BOUNTIFUL BREAKTHROUGH

BACOLOD CITY

NEGROES OCCIDENTAL — PHILIPPINES

AS THOUSANDS MORE COME TO CHRIST

NO VOLCANOES — NO EARTHQUAKES — NO TYPHOONS JUST AN EXPLOSION OF SOUL WINNING

How do you write up a campaign report with as much excitement as last week's campaign in Lacastellena — without a sudden 5-km high eruption of volcanic ash and fire as happened at the exact moment I was giving the final altar call and telling the people there was going to be an explosion of God's Healing Power!

Nor did we have any powerful earthquakes like in San Carlos City and in Guilhugnan City when I preached those two places about five months ago — nor was the year's most powerful typhoon barreling down upon us as when I preached Camotes Island and a few of our many other recent campaigns here — all in the Philippines!

No — nothing like that in Bacolod — no natural disasters to overcome — no massive storms or violent earthquakes or nearby volcanoes blowing their tops — but we certainly did have a marvellous eruption of the miraculous and the manifest Presence & Power of Jesus!

Which resulted in three days of tremendous altar calls here in the capital city of Negroes Occidental — as thousands of precious souls

received Christ — another stack of wonderful miracles and healings took place — so many lives set free — a joyous celebration of the Person and Presence of the Living Christ — and literally a myriad of hugs and accolades from multitudes of pastors and people alike.

All ecstatically stating — you are a true gift from God to our city — and God has so blessed us by sending you to the Philippines with such a powerful anointing — so many wonderful miracles — and so much love for our people!

And their most exuberant and repeated response — God has used you and this campaign to bring unity to the pastors — forgiveness, love and fresh appreciation for each other — and all the city churches are now united for Christ — thank you — thank you — thank you for coming!

What can one say to such a hearty flood of accolades except — to God be all the glory!

But here is the question that keeps running through my mind here in these campaigns in the Philippines — WHY IS THE CHURCH NOT SEEING THE SAME IN CANADA ???

Of course we know that the unwavering fully committed proclamation of **GOD'S WORD** must be front and centre to experience genuine revival — preached with total conviction that God meant what He said and that He said what He meant — preached without compromise — without being watered down — and without apology or the slightest shadow of doubt or equivocation!

That is so elementary it should not even need to be mentioned — but there is more — for the Word must be preached with total assurance that the **HOLY SPIRIT** is present to perform the Word — for the Word does not work alone!

It takes the power of the Blood of Christ in conjunction with the manifest presence of the **ANOINTING FROM ON HIGH** — the mighty **INFILLING OF HIS DIVINE SPIRIT** — working with the **WORD** to touch the masses.

And when these rudimentary truths of the Bible are preached it will always be as what was said of Jesus — *“the POWER OF THE LORD WAS PRESENT TO HEAL.” Luke 5:17*

After all — it does not take an earthquake or a typhoon or a volcanic eruption to kick start revival — such elements simply sweeten the reports to show that God can overcome any and every obstacle to the Gospel.

But what it will definitely take is whole hearted commitment to the Great Commission — coupled with a deep seated unshakable belief in the Eternal Value of each and every precious soul.

And the biblical truth that God did not call us to be celebrities or to chase after stardom in this world system — but to be fully committed and totally sold out — **SOLDIERS OF THE CROSS!**

On the front lines of World Evangelism — being about the Master's Business — and charging forward with Kingdom Truths no matter what is going on in this attention grabbing world — for if natural adversity, economic setback or

troublesome times were truly the catalysts to revival — the entire world including Canada should be in full blown revival mode.

For in case you did not realize it — there is a huge war going on in the Middle East right now — with some of the doom and gloom crowd projecting that World War 3 is on the horizon!

Which from a worldly or fearfully minded perspective means that I should not be here — but at home — playing Arm Chair General with a not-so-smart smartphone — like so many are!

As it seems everyone has become a military strategist in their own minds — hurling social media insults back and forth — blaming Israel — blaming America — blaming Iran — blaming Trump — blaming the Cabal — and then doing their utmost to pigeon hole every day's events into their latest version of end time prophecy.

Which of course is usually reinforced by some possible prophet's latest dream or word of prophecy which generally ends up being elevated above the true Word of God — not to mention the thousands of AI generated videos which leave people wondering if anything is actually true — and how deep this rabbit hole really goes to deceive and distract the masses.

No wonder the Bible says — *“He who sits in the heavens shall laugh” — Psalm 2:4* — at the folly of men and the delusion of so many AI videos!

Nothing but distractions — and far too often little more than sheer nonsense — which above all else serves to breed division and contention — distracting minds and hearts and pulling God's people away from the most imperative command in the entire Bible which is to simply — *“PREACH THE WORD!” 2 Timothy 4:2*

As such — we should never let anything deter us from our true purpose here — to preach Jesus and the results will follow — exactly as they did here in Bacolod — with or without volcanos, earthquakes, typhoons or wars — for the **GOSPEL IS STILL THE ONLY SOLUTION !!!**

PREACH THE WORD — THE MIRACLES WILL FOLLOW

AMAZING BACOLOD MIRACLES

THE CRIPPLED & LAME WALK IN JESUS NAME

CRIPPLED LEG — this precious old lady came with a bum crippled leg and could not walk or barely stand without a crutch — the power of God came over her — instantly healed — on stage rejoicing — dancing and jigging about — praising God — and declaring there is only one Healer and that is Jesus — and then with tears and a big joyful grin she said to me — you are a God-Send

38 YEARS DAMAGED LEG — Margarita Oibare — suffered for 38 years in her leg ever since she had a baby in 1988 — dislocated so bad it felt like it was broken for the last 38 years — so much pain made it almost impossible to walk — now running back and forth on stage and jumping up and down — Jesus

STIFF SWELLED LEG — so bad she could barely stand — leg all swelled and stiff and painful — now walking back and forth — so very happy and thankful for Jesus and His saving healing love and power

HAD TO CRAWL — suffered intense pain in her back so she often had to crawl — up and dancing on stage shouting glory and praise to Jesus

THE BLIND SEE & THE DEAF HEAR IN JESUS NAME

ALMOST TOTALLY BLIND IN BOTH EYES — so blind she had to be guided and led to the campaign — and legs filled with so much pain for years so she could barely walk — but God touched her — eyes are now clear and she joyfully and easily touches my nose — then Pastor Ray's nose — and walking freely about on stage — healed by the love of Jesus

TOTALLY DEAF IN BOTH EARS FOR 3 YEARS — Tissi Milopilo — totally deaf in both ears for almost the last 3 years — could hear absolutely nothing — said she went to three different doctors but they could do nothing for her condition — but Doctor Jesus did it tonight — and she could hear a whisper clear as could be — weeping and rejoicing in the Lord

TOTALLY DEAF BOTH EARS FOR 25 YEARS — so excited — shouting for joy — throwing his hands in the air over and over — beaming from ear to ear — as his ears totally deaf for so many years were now hearing completely clear and he was beside himself for joy — and he could hear a whisper with both ears!
Then I asked my interpreter Pastor Ray — what's his name — and before Ray could even ask him he shocked us both as he excitedly blurted out — Rocky — my name is Rocky — first time he heard his name spoke in 25 years

TOTALLY DEAF EAR FOR 20 YEARS — Rosa — deaf in her right ear for 20 years — nothing but a loud ringing that almost drove her crazy — now can hear the slightest whisper — delighted

TUMOURS & GOITRES DISAPPEAR IN JESUS NAME

HUGE TUMOUR DISAPPEARED — this lady had an IUD — Intrauterine Device — a coil-type of apparatus inserted in her to stop pregnancy — and it had caused a massive tumour about 6 inches wide and 6 inches deep to grow inside her to the point it was bulging out of her entire lower belly portion — but the entire huge hard tumour had suddenly disappeared — and she was pressing all over — so happy and filled with sheer delight — absolutely nothing of that huge tumour left and no matter how deep she shoved her hands into her belly — there was no more pain — Dr Jesus had done it again!

GOITRE DISAPPEARED — a big lump in her neck was suddenly gone — she was not sure if it was an actual goitre or not as she had never been properly diagnosed — but it had completely disappeared and Jesus got all the glory

ANOTHER BIG TUMOUR DISAPPEARED — this young lady suffering with serious gall bladder problems and a huge tumour the size of a fist in the top of her belly and the doctors wanted to operate — I asked how do you know you are healed tonight — she replied because the lump is completely gone

ANOTHER GOITRE DISAPPEARED — she had been suffering with a big lump in her neck the size of a golfball — but like so many others experienced — it had completely disappeared as we prayed the mass prayer — marvellous Jesus

EYES & EARS BADLY FAILING — Pastor Freddie Elam had badly failing eyes and going deaf in both ears — so excited — said God touched me and now my eyes are clear and my ears hear good — God even heals pastors

STRICKEN LEGS — extreme pain and stiffness in her legs so bad she had a hard time walking — power of God hit her legs — now jumping like a gazelle

3 HOLES IN HER HEART — suffered for years with pain and weakness — jumping up and down on stage and crying entire time she testified — so thankful to Jesus

ALMOST BLIND — Evelyn had a thick dark cloud over both eyes and her left eye almost totally blind — but now everything was seeing clear — rejoicing in Jesus
