VICTORY OVER DEFEAT

KASUR

PAKISTAN

I Will Not Let You Go – UNTIL YOU BLESS ME

"I Will Not Let You Go UNTIL YOU BLESS ME!!!"

DETERMINED FAITH AND THE CAMPAIGN THAT ALMOST WAS NOT — — — TURNING SEEMING DEFEAT INTO VICTORY

JACOB WAS IN TROUBLE — Big Trouble — in fact his very life was in grave danger of being wiped out — as his deceitful past had finally caught up to him!

I am sure most of us remember the story — as this is part of the history of Jacob — the one whose name meant — DECEIVER — the one who stole his brother's Blessing and then later really infuriated him by stealing his Birthright.

And now many years later he was returning home to Canaan — filled with fear — as it was reported that his brother Esau who had vowed to KILL HIM was on his way to meet him with 400 men and vengeance on his mind.

It is not my intention to go deep into this intriguing story — but rather to focus on — ONE KEY LIFE-CHANGING NIGHT — a night that would transform Jacob's life and even his name — as before that fateful night was over God would not only give him victory but literally change his name from Jacob the Deceiver to — ISRAEL — the third of the three Patriarchs — and Father to the Twelve Tribes of Israel.

And that tremendous transformation took place when Jacob wrestled throughout the entire night with an Angel of the Lord — which was none other than GOD HIMSELF — and as the morning light began to break over the scene the Angel said — LET ME GO — and Jacob declared:

"I WILL NOT LET YOU GO UNTIL YOU BLESS ME!"

And with that type of Desperate Determined Faith — everything changed — Jacob was changed — Esau was changed — the imminent danger changed to peace — fear changed to relief and renewed faith — and what had seemed like total defeat was transformed into Victory!

Which resulted in a — MIGHTY TRIUMPH IN THE MIDST OF SEEMING DEFEAT — and the Will of God being accomplished despite the challenging setback!

And so it was in this main event on my latest Mission Trip to Pakistan — as the main big campaign planned for KASUR CITY had been completely wiped out by a violent freak storm the weekend before.

And if I had been the type of preacher who simply chalked it up to fate and declared — *"Sera Sera — whatever will be will be"* — all the planning and all the funding would have been in vain — and I would have been returning home like a whipped pup with my tail tucked between my legs!

But I was not about to let the devil win this round — nor any round — and we persisted — even though I should have been home rapidly raising funds to cover our next great venture into Venezuela — I stayed another week — and when we witnessed the tremendous response in this resurrected campaign — I was so very very happy I did!

The massive response of the excited crowd — the many thousands who committed their lives to Christ — and then the phenomenal miracles of healing that took place — so great that many of the pastors and leaders that were there said they had never before seen anything like it!

All I can say is — TO GOD BE ALL THE GLORY — and a very special THANK YOU to our wonderful committed partners whose generosity made it possible!

As together — no matter what the need or what the challenge — we boldly declared before the Lord — I WILL NOT LET YOU GO UNTIL YOU BLESS ME — and that determination to hang on to God until the answer came that worked for Jacob — will just as surely work for you and I.

So here are just a few of the dynamic results — and some of the mighty healings that took place all in this one night in Kasur City — literally turning Defeat to Victory!

Which convinced me I will definitely be going back to Pakistan to preach in other bigger cities — as well as a small taste of what God will surely do in — VENEZUELA !!!

AMAZING MIRACLES IN KASUR

MANY HUGE TUMOURS

INSTANTLY DISAPPEAR

Showing the size of the big massive hard tumour that had been sticking out of her belly for years — — bigger than a grapefruit — instantly disappeared

And look at the absolute joy and delight on the faces of the two pastors who were my interpreters — as this precious lady testified with ecstatic joy — absolutely nothing there anymore

That is our marvellous Jesus — she pushed all over — shocked and elated — not the slightest trace of that huge massive tumour — O the Mighty Love of Jesus for these precious Pakistani people

Right behind her came this dear woman — equally excited — as she also had a big growth that disappeared — but these first two miracles were only setting the stage for what was to come

INCREDIBLE — HUGE TUMOUR DISAPPEARS FROM BOY'S CHEEK

Ecstatic Mama — her little boy had a huge tumour bigger than a golf ball sticking out the side of his cheek his entire life — totally disappeared

Look at how phenomenal this miracle was — the huge tumour that was about 2 inches long and protruding like an oversized golf ball was gone — and the cheek is completely flat and normal

Not only the ecstatic Mama — but this precious little fellow shouting Hallelujah to Jesus — and no wonder — that horrible disfiguring growth that plagued his little life had totally disappeared

This precious lady had not just one — but two huge hard tumours the size of softballs — one on each side of her belly — and both of them are completely gone — not to be found — in Jesus Mighty Name

The lady is pushing all over her body — pastor is saying two huge tumours — and now absolutely nothing there — Mighty Mighty Jesus

And the response to such a phenomenal miracle — joy unspeakable and full of glory

AND THE LAME LEAP & PARALYZED LIMBS WORK AGAIN

Suffering with a bad back and semi-crippled — over and over he squatted right down to the platform and then sprung up

Leaping high in the air — rejoicing in this Mighty Jesus who had instantly touched him and set him free

Look at that grin of Joy — the kind of Joy that only the reality of Christ can bring

More sheer joy — suffering with damaged and torn tendons — all healed now

A lame arm that did not work — healed and thrusting it high in Jesus Name

Afflictions in her legs — so happy to be walking normal again in Jesus Name

JESUS LOVE FOR PAKISTAN

AND THE BLIND SEE & DETERIORATED EYES ARE MADE CLEAR

Pastor checking her eyes — as she was almost totally blind in both eyes

And the other pastor interpreter watching with joy as this precious old lady demonstrates her wonderful miracle

Seeing perfectly clear now — and so delighted that the Love of Jesus has touched her

He was going blind for the last two years — so happy Jesus touched him and his badly blurred failing eyes are seeing clear now — thank you Lord

And the last testimony before they shut us down — another with very bad blurry failing eyes — happy to see perfectly clear again

And then this precious little tyke — suffering with non-stop fever for two months — instantly healed and happy — the wonderful touch of Jesus in Kasur City

IF WE DON'T FIGHT FOR VICTORY WE WILL NEVER EXPERIENCE IT — WHICH IS WHY WE FIGHT THE GOOD FIGHT OF FAITH

Now let's jump back to the story of Jacob for a moment — and realize that JACOB did not become ISRAEL by attending a seminar or someone's Bible School — he became Israel that night long ago because he absolutely refused to let go of God — even in the darkest most painful place of his life.

And so it is with all of us today — real spiritual growth and the testing of our faith generally takes place when we are desperate — all alone — out of natural solutions — and our only hope of deliverance, healing, supply, blessing or chance of breakthrough is God and God alone!

And that is exactly where I am at again — this time for our Venezuela campaigns — as we have now finally covered the costs of the first big stadium campaign in Guerenas — but I still need $35,000 USD to cover the huge campaign in Caracas!

And we have already set the campaigns ahead one week — as hundreds upon hundreds of pastors and leaders are excited and ready — and they are waiting on me!

I could have easily left Pakistan on my original flight to come home and raise funds — but look at the mighty blessing the people of Pakistan would have missed!

So we wrestled with God and the elements there and the Lord gave us a mighty victory — and here we are again — wrestling with God and elements — but still declaring:

I WILL NOT LET YOU GO UNTIL YOU BLESS ME — AND LORD — UNTIL YOU BLESS ALL OUR FRIENDS AND PARTNERS WHO LOVE YOU AND LOVE SOULS ENOUGH TO INVEST INTO THIS GREAT OUTREACH FOR SOULS!

And i am confident God still hears — and so do His people — and it shall come to pass!

IT'S TIME TO WRESTLE WITH GOD AGAIN

— — —

NOT BECAUSE GOD IS HOLDING BACK

— — —

BUT BECAUSE WE ARE IN A BATTLE FOR PRECIOUS HURTING SOULS

Another special welcome and honour in Pakistan — makes me wish I could heap garlands of appreciation on all our partners — but I am absolutely certain God Himself will robe you in blessings for supporting soul winning

VENEZUELA

Good News

The Guerenas Stadium campaign is now covered

BUT NOW WE NEED TO PAY FOR THE CARACAS CAMPAIGN

$35,000 USD

And the dates have been shifted forward one week for extra time to prepare and fund

GUERENAS STADIUM

NOV 26-28

CARACAS STADIUM

DEC 3-5

Let's Do It My Friends

And Let's Make History Together!!!

I WILL NOT LET YOU GO

UNTIL YOU BLESS ME

MY DEAR NEVER-GIVE-UP SOUL-WINNING PARTNER,

Witnessing these great Miracles in Kasur — and the tremendous Harvest of Souls — was the direct result of NEVER GIVE UP FAITH — which makes me more determined than ever to hold firmly onto God and continue crying out — I WILL NOT LET YOU GO UNTIL YOU BLESS ME — AND VENEZUELA!

And all I can think about is — if God did this in just one night in Pakistan because we would not let go — what will He do in this freshly opened door to hungry hurting VENEZUELA in two stadium campaigns!!!

Which is why this appeal is so — URGENT — and why we moved the campaigns ahead a week for more time for the funding to come in — as we must not miss this incredible opportunity — so please — SOW YOUR BEST LOVE GIFT FOR VENEZUELA — and remember — THESE ARE NOT JUST ORDINARY CAMPAIGNS — this is a truly God-Ordained Opportunity to reach precious souls in this Marxist Nation!
