**"CHOOSE YOU THIS DAY
WHOM YOU WILL SERVE"**

**You Cannot Serve
God & Demons at the Same Time**

**PALON MER ROUGE
HAITI**

**Over 95% of the Entire Nation Practice
VOODOO**

“ CAUSELESS THE CURSE SHALL NOT COME ”

It is not hard to understand why so many say — **HAITI IS UNDER A CURSE** — but the Good News is there is a — **CURE FOR THE CURSE** — which is found **IN CHRIST** — if these precious impoverished people would simply renounce their worship of demons & Voodoo practice and — **TURN TO THE LIVING CHRIST WITH ALL THEIR HEARTS !!!**

Which of course was the primary purpose and emphasis of this latest missionary trip to Haiti — to proclaim the life changing emancipating power of the true Gospel of Christ.

But even I was shocked at the ongoing stranglehold that **VOODOO Worship and Witchcraft Practices** still has on this island nation!

So let's kick this little report off with some current statistics which should — and I believe will — shock everyone!

As I repeatedly asked seasoned humanitarian missionary after missionary — not random newcomers to Haiti but people who have poured their hearts and souls into this nation for 25 years and longer with a myriad of benevolent efforts:

What percentage of Haiti's population still practice **VOODOO** — and the answers were consistent and the same from each one — **95%**.

Including the majority of those Haitians who identify as Christians — who may occasionally go to church Sunday morning where they shout — **Hallelujah Hallelujah** — but by Tuesday or Wednesday are already off to visit the local witchdoctor — as though Voodoo and the witchdoctors have more power than the Church.

Which literally means that — **95% of all people in Haiti** — 19 out of every 20 people — still believe in and regularly practice Voodoo and Witchcraft — what an utter travesty!

But even that staggering statistic was not the most shocking — as these same missionaries — as well as a few of the local pastors — stated over and over that **95% of the pastors in country** were not even Born Again — as pastoral ministry was little more than a job or means to make a living — without any real relationship with Christ!

Which indicates that only — **5% — ONE OUT OF**

EVERY 20 PASTORS IS BORN AGAIN — small wonder the church has so little influence!

And here is yet another shocking reality — many of the Catholic Priests are actually **WITCHDOCTORS** themselves — incorporating the pagan practices of the locals right into their services and rituals.

Just another outworking of **SYNCRETISM** which is so prevalent in Catholicism all over the world — especially in 3rd World or developing nations — which I have personally witnessed over and over in nation after nation around the world — right down to often watching Catholic priests and brujos sacrifice live chickens in the churches all day long!

Little wonder then that the true Gospel — despite all the previous campaigns and humanitarian aid poured into this nation from benevolent Christian organizations — has had so little impact for the Kingdom of God or the salvation of people.

For you simply cannot worship demons and walk in the blessing of God!

As scripture adamantly states:

“You cannot drink the cup of the LORD and the cup of DEMONS — you cannot partake of the LORD'S TABLE and of the TABLE OF DEMONS.” 1 Corinthians 10:21

And as Jesus Himself clearly stated:

“NO ONE CAN SERVE TWO MASTERS. Either you will hate the one and love the other, or you will be devoted to the one and despise the other.” Matthew 6:24

As for me — I had actually come to Haiti thinking the nation must be ripe for a mighty revival — especially with all its increasing hardships — the immense poverty — rife government corruption — and the constant dangers of gang warfare, chaos and outright anarchy and terrorism in the country — surely the people would be ready for Jesus!

Which is why for the first two nights in Palon Mer Rouge — just as the first four days in Port-De-Paix — I emphasized the Love of God — the Mercy and Grace of Jesus — the Power of the Cross — and the Healing Saving Promises of our Lord — and His Heart of Compassion towards all the people!

And every night virtually the entire crowd responded to the altar call to accept Christ — and then a multitude would be healed in mass prayer — but due to fear and persecution only a few would come forward to testify — even though they firmly acknowledged over and over that God had indeed done mighty things in their hearts and bodies!

But by the third night I knew deep in my spirit the real hold back in the nation was this incessant grip of VODOO spirits and pagan beliefs — so I shifted gears in the spirit with a fiery message straight from the Old testament Words of Joshua:

“CHOOSE THIS DAY WHOM YOU WILL SERVE!”
Joshua 24:15

For you cannot serve God and demons at the same time!

Then I related how I had preached several campaigns in Haiti in 1981 and 1982 — revealing the difference between the Miracle Producing Works of Christ — and those of the Voodoo priests!

Relating how we left the Jacmel stadium late Christmas Eve 1982 — where God had done many miracles including opening the eyes of a precious little Haitian boy born totally blind — and how that little tyke had reached out numerous times to catch the shiny coin held out by the local pastor!

And then on the long drive back to Port aux Prince the Haitian pastors had related the many horror stories of Voodoo — and how the entire jungle had pulsed that night with the demon summoning power of Voodoo drums — and how they stated there were over 5,000 Voodoo priests just along that one lengthy stretch of road — and then asked if I wanted to go to the most powerful Voodoo service on the island that very night.

Which resulted in the pastors all staying in the car — too scared to go — but one brave young man came with me — as we followed a narrow winding trail through the jungle as the drums beat louder and louder — until we broke out into a huge opening with several hundred people — and many priests and priestesses doing their ungodly rituals.

I got as close as possible — only a few feet away — and for the next hour watched as they danced barefoot in the fires — pulled two and three foot long burning logs out of the fire and chewed vehemently into the red hot glowing burning wood — ate up thick beer glasses like they were little more than potato chips — watched as a long shard

shard of glass broke off — about 3 inches long and 1 1/2 inches wide to a jagged point at the end — and the priestess immediately stopped, plucked it up off the ground and popped it down her throat.

And then still dancing and swaying in and out of the 2 to 3 foot high flames of the fire took a live chicken — bit into its neck — spit a mouthful of feathers out — and then cocked her head back as she sucked the life blood out of that chicken — her eyes rolled back in her head until nothing but whites showed — and then she violently convulsed and was thrown unconscious to the ground — totally demon possessed — before being packed out as the next witchdoctor took her place!

For over an hour I watched these demonic witchdoctors — one after another — perform their rituals as the evil traditional spirits of darkness possessed them — from a clear vantage point of only about 4 to 5 feet away — sometimes even snapping pictures of them with my camera — and I felt absolutely NO FEAR — nothing but a sense of deep DISMAY and HEARTFELT ANGUISH for these poor misguided devil blinded souls!

As I stood there watching — suddenly the Spirit of God spoke to my heart direct from scripture:

“CAUSELESS THE CURSE SHALL NOT COME!”
Proverbs 26:2

In simple terms — the CURSE does not come without a Cause — and the Curse over the nation of Haiti has plenty of cause — rooted in willful DEVIL WORSHIP and in the traditional spirits of their ancestors brought over from Africa — which still have an iron grip on this little nation.

I told the crowd — I have personally watched your filthy demons at work — I have seen firsthand your Voodoo rituals — and what do they do for you — nothing but bring you into continual bondage — short-circuit the blessings of God — and plague you with sickness, disease, poverty and misery!

And the polluted pabulum of Haitian Catholicism mixed and blended with your Voodoo practices does nothing more than make a mockery of the True and Living God who longs to set you free!

So today — CHOOSE WHOM YOU WILL SERVE!

THE TRUE AND LIVING GOD OF THE BIBLE — JESUS CHRIST — or the DEVIL, his filthy DEMONS and your vile VODOOISM — but you cannot serve both of them at once!

Some would surely say — that's rough preaching brother — don't you know these are precious suffering misguided souls — I surely do — which is exactly why I preached that way — for you cannot pussyfoot around demons with compromised lovey-dovey milk toast messages and fear of hurting someone's poor little sentimental feelings — you need to confront the rebellious seducing foul spirits of deception straight on!

And if you don't have the spiritual guts to do it — I suggest you stay home and get saved before you even think of going to such a demonic place!

And then I told them — the DEVIL IS REAL — and the CURSE IS REAL — but the solution is even more real and much more powerful!

As the scripture states:

“CHRIST HAS REDEEMED US FROM THE CURSE — having become a curse for us — for as it is written — cursed is everyone who hangs on a Tree — that the blessings of Abraham may come upon the Gentiles in Christ Jesus” — Galatians 3:13 — which promise surely includes Haiti.

Furthermore — ***“The thief came to STEAL, KILL AND DESTROY — but Jesus came to give us LIFE AND THAT MORE ABUNDANTLY!” John 10:10***

So CHOOSE THIS DAY WHOM YOU WILL SERVE!

What a wonderful response to the altar call that final night — as thousands rushed forward — but this night I did not just lead them in a prayer of repentance and acceptance of Christ.

I had them verbally pray and then shout out into the spirit realm — with their whole hearted renunciation of the devil, demons, witchdoctors, brujos and Voodoo — and then pledge to serve Jesus and Jesus only — the True and Living Christ and none other but Him — from that day forward!

And then we prayed a mass prayer for healing — with multitudes healed again — and even though only a handful of those who received dared overcome their fears to come to the platform — this night it did not seem to matter as much!

For the GREATEST WORK HAD ALREADY BEEN DONE IN THEIR HEARTS — they had received Christ as Saviour and Deliverer — and at the same time they had renounced the devil and the stranglehold of witchcraft and Voodoo which had for so long held them in pitiful bondage!

Now in closing — let's apply these same spiritual truths and ultimatums to the people of Canada and America — lest we begin to think ourselves so much more spiritually advanced or more enlightened and obedient than those in Haiti.

For the exact same scriptures preached in Haiti are just as surely applicable to each and every life here — and they demand an honest response!

For in synonymous fashion to the comment of Jesus that you cannot drink the cup of the Lord and the cup of demons — He also proclaimed:

“YOU CANNOT SERVE GOD AND MAMMON.” Matthew 6:24

Of course we should all know that *“Mammon”* is the Aramaic word for wealth and riches — or to put that in modern day vernacular — ***“YOU CANNOT SERVE GOD AND MONEY”*** — which unhealthy motivation tends to avarice, greed and excessive materialism — which most of Canada and America — including much of the church — is given over to.

In other words — whether we fully realize it or not — we in the much more affluent West also have our worldly altars and pagan deities — bowing down to the ALMIGHTY DOLLAR rather than the Living God!

And the best way to determine if that type of spirit has subtly snuck in and gripped one's soul is to do some serious introspection — to honestly evaluate our hearts — and to see what we prioritize in life.

Is it to wholeheartedly follow and obey Christ and to spread His Message and Love to the world as He commanded — or is it to acquire more and more while we live in comfort and contentment — that is the true litmus test of our faith and devotion!

So we too are compelled by scripture to — **CHOOSE THIS DAY WHOM WE WILL SERVE!**

Which is why I so love the concluding comment of Joshua of Old who after posing the question stated without the slightest bit of equivocation:

“As for me and my house — WE WILL SERVE THE LORD!” Joshua 24:

And as for Haiti — THE CURSE HAS ALREADY BEEN BROKEN — completely done away with and fully eradicated in Christ Jesus and His Work on the Cross — but to appropriate the blessings — and to walk in the victory of Christ — we must all turn wholeheartedly to Jesus — No Other Gods !!!

JUST A FEW OF THE MANY MIRACLES IN PALON MER ROUGE

This lady was totally blind in her right eye — but God in His Love and Mercy opened it — touching my nose and my interpreter's nose to demonstrate

I asked her — are you happy to receive Jesus and that He opened your blind eye — Yes — then notify your face — and she burst into a big grin of praise

This lady was terribly vexed by demons — filled with pains and could never sleep — demons gone & pain all gone — and sleeping like a baby

Severely demon oppressed — everyone knew him — so vexed in body and spirit he could not even get out of his house — now up walking freely and declaring joy and total freedom from the devil & evil spirits — all praise to Jesus

What a fireball — God gave her a dream that a miracle missionary came — we did — and God healed her back — and she danced, shouted, preached and praised God cheering Jesus

Violently struck in the breast resulting in acute problems and pain — all the pain and problems instantly gone in Jesus Name — and so so happy

BREAKING THE CURSE OF VODOOISM

TO RELEASE THE GREATEST MIRACLE OF ALL — SALVATION IN CHRIST

My Dear Friend & Faithful Soul Winning Partner,

ANOTHER CAMPAIGN — ANOTHER BATTLE FOR SOULS — AND ANOTHER VICTORY — AND YOU HELPED MAKE IT POSSIBLE — THANK YOU — YOU ARE A TRUE BLESSING!

Some say — why go to such hard dangerous places — but the answer is simple — they need Jesus — Christ died for them as surely as He did for us — so let's obey and give them the Gospel. And now — one more campaign in Bombardopolis Haiti to go — and then it's back to India — 4 campaigns being planned — including the forgotten city of Argatala Tripura — where less than 1% of the entire population is considered Christian — with only a handful truly Born Again — these are the kind of places we must take the Gospel — and dangerous or not — we are going!!!
