT OF THE RICE”**.

In a nutshell the Harvest Festival commemorates an event that took place many years ago when there was a severe famine in the land and the local leaders and animistic spiritists here in Sabah State determined that the angry gods which were holding back the rice crops and causing starvation could only be placated by a human sacrifice — and the beautiful young virgin named Huminodun volunteered and was sacrificed to appease the so-called principle **“spirit of the Rice”**.

From such traditions sprung the widespread

barbaric cult of the world-renowned **BORNEO HEADHUNTERS** — as the practice of headhunting became very widespread and the Headhunters of Borneo became known around the world as a fearsome phenomena — warriors often seen in the jungles rattling numerous human skulls on ropes or vines as symbols of their fearful and brutal prowess — believing that the taking of an enemy's head or even the heads of nearby village people gave them increased power.

As such — headhunting remained very widespread in Borneo until the British colonizers of that area finally forced them to quit this barbaric demonic practice less than 100 years ago — but as the pastors all stated — the witchcraft, spiritism and dedication to the spirit of Huminodun which is directly associated with these Harvest Festivals has continued right down to this very day.

So much so that the yearly two week long Harvest Festival in May called — **KAAMATAN** — is still widely celebrated every year — with continued reverence, devotion and honour paid to the sacrifice of the young virgin who surrendered her life as a human sacrifice to stop the rice famine — and in continued devotion to the demon called — **BAMBARAYAN** — the spirit of the Rice — which to the people of Sabah State represents life itself.

So for two weeks every year the people of Sabah turn out to pay homage to Huminodun and the Rice spirit — with traditional cultural shows and much pageantry — headed up by the traditional — **BOBOLIANS** — who are said to be the Guardians of Sabah's Ancient Rituals and Traditions.

Now with that very brief backdrop — guess where the **headquarters of the Bobolians** is — and where the main events of this spiritual two-week long celebration take place — in none other than **the KDCA Cultural Centre** — the exact same place our campaign was being held — so little wonder why there was such a spirit of resistance and heaviness in the place.

And as further confirmation — Pastor Raphael would tell me before the service that each time he and the intercessors had gathered in the auditorium to pray for the campaign — one of them kept seeing a big demon dancing on top of the building — no wonder — this place had been

repeatedly dedicated to these devilish spirits — or more aptly put — this was that devil's home turf!

As such — the Lord quickly changed my message and this last night I preached a powerful word on — **“overcoming the strongman to plunder his house”** — binding the cultural “*spirit of Huminodun*” and the revered “*spirit of the Rice*” — as we came against the traditional spirits and demonic cultural hold on these precious peoples — and for the first time — the crowd was shouting me down on every point!

I was later told that many including some of the local pastors were well aware of what the demonic bondage was holding the people — but for fear of reprisal no one had the spiritual guts to preach about it — but by revelation of the Spirit of God I surely did — as I told them Jesus declared — **“Your TRADITIONS make the Word of God of NO EFFECT.”** Mark 7:13

And that there was only One Sacrifice needed — and Jesus has already made it for each and everyone of us for all time — for our total and complete salvation — spirit, soul and body!

“For by ONE OFFERING — ONE ETERNAL ALL ENCOMPASSING SACRIFICE — He has perfected forever those who are being sanctified.” Hebrews 10:14

The atmosphere in the Pemunchang Cultural Centre completely changed that night — so much so that it was reported by several later in the evening that even the **head man of the Bobolian guardians of Sabah tradition** who was also the man who ran and controlled the cultural centre and the Harvest festivals was seen in the crowd with both hands high in the air **praying earnestly to accept Christ as his personal Lord and Saviour!**

Now think of this — there are some who are always trying to redeem culture and traditions — but nowhere in the Bible do we see that futile concept or goal — not that we are against anyone's Traditions or Culture — we simply have a much better and far more productive message!

And our goal is to establish a better culture — a **KINGDOM CULTURE OF JESUS & HIS LOVE** — which breaks the bondage and sets people free!

MIGHTY MIRACLES IN PEMUNPANG

Here's just a few of the great things God did in this campaign

A wonderful miracle for this ecstatic man on the third night — he was unable to walk at all without a crutch due to big steel rods in one of his legs — now jumping, running and praising God for such a marvellous miracle — totally healed, saved and lit on fire for God — that is the Gospel in Power once the spirits of bondage are broken off

This is what real Jesus Joy looks like

Lame hand and arm now working great — so much joy

Cancer in her breast caused her arm to go lame

Now everything working great in Jesus Name

DEAF & DUMB HEALED IN PENUMPANG

PLUS A MYRAID OF DEAF EARS POPPED OPEN IN JESUS NAME

This young boy was deaf and dumb from birth — look at Papa's face as he now hears and speaks

Repeats after me — Mama, Papa, Jesus, Hallelujah

Mama is so excited — her precious little deaf and dumb girl can suddenly hear with both ears and then begins to talk — a wonderful miracle by Jesus who does all things well — He still makes the deaf to hear and the dumb to talk

Precious little one — never spoke before — now repeating after me — Jesus, Hallelujah, Jesus

One of many totally deaf ears opened first night

Totally deaf in both ears 5 years — now healed by our Lord Jesus

And another happy lady as her deaf ear popped open too

CANCERS & TUMOURS IN BREASTS AND EYES HEALED IN PENUMPANG

Cancer in her breast and big painful lumps — feeling all over — no more lumps or tumours

Sheer joy as all the cancer symptoms, pain and the big lumps in her breast had completely disappeared

So happy — cancer in breast and a big tumour lump that instantly disappeared — no more to be found

Big black spots all across her eyes — delighted as they are now all gone and everything is clear

This lady had cancer in both breasts — but in a moment all the pain and symptoms were gone

Thumbs up for Jesus — all good now — her deaf ear opened and her eyes healed by the Lord — plus many more failing eyes healed in Penumpang
