TO GO OR NOT GO — TO GIVE OR NOT GIVE

We all face our own types of mental trials and spiritual battles — but for me one of my greatest challenges is always — Lord — how do I accomplish the great and mighty things you lay on my heart to do!

And where will the funding come from to finance these Kingdom endeavours — and how do we get our supporters the best bang for their buck!

Of course — God always has the solution — but sometimes the challenges can play with your mind and temporarily put you in a state of quandary questioning the Will of God — and this next campaign was certainly one of those!

TO GO OR NOT TO GO — that was the question!

Much like you reading this are perhaps questioning — **TO GIVE OR NOT TO GIVE!**

Let me explain — these Haiti campaigns were planned for many months — right in the midst of my summer Canadian outreach time which was the first blow but it is the least rainy time in Haiti for outdoor meetings — so two campaigns were being prepared — one in the stadium of Les Cayes — and one on the huge airstrip in Port De Paix.

All seemed to be on target — but no one including the Haitian coordinators realized this was exactly the time of the final huge games of the FIFA World Cup Playoffs — a time when most developing nations are literally gripped with Football Fever.

We here in Canada have no concept of the fanaticism associated with football — what we call soccer — as it has never been a major national sport here — but Europe, Africa, S America, much of Asia and of course the West Indies go absolutely crazy — and football madness overshadows anything and everything as they are caught up in the absolute fervour of the game.

And Haiti is super crazy about football — so much so that the government took the stadium we had arranged to use and will be putting up huge screens so all the locals can gather and watch the final few games ending on July 19th.

As such there was no venue so we set Les Cayes off until early next year — and I was considering cancelling the entire trip — one of several reasons.

But my long time friend Pastor Andre Levesque from the Remnant Church in Espanola has been preparing this for many months — especially Port De Paix — where over 100 churches are joining in.

And he is flying in a week earlier — teaching pastors in the daytime and holding church campaigns in the evenings — and then he will be starting the big air strip campaign during the final build up to the FIFA World Cup — and then I kick off for the last three days — on the evening of the great FIFA finale which is earlier that same day — with prayerfully a massive ingathering of souls.

And so began the mental mind games the devil loves to play with our natural minds — especially regarding how to pay our share of costs plus the exorbitant airfares to get into Haiti — which is far from the most desirable tourist destination.

Thus in my mind I postponed the trip — then decided to go forward with the one campaign — then switched to not going at all — and then finally made the firm determination — **I MUST GO!**

For — NO MATTER HOW BIG FIFA FANFARE MAY BE — GOD IS MUCH BIGGER — and the PREACHING OF THE GOSPEL IS NOT A GAME — it is all about the reality of ETERNITY — and the Value God places on precious eternal SOULS!!!

And FIFA FEVER or not — it is only a game — and the euphoria will wear off quickly — but bonafide miracles have the ability to impact people's lives forever — and the manifestation of Christ's Miracle Power will rapidly shift the city's attention from **BALL-KICKING — TO DEVIL-KICKING.**

And as already mentioned — the second major reason to cancel was that I simply do not have the necessary funds to go — but I **HAVE NEVER ALLOWED LACK TO STOP ME BEFORE —** and God assured me our faith partners won't either!

Besides — how could one consistently declare — **WE MUST TAKE EVERY OPPORTUNITY TO PREACH THE GOSPEL —** and then not go when so much preparation is already in place!

So please take this urgent need to heart and — **JOIN TOGETHER TO KICK A WORLD CUP WINNING GOAL FOR JESUS IN HAITI !!!**

WONDERFUL MIRACLES IN CANADA INCLUDING EXTREME ADHD INSTANTLY HEALED & DELIVERED

I haven't had time for many campaigns in Canada lately — but we did a few and as always the Lord proved faithful to do many wonderful miracles — including cataracts that instantly disappeared and partially blind eyes seeing clear, deaf ears hearing, tumours and lumps that disappeared and all cancer symptoms instantly gone — which in my view should be considered just normal Christianity in operation — but here are a few mentions that I would consider special miracles!

Such as in Tofield Alberta where a precious but frail fragile little lady named Gloria Bosma was basically given up to die and instantly healed of H Pylori disease along with the fear of resultant stomach cancer which reduced her to skin and bone — and three days later received her doctor's report — suddenly negative — disease gone — another wonderful doctor confirmed miracle!

And then there was the case of a precious young ten year old from Good Fish Lake — born with extreme ADHD — severely affected from birth — with all the most acute symptoms of extreme fear, acute restlessness, constant agitation, unable to look anyone in the eye, impulsive screaming especially around people, and aggressive clawing at others — all the horrible symptoms of worst case ADHD associated with neurological overload — and the poor little fellow was always vexed.

My friend Peter Cardinal had told his father Calvin about the type of miracles we see in Jesus Name so he drove his son all the way down from Good Fish Lake to see if Jesus could do anything for his boy — but he said he could not bring him into the service as he would be terrified and scream steady — so we prayed in the side room of the hall as people were gathering on the other side.

And my friend Terry Breitreitz who loves to give the demonic a hard time joined with me and Peter — as I laid my hands on the head of that screaming terrified young boy and called upon the mighty delivering name of Jesus!

What a powerful presence of God's Spirit filled the room — tears began coursing down my cheeks — the compassion of Christ flowed freely — as the boy screamed over and over — and then clawed at my chest — then clawed down my face — but I paid no attention to it — and somehow by God's

grace there were no claw marks on my face — as I simply kept praying and rebuking the foul spirit which had vexed his life all the way from birth.

Soon the screaming stopped — a calm came over the lad — peace seemed to fill his heart — and I looked up and saw his daddy Calvin with tears in his eyes — his precious little fellow was finally being set free — for the first time in his life.

He related how he had taken the child into the sweat lodge and many times tried the traditional practices of the elders — to no avail — and how he had gone to a famous psychic healer in Florida but no change — and how he had even had a priest anoint him with oil from Israel — all without any positive results or the slightest bit of change.

But this one short but powerful anointed prayer in the mighty name of Jesus had made such an instant, remarkable and dramatic difference!

Calvin said — he has never been able to look into anyone's eyes — ask him to look at you — the child looked up — no problem at all — just as calm and peaceful as any normal child.

Then he said — ask him how he feels — so I did and he responded — I feel good — and then we repeated that act with Peter and with Terry — and each time the precious boy replied — I feel good!

What a mighty miracle — from a ten year lifetime of extreme fear, agitation, inability to pay attention, screaming, clawing and being horribly vexed — to this sudden marvellous lasting change — peace, calm, alert and attentive for the first time in his entire life — Mighty Mighty Jesus!

Calvin drove all the way back to Good Fish with what one could almost call a brand new son — and the deliverance lasted — praise God!

I relate this miracle in detail as anyone who has attempted to pray for someone with the neurological overload condition of extreme ADHD knows it is extremely difficult to see them delivered but — **NOTHING IS IMPOSSIBLE FOR OUR MIRACLE WORKING COMPASSIONATE JESUS** — and to God be all the glory!

Thank You Jesus for setting free the little ones!
