# THE RAW EMOTION OF A MIGHTY MIRACLE

## ALMOST TOTALLY BLIND IN BOTH EYES FOR 31 YEARS

What an emotional heart stirring miracle to start a testimony line — as I had just finished the mass prayer on Night #2 on the Cadiz City college grounds — and then as I always do — I told the people to check themselves over and see what God had done for them!

An entire sea of hands went up of people

signifying they had been instantly healed — and many of them started coming up on the platform — when all of a sudden a woman was coming through the line crying out and shouting glory and I immediately said — bring that lady up on stage first.

It was — MARIA LOUISA PLASENCIA — and she had been almost totally blind in both eyes for the last 31 years — doctors said she had thick incurable cataracts covering both eyes — so bad she could see nothing except some blurry images for about the first 8 or 10 feet around her and then nothing beyond that — for the last 31 years!

But she had followed my leading in the mass prayer to Jesus and she reached out for God's Healing Touch — and then opened her eyes — and suddenly everything was perfectly clear — and she could clearly see the people all around her as well as those way up on stage!

What a mighty miracle — and the raw emotion that flowed out of her was fully understandable — as she cried profusely — covering her face and weeping and praising uncontrollably — thrusting her hands up high in praise — and then fell to her

A profusion of non-stop Tears, Praise & Ecstasy

knees crying even harder as she poured out her heart in thanks to the Lord — revelling in the wonder, majesty and might of what God had so graciously done for her!

Once she was back up on her feet she testified more — and then with a big grin pointed to her husband named Pedro out in the crowd — so I immediately called him forward to corroborate the marvel of his wife's amazing miracle.

Pedro said for many years they had gone to numerous doctors to see if there was anything they could do for his wife's virtually totally blind eyes — and there was absolutely nothing that could be done — but tonight our Loving Lord JESUS had done it — and Maria could see perfectly clear!

What a marvellous miracle working Jesus we have — and in that marvellous moment Maria became another living, vibrant, unforgettable miracle to the testimony and praise of the Power of the Gospel — and to the glory of our precious resurrected ever living, ever loving, ever working Lord of Glory!

And that was just one of scores of marvellous miracles as God visited Cadiz City with an unforgettable outpouring of His Love & Power

Maria Louisa Placencia — an outpouring of ecstatic heart-wrenching praise to the Lord for opening her blind eyes — and then confirming testimony by her happy husband Pedro

## FIRST EVER MASS MIRACLE HEALING JESUS CAMPAIGN IN CADIZ CITY

IMAGINE — a city this size at the far northern tip of Negroes Occidental — and they had never had a real outdoor Miracle Healing campaign where they could experience first hand the love and power of our Risen Saviour — and there are so many many places like this in the world!

Which is why every person who has ever called on the Name of the Lord for salvation should be seriously obeying the call of God to take — or at least help to send — the Gospel in Power to them — which to this day is still the Lord's Last Great Command to His Church!

And Cadiz City was another prime example of what this mighty Gospel can do when it is proclaimed as the apostle Paul stated — *“not with persuasive words of human wisdom — but in the demonstration of the Spirit and of power!”*  
1 Corinthians 2:4

As the Anointed Word of God and the manifest presence of Jesus drew the crowd — packing out the entire College grounds — resulting in an explosion of mighty miracles of healing — and most importantly — another bountiful harvest as thousands of souls came to the Living Christ!

# SO MANY INCREDIBLE MIRACLES OF HEALING

**BUT THE GREATEST — THOUSANDS OF SOULS FOR JESUS**

## WHAT SHALL WE DO TO WORK THE WORKS OF GOD

Now here is an imperative question — which is just as important to answer today as it was when the early disciples asked of Jesus:

*“What shall we do, that we may WORK THE WORKS OF GOD?” John 6:28*

And the correct answer is nowhere near as difficult as many make it out to be — as Jesus answered in reply:

*“This is the work of God, that you BELIEVE IN HIM whom He sent.” John 6:29*

That is it — simply BELIEVE — but what are we to believe — not a bunch of rules and regulations and religious mantras — but in Jesus — and that salvation by God’s Grace alone is a forever settled fact — that the price of redemption has been paid in full — that by His stripes we have been healed — that healing is the children’s bread — that the Greater One abides within us — and that God’s promises are made to all — bar none — full stop period!

This simple yet profound truth is perhaps best exemplified in the words of Jesus as He said:

*“If you ABIDE IN ME — and MY WORD ABIDES IN YOU — you shall ask whatever you will and it shall be done for you!” John 15:7*

In other words — we need to fully 100% believe and know beyond every shadow of doubt that Jesus is living within us and we are just as surely in Him — abiding in Him — and His Eternal Word is abiding — living — residing — within us!

In essence — the Word has become so natural to us that it has been grafted, ingrained and entwined into our spirits until it has become part of our own being — and we we know it cannot fail — for God watches over it to perform it!

And then — our job is to simply and powerfully proclaim His Word — His Infallible Promises — not out of our heads — but direct from our spirits — and God’s job is to perform it — and when we do that — the Works of God shall readily flow forth!
