DOCTOR CONFIRMED MIRACLES IN CANADA

**LIVER CIRRHOSIS — DR CONFIRMED
HEALED — ABBOTSFORD BC**

**WONDERFUL MIRACLE — REPORT WRITTEN
BY HER FATHER:**

Last year, my daughter Krystal was diagnosed with LIVER CIRRHOSIS. Cirrhosis is a severe and irreversible scarring of the liver, significantly impairing its function and altering one's life forever.

Last Saturday I saw Renae Dawn post about an evangelist coming to Abbotsford BC and he has a healing ministry. I asked her where it was and who. I said to my daughter Krystal Lucas — we need to go see Len Lindstrom. He is an evangelist in Africa who speaks to tens of thousands about Christ.

**HE PRAYED FOR HER WITH AN INTENSITY I
HAVE NOT SEEN.**

Jesus is still in the healing business as today she got word from her doctor that she is CIRRHOSIS FREE — with a completely healed liver — PRAISE GOD!

I sit here in tears, thanking the Lord. How much God loves us — and gives us second chances and third and fourth.

If you are on a journey and you feel that it is hopeless through health or life — call on the Name of Jesus and believe because He still does miracles! Signed — Gerald Lucas

**SPINAL STENOSIS — DR CONFIRMED
HEALED — LLOYDMINSTER AB**

**ANOTHER AMAZING DR CONFIRMED
MIRACLE DAYS AFTER PRAYER:**

This is Tara Swiftwolfe from Moosimin First Nations in Saskatchewan — who came suffering with a back problem — diagnosed by her doctors as Spinal Stenosis — a very painful condition caused by the narrowing of spaces within the spine generally the result of wear and tear and arthritis and/or herniated discs. But here is what Tara wrote the morning of February 27 2026 — only three days after receiving prayer as a glowing report of God's goodness and what the doctors just told her — as stated — only three days after she received prayer at the Arc Church in Lloydminster:

**"PRAISE REPORT !!! I WENT TO THE DOCTOR
YESTERDAY FOR THE CT SCAN — I TOLD
YOU I HAD SPINAL STENOSIS / FORAMINAL
NARROWING — MY NERVES AND BACK
HURTING BADLY — WELL THE CT SCAN
SHOWED NO MORE FORAMINAL
NARROWING — IT IS ALL GONE!"**

The result — Tara has no more back problem — and just like Krystal Lucas who came with liver cirrhosis — her miracle was doctor confirmed — only 3 days after receiving prayer — glory to Jesus our Great Physician!

VIOLENT SEIZURES, COULD NOT WALK & IN WHEELCHAIR — EDMONTON AB

The man here is Jason — brought in a wheelchair which he has been confined to for many years — but his mother remembered me from over 40 years ago and she brought her son to get a miracle from Jesus! Jason could stand up so he was not completely invalid — but he suffered constant violent seizures to the point that he could not walk at all — and if he tried to take a step he would immediately go into convulsions and fall down.

In fact — even when I chatted with them earlier in the service for about two minutes he had two violent seizures in the chair just in those couple of minutes — which was the reason he was belted into the chair for safety — but they had heard of all the miracle reports in our meetings and had come believing — and God would surely not disappoint!

I prayed for him in the chair — and then his mother unbelted him — and true to his normal condition the very moment he stood up he had a seizure and

fell down — but then something wonderful happened! He stood up — and walked back and forth with me numerous times across the entire floor — walking freely and breaking into an increasingly big grin! His mother said — we came for a miracle and when I take him home he is not going in that wheelchair — and that is exactly what happened — as Jason continued walking around without any more seizures — and when they left she pushed out his wheelchair — and he was walking freely behind — and turned and gave us all a big wave on their way out.

BAD KNEE & BONE STICKING OUT HER BACK — VICTORIA BC

A great night in Victoria in the House of Shiloh Church — small facility but packed out — and God was present in power and anointing — as the very first one prayed for was young Brook — who had come with a bad knee and a bone sticking out in her lower back.

What a blessing to see the shocked look on her face as first all the pain left her knee and she was working it freely — and then I said now your back in Jesus Name!

And she was amazed as she rubbed all over her back — nothing there — the bone which had been sticking out had completely and instantly gone back into place — Mighty Jesus!

Pictured here with her mother and her doctor's report in hand — and a big grin of praise to Jesus — our MIGHTY NEVER-CHANGING HEALER!

BROKEN SHOULDER HEALED — KELOWNA BC

This dear local lady named Helena came with a broken shoulder — broke just over a month ago and all bound up in a sling for support — and still filled with intense pain and unable to move that arm! But seconds after prayer she began to move her arm around — and she was delighted that there was no pain — so I told her to move it more — so she took her brace and sling off — and both arms including the one with the broken shoulder were going straight up and down in the air — with absolutely no more pain — healed by the power of the Living God just like several others who were miraculously touched this night in Kelowna by the Great Physician who is still the Broken Bone Healer and Broken Heart Healer — our compassionate caring Jesus Christ! Hallelujah!

TWO BROTHERS HEALED OF ASTHMA — PRINCE GEORGE BC

REAL MIRACLES LAST — Roger testified that his mother had brother him and his brother to one of my big yellow and white tent campaigns in Prince George 36 years ago — in 1990 — both of which young brothers had suffered badly with harsh asthma — and amidst all the other wonderful healings that took place — he said my wife Julie had prayed for them and they were both instantly healed. And the best part — neither one of them had anymore asthma to this very day — which makes 37 years Astham-Free — and proves that miracles do last !!!

BIG ULCERS HEALED BOTH SIDES — KELOWNA BC

So excited — she suffered 2 big ulcers both sides of her stomach — instantly healed 30 years ago in my big tent in Kelowna — and no problems ever since

**WHAT A NIGHT — HUNGRY HEARTS
& READY TO RECEIVE — ABBOTSFORD BC**

**DON'T BELIEVE
THE FALLACY
THAT GOD ONLY
DOES GREAT
MIRACLES
OVERSEAS —
HE IS STILL THE
SAME MIGHTY
MIRACLE
WORKER HERE
IN CANADA**

**ALS DISEASE & COULD NOT MOVE
OR LIFT HER ARMS — ABBOTSFORD**

**This precious lady suffered with the horrible
condition of ALS — Amyotrophic Lateral
Sclerosis — and could not lift her arms at all
— how utterly thrilled as Jesus touched her
and her arms were going up and down over
and over to the glory of God — Mighty Jesus!**

**TOTALLY DEAF EAR & LOSS OF SMELL
INSTANTLY HEALED — ABBOTSFORD**

**Precious lady from Ukraine — Orlena — came
with a totally deaf ear and total loss of smell —
instantly healed by Jesus — what incredible joy
at the reality and blessing of the Living God —
her daughter and Jonas Melan rejoicing with
her — Mighty Wonderful Healing Jesus!**

MUSCULAR SCLEROSIS — UP AND WALKING FREELY — ABBOTSFORD BC

What an amazing miracle for Bruce from right here in Abbotsford — suffering with MS — Muscular Sclerosis — and unable to walk as he would only stumble when he tried to — but God was gracious to Bruce this night and the power of God flowed into His afflicted and weak body! Hesitation and initial doubt quickly gave way to huge grins and immense joy as his legs started working freely and then he freely walked back and forth several times beaming from ear to ear saying — Only Jesus could do this! Which is why I always say — we preach the Word — we believe the Word — we speak the Word — and we act on the Word — and God confirms the Word — now let the doctors confirm what the Word has done for Bruce — and for all the others touched by God!

TORN ANKLE & LIGAMENTS — HEALED — LLOYDMINSTER AB

Shauna-Lee Sacrey came with torn muscles in her ankle as she had been in the gym a couple weeks ago doing a farmers walk with 2 x 45 pound dumbbells and while on one foot her ankle rolled over under the weight and tore the muscles and tendons in that ankle — full of pain and could not work for the last couple weeks. But God instantly touched her — the foot rolled all around completely pain free — and then she bent it back and forth many times and stomped and twisted it all over — instantly and wonderfully healed by Jesus! With Pastor Lisa Heape at the ARC Church

BI-POLAR HEALED — LLOYDMINSTER AB

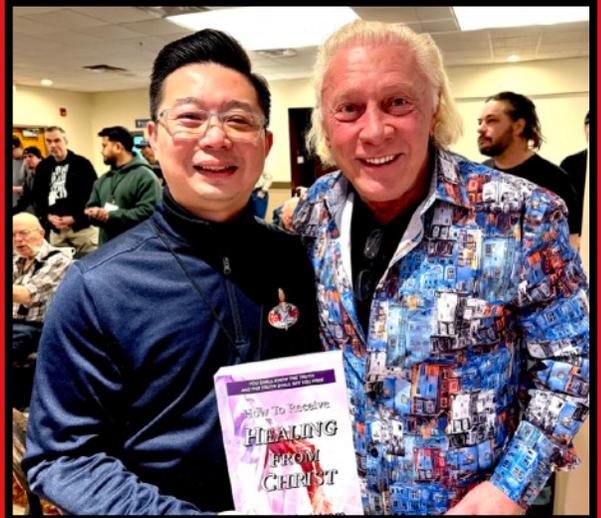

So excited to testify — suffered with bipolar condition for years eating pills — instantly healed in our tent campaign 3 years ago here — no more pills ever since — happy and blessed — as Christ still heals spirit, soul and body — including such nasty conditions as bipolar disorder

KICK OFF FOR OVERSEAS MISSIONS 2026

MY DEAR FRIEND & SOUL WINNING PARTNER,

We have seen some wonderful moves of the Spirit of God this last month in Canada — a great warm-up for what the Lord is going to do in the Philippines in our first four Overseas Missions campaigns of 2026.

As we target three key cities in the province of Negroes Occidental — and one more on Easter weekend in the most impoverished province of Samar — for which we have already wired over \$60,000 — but are still somewhat short on campaign costs plus most of our travel costs including the rest of our flights, hotels and food, etc.

So if God touches your heart to help us meet the rest of these immediate costs it will be greatly appreciated as together we lay up the secure treasure of eternal souls for Jesus!

SO PLEASE STAND WITH US ...
