HOPE & HEALING TO THE HURTING OF HAITI

PORT-DE-PAIX HAITI

**TO THE MOST DANGEROUS IMPOVERISHED NATION IN THE WESTERN
HEMISPHERE WITH HOPE, HEALING & HUMANITARIAN HEARTS**

THE DIRE CONDITIONS & DESPERATE NEED OF HAITI

Port Au Prince and Cap Haitian plus several other towns have been almost completely taken over by violent armed gangs resulting in chaos and terror

Port-De-Paix — the streets full of garbage — the main road in town a potholed road of despair — and the people hopeless, homeless and heartsick

A bank but no money — as people hang their heads in despair — no wonder the #1 thing people asked prayer for was fear and persecution

GANG WARFARE IN HAITI

This little island called Haiti — home to 12 million precious souls — and only a few miles from other Caribbean Islands which are enjoying prosperity — has long been known as the poorest most impoverished country in the Western Hemisphere — but for the last almost ten years it has also become the most dangerous — and they say that in the last 5 years alone Haiti has been pushed back more than 50 years!

Imagine — due to the ongoing violence over two million have fled the major cities — terrorized and exploited by huge armed gangs — making life extremely difficult — the average person making \$120 USD per month — and little hope in sight as a US embargo means no weapons or ammunitions can be supplied to government forces or police — but well armed gangs receive abundant supply in this tragic struggle for dominance and control — which is why when Russ has to go into the cities to the bank or other places of business — he usually wears a helmet, flat jacket and travels in a bullet-proof car with armed guards following — such is the extremely dangerous condition in these major gang controlled cities.

Couple all that danger with the fact that many of the Catholic churches are now preaching Liberation Theology encouraging the overthrow of government and authority — and the almost unimaginable reality that over 95% of all Haitians still firmly believe and practice Voodoo — as even most of the minute percentage who may go to church on Sunday still frequent the witchdoctors during the week — believing the demon witchdoctors have more power or spiritual influence than the traditional church.

TRAGIC — BUT THIS IS HAITI — AND THIS IS THE REASON WE ARE HERE !!!

THREE MINISTRIES UNITED TO BRING BLESSING TO HAITI

HOPE FROM ABOVE MINISTRIES — with three aircraft and a great hangar and airstrip which were built by sheer faith in the western town of Bombardopolis to conduct medical evacuations and humanitarian works. This ministry is headed up by ex-marine now missionary pilot Russ Beaurivage and his wife Catherine — and provides a lifeline for so many of these hurting people. The three small aircraft go steady flying people with critical medical conditions as well as pregnant ladies with serious complications to help — plus a host of other integral flights such as ours — which short hop flights by air spared us many many gruelling hours of rough tiresome travel over the rugged twisting mountain roads which are often little more than broken down goat trails through the jungle — a true blessing from above!

The three missionary pilots — Russ Beaurivage & his wife Catherine who head up HOPE FROM ABOVE — and the two other dedicated pilots — Jukka and Jacob — a super team all from Canada — a great work to support!

THE POWER OF UNITY & PURPOSE

I have always believed that if true believers in Christ could join forces and work together for the Gospel — each using the specific spiritual gifts and means God endowed them with — we could accomplish much more in God — and this venture to Haiti is proving that biblical truth to be so!

Russ & Catherine of HOPE FROM ABOVE MINISTRIES — along with Pastor Andre Levesque & team from REMNANT CALL CHURCH — and of course I and my two boys from WORLD HARVEST OUTREACH — plus local pastor coordinator Wizny Exima who along with Pastor Levesque oversaw all the local preparations — joined forces to make a serious impact for Jesus in this gang and violence torn nation of Haiti — which on two separate occasions was dedicated to the devil & the witchdoctors with 1,000 pig sacrifices by former presidents — Papa Doc and Baby Doc Duvalier — so if it took unity and authoritative power to bring such a curse on this nation — it will just as surely take the unity and faith of believers in the BLOOD OF JESUS TO BREAK THE CURSE!

Our local coordinator in Haiti — Pastor Wisney Elixia — a Baptist minister with a heart for God and desire to see all of Haiti freed from Voodoo & to come to Jesus

THE LAZARUS PROJECT — & — LAZARUS IS RISEN

Ted Bell & Hannu Lindroos take on the challenge of RAISING LAZARUS FROM THE DEAD — a seized up and stripped 972 CAT Loader that rolled down a hill 8 yrs ago

Ted & Hannu — both heavy duty master mechanics — plus pilot Jacob — with LAZARUS — now running fine & in the compound — 4 days to raise — great work guys

Pastor Andre Levesque in his joy — dancing up a storm with the Haitian ladies worshipping God to the side of the field — rejoicing in the fruit of his labours for Jesus

THE DEAD SHALL RISE AGAIN — EVEN DEAD HEAVY EQUIPMENT

The Bombardopolis runway needs to be extended and widened to accommodate bigger aircraft — and the 3 km rough rocky road from the medical clinic to the dirt airstrip needs serious fixing — which means a big piece of equipment is needed. And it just so happened that a huge 972 Cat Loader — value new of over \$500,000 — rolled down the

mountain eight years ago and was left and stripped — considered worthless and some parts seized up.

SO BEGAN PROJECT LAZARUS — as a host of parts and oils etc were donated and flown in — and two master mechanics on the team from Remnant Ministries — Ted Bell and Hannu Lindroos — went to work on the machine — resulting in **LAZARUS BEING RESURRECTED —** which now belongs to **HOPE FROM ABOVE —** a great tool for the Gospel and the humanitarian work of God.

Way to go Ted and Hannu — **LAZARUS IS ALIVE AND WELL —** nothing short of a miracle of God's Provision & Believer's Dedication.

REMNANT CALL CHURCH

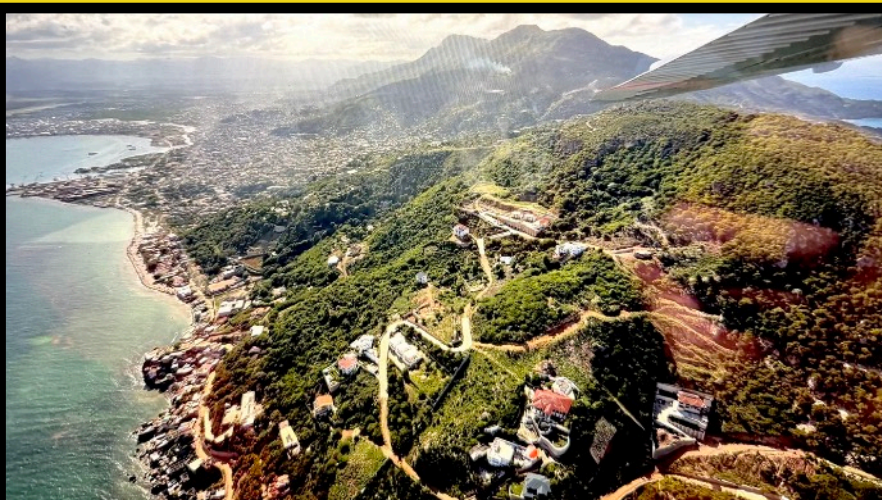

headed up by my longtime friend — Pastor Andre Levesque — who was chief coordinator of this entire outreach — pulling together the three ministries — raising funds from his contacts in the corporate world to assist in all the rebuilds and organization of humanitarian works — and he also brought along a great group of dedicated intercessors from his church — and once on the field worked to inspire the pastors and

Pastor Andre, Len, Mark & pilots Russ Beaurivage and Jacob as the team prepares to fly — 20 minutes by air — or over 6 hours at least by rough dilapidated road

Ben, Chris David & their pilot Jukka — Pat missing from photo — as we fly out to the first of three campaigns

Leaving the violence filled extremely dangerous city of Cap Haitian to take the Gospel of Jesus to Port-De-Paix in the northwestern end of Haiti — a city overrun with refugees and hurting people in dire need of Jesus

the few local churches — as well as hold a leadership seminar to teach the leaders on the subject of local evangelism & outreach — great job Andre!!!

LEN LINDSTROM GLOBAL MINISTRIES

And then we come to the proclamation of the Gospel in a somewhat different type of campaign — with six local pastors involved — all Baptists — so the subject of healing and miracles was basically alien to them — but they were still hungry to see God at work! Night after night the Power of God hit the growing crowd in mass prayer — and every night hundreds of hands were raised by those who were healed — affirming that their eyes, ears or limbs or growths had been instantly made whole by Jesus! Nevertheless — there was such fear on most of them that only a small percentage dared come up to testify — even though pastors and team were in the crowd to confirm their healings — which was highly frustrating for a preacher who desires to show the masses the handiwork and reality of our Risen Christ. But best of all were the altar calls each night — especially the final night — as thousands of precious souls came forward to commit their lives to Christ. Which is the greatest miracle of all — especially in a nation where over 95% of the entire 12 million population still practice Demonic Spiritism & VODOO.

PREACHING THE MIRACLE MESSAGE OF CHRIST TO THE MASSES OF PORT-DE-PAIX

Our own Security Force — heavily armed boys who escorted us on the rough road to the grounds every night — just in case there was any kind of trouble — of course we also had the angelic armies of heaven with us

This first of three Gospel Campaigns was held on the abandoned airstrip in the centre of Port-De-Paix — the first crusade held in this war-torn ravaged part of the world in more than 10 years as few if any are brave enough to take the Gospel to such a dangerous place

LOOK AT THE JOY THE GOSPEL BRINGS — this dear lady was blind in one eye for the last 3 years — and could not walk for the last 3 years — and every time the doctor gave her a shot it only made her condition worse. But one wonderful touch from Jesus in the mass prayer — and her blind eye was seeing perfectly clear — and her back and legs were also healed — and she was jumping for joy — shouting and praising God — marvellously and miraculously healed by Jesus! Just one of multitudes who were healed over the four days in Port-De-Paix

THE MIRACLES OF JESUS TO ALLEVIATE SUFFERING & TO MAKE CHRIST REAL TO THE MASSES

This happy girl suffered with a large mass in her breast and non-stop excruciating pain — but Jesus wonderfully healed her — the mass is gone and the pain all left — hallelujah!

Lady who was brought with a blind eye and crippled up so she could not walk — jumping and shouting for joy at the goodness of Jesus

The pastors of Port-De-Paix — a highly Gospel resistant town — but God broke through and by the last night the pastors were all so excited and saying — you must come back — next time we will be ready and there will be a massive crowd — Haiti needs this!!!

HOW MANY OF YOU WERE HEALED TONIGHT — every night was the same — hundreds of hands raised signifying lumps that disappeared — eyes healed — ears opened — and lame limbs now working — all to the glory of God

OUR NEXT TWO HEAL HAITI CAMPAIGNS SHOULD BE LARGER AS UNLIKE PORT-DE-PAIX — THE PASTORS ARE MORE UNITED — AND I AM TOLD THE PEOPLE ARE EXCITED WITH EXPECTATION TO ENCOUNTER JESUS

PALON MER ROUGE — HAITI **BOMBARDOPOLIS — HAITI**

Please stand with us in Prayer and Support as we bring the Life Changing Gospel of Christ to these hurting people
