**The Greatest Gift you could give a loved one or friend
is JESUS — the second greatest is the WORD OF GOD**

Here are a few quick testimonies & commendations of those already highly impacted by the Life-Changing Truths in this book

While writing a foreword to this book for Len I sent the manuscript to an 84 year old Italian fellow I know in Italy who was dying with 4th Stage Cancer. He read the manuscript and was completely healed. The doctors declared — **No More Cancer found in his body!** Just by reading this book which is a treasure trove of solid, faith-building truths, interwoven with testimonies that defy human explanation — each one a testament to the transformative power of faith in Christ.

Pastor Anthony Greco
Calgary Life Church — Alberta

As a theologian I have read almost every book that has been written on the subject of Divine Healing — and **this is by far the best book I have ever read on healing** — masterfully written — theologically sound — and highly inspiring.
Ian Wilson — Barrie Ontario

A friend of my father gave him a copy of your book on How To Receive Healing From Christ. **He loves it and he has already read it 8 times and is reading it yet again.** I now also have my own copy and am thoroughly enjoying it — thank you for writing such an inspirational book.
Anonymous — Ontario

I have been preaching for 29 years — but this book **moved me to tears** time and time again — it is so captivating, insightful, illuminating and hard to put down once you dive into it. This well documented piece of literature is based on Len's 48 years of miracle ministry — laced with scripture — and a multitude of journalized healings across the world — supported by testimony and sometimes medical examinations. Our church ordered 50 copies and it is hard to keep them on the shelf once people realize Jesus is still the same and that He still heals today.
Pastor Andre Levesque — Remnant Call Church — Espanola Ontario

The most common comment I hear is people saying — I can only read a few pages at a time and then I need to stop because I am crying

Len is not ashamed of the Gospel — he proclaims that it is the Power of God to Salvation and Healing, and then he stands back to see what God does as people receive from his hand.

I recommend this book wholeheartedly, and I believe that many will receive the reality of divine healing when reading its pages.

Dr Peter Youngren
World Impact Ministries — Toronto Ontario

Best book I have ever read — I have devoured the principles in this book which have harnessed the biblical truths we so desperately need to manifest the reality of Christ — I have been in many meetings with Len overseas and in Canada with tremendous miracles every night. This book is a true gift from the Ambassador of Healing to the body of Christ and to the glory of God.
Pastor Ray Bassett — Edmonton Alberta

This book has completely changed and transformed my life — thank you so much for writing it Len. It is so inspiring. I have bought many copies and gave them away to friends — because the whole world needs this teaching on God's Love and Miracle Healing Power!
Ted Bell — McKarren Ontario
